Regenerators Social Criticism In Late Victorian English Canada:

The Regenerators Ramsay Cook,1987 **The Regenerators, 2nd Edition** Ramsay Cook,2016-01-01 A crisis of faith confronted many Canadian Protestants in the late nineteenth century With their religious beliefs challenged by the new biological sciences and historical criticism of the Bible they turned from personal salvation to the dire social problems of the industrial age *The Regenerators* explores the nature of social criticism in this era and its complex ties to the religious thinking of the day showing how the path blazed by nineteenth century religious liberals led not to the Kingdom of God on earth but ironically to the secular city The winner of the Governor General s Literary Award for Non Fiction when it was first published in 1985 *The Regenerators* became an instant classic for its fascinating portraits of evolutionists rationalists spiritualists socialists and free thinkers before the turn of the century This new edition features an introduction by historian and biographer Donald Wright *The Regenerators, 2nd Edition* Ramsay Cook,2016 The winner of the Governor General s Literary Award for Non Fiction when it was first published in 1985 *The Regenerators* became an instant classic for its fascinating portraits of evolutionists rationalists spiritualists socialists and free thinkers before the turn of the century This new edition features an introduction by historian and biographer Donald Wright [The Canadian Protestant Experience, 1760 to 1990](#) George A. Rawlyk,1994 Five leading Canadian religious historians address the Canadian Protestant experience Each author considers a separate period taking into account the major underlying themes of the time and noting the influence exerted by key personalities As this collection shows Protestantism had its most profound effects on Canadian life in the nineteenth century As the twentieth century unfolded however Canadian Protestantism battered by demographic change profound inner doubt so called modernity and secularization was gradually pushed to the periphery of Canadian experience The contributors are Phyllis D Airhart Nancy Christie Michael Gauvreau John G Stackhouse Jr and Robert A Wright [Canadian Travellers in Europe, 1851-1900](#) Eva-Marie Kroller,2011-11-01 This book provides both a detailed survey of Canadian travel writing in the nineteenth century and an unusual perspective on Canadian cultural history The Canadians who wrote about their experiences abroad during the era of mass travel which followed the advent of the steamship reveal much about themselves and their own country as well Who were these travellers why did they travel and what did they expect to see In answering these questions Eva Marie Kroller draws upon a wide variety of materials novels guide books magazines newspapers photographs paintings and previously unpublished letters and diaries The self assured progress of the privileged Canadian travellers often turned into introspective voyages of self discovery For one thing Europeans often mistook them for Americans and many had to ask themselves what it really meant to be Canadian In addition the tone of moral earnestness which pervades the early travellers tales begins to give way to a certain world weariness by the end In Canada and elsewhere the tourist was a new phenomenon at the beginning of the period but an accepted part of the modern world by the end of it *Canadian Travellers in Europe* will be required reading for devotees of

travel writing but it is also a significant contribution to nineteenth century Canadian history

Baptists and Public Life in Canada Gordon L. Heath, Paul R. Wilson, 2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada's smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada's Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life
