Reservations For Murder:

Reservation for Murder June Wright, 2020-11-17 June Wright had already published three popular mysteries by the time she created her most memorable detective the Reverend Mother Mary St Paul of the Cross The kindly Mother Paul may seem vague and otherworldly but little escapes her attention she has a shrewd grasp of everything that s going on beneath the surface In Reservation for Murder the first of three Mother Paul novels originally published in 1958 she is in charge of a residential hostel for young women who work in offices and shops in Melbourne A tense atmosphere pervades the house many of the residents have received unpleasant anonymous letters and there is much speculation as to their author When Mary Allen finds a stranger stabbed in the garden who dies after uttering a mysterious name and a few days later one of the residents is found drowned an apparent suicide the tension reaches fever pitch Is there a connection between these two deaths Or between them and the letters The police investigation abetted by the resourceful Mary Allen proceeds in fits and starts but meanwhile Mother Paul pursues her own enquiries

Murder on the Reservation Ray B. Browne, 2004-06-30 In Murder on the Reservation Ray B Browne surveys the work of several of the best known writers of crime fiction involving Indian characters and references virtually every book that qualifies as an Indian related mystery Browne believes that within the genre of crime fiction all people are equal and the increasing role of Indian characters in criminal fiction proves what an important role this genre plays as a powerful democratizing force in American society He endeavors to both analyze and evaluate the individual work of the authors and at the same time provide a commentary on the various attitudes towards race relations in the United States that each author presents Some Indian fiction is intended to right the wrongs the authors feel have been leveled against Indians Other authors use Indian lore and Indian locales as exotic elements and locations for the entertaining and commercially successful stories they want to write Browne s analysis includes authors and works of all backgrounds with mysteries of first class murder both on and off the reservation
