Resident Aliens Life In The Christian Colony:

Resident Aliens Stanley Hauerwas, William H. Willimon, 2004-04-01 In this bold and visionary ebook two leading Christian thinkers explore the alien status of Christians in today's world and offer a compelling new vision of how the Christian church can regain its vitality battle its malaise reclaim its capacity to nourish souls and stand firmly against the illusions pretensions and eroding values of today's world Hauerwas and Willimon call for a radical new understanding of the church By renouncing the emphasis on personal psychological categories they offer a vision of the church as a colony a holy nation a people a family standing for sharply focused values in a devalued world

Resident Aliens Stanley Hauerwas, William H. Willimon, 1989 In this bold and visionary book two leading Christian thinkers explore the alien status of Christians in today's world A provocative Christian assessment of culture and ministry for people who know that something is wrong

Resident Aliens Stanley Hauerwas, 2014 Only when the Church enacts its scandalous Jesus centered tradition will it truly be the Body of Christ and transform the world Twenty five years after its first publishing *Resident Aliens* remains a prophetic vision of how the Church can regain its vitality battle its malaise reclaim its capacity to nourish souls and stand firmly against the illusions pretensions and eroding values of today's world *Resident Aliens* discusses the nature of the church and its relationship to surrounding culture It argues that churches should focus on developing Christian life and community rather than

Contexts for Amos Mark Daniel Carroll R., 1992-02-01 This learned volume offers a close reading of chapters 3 to 6 of the book of Amos and attempts to locate biblical study and theological reflection within the complex cultural context of Latin America The author prefaces his study with a wide ranging survey of the continuing debate over the proper use of the Bible as a model for the structures of society The author's particular focus is Latin America and through sociological and textual analysis he seeks to define the role of the prophetic biblical voice in this society and presses for a recognition of moral complexities and a constant questioning and self evaluation from those who would claim to speak for God in society

Communities of Restoration Thomas Noakes-Duncan, 2017-10-19 By bringing together the insights of ecclesial ethics an approach that emphasizes the distinctive nature of the church as the community that forms its mind and character after its reading of Scripture with the theory and practice of restorative justice a way of conceiving justice making that emerged from the Mennonite Anabaptist tradition this book shows why a theological account of the theory and practice of restorative justice is fruitful for articulating and clarifying the witness of the church especially when faced with conflict or wrongdoing This can help extend the church's imagination as to how it might better become God's community of restoration as it reflects on the ways in which the justice of God is taking shape in its own community How does an ecclesial context shape the theological apprehension and praxis of justice This question orientates the book In particular it asks how in view of its members having been admitted into God's restoring justice in Christ the church might

embody in the world this same justice of restoring right relationships While Christian reflection on the nature of justice has tended to favour a judicial and retributive conception of justice it will be argued that the biblical understanding of the justice of God is best understood as a saving liberating and restorative justice It is this restorative conception that ought to guide the community that reads Scripture so that it might be embodied in life *Life on the Edge* Brother John of

Taizé, 2017-10-26 Is the Christian faith something that can peacefully exist alongside all the other aspects of an ordinary human life or does it by its very nature turn that life into something else The author of this book a member of a monastic community for over forty years obviously has a vested interest in the answer But even for believers caught up in the day to day life of society work and family the question is an important one at least if they are seeking a measure of consistency in the life they are living And does not the very fact that the question of the importance and urgency of faith needs to be asked witness to the eclipse of an eschatological outlook among Christians at any rate in the mainstream Churches Could this oversight not explain why an eschatological understanding of faith one which sees it as a radical world changing reality has been forced to take refuge often deformed to the point of being unrecognizable in small fanatical groups on the margins of the Christian world **Passover, Pentecost and Parousia**, 2019-05-21 Dr R Hollis Gause has been Professor of

Theological and New Testament Studies at Lee University and the Church of God Theological Seminary in Cleveland Tennessee for many years and his huge contribution to Pentecostal scholarship is held in high regard internationally His influential life and ministry as well as his teaching and scholarship are here celebrated in his 85th year by many of his colleagues and former students Contributors are Contributions K E Alexander L R Martin R D Moore J M Beaty J A Adewuya J C Thomas K J Archer S E Han T L Johns D G Roebuck J P Bowers C Bridges Johns C R Cason M O McMahan D W Slocumb R E Waldrup *The Cambridge Companion to Christian Ethics* Robin Gill, 2012 Twenty essays providing an authoritative introduction to Christian ethics addressing issues such as war social justice ecology sexuality and medicine **A**

Stewardship of the Mysteries Frank C. Senn, 1999 A Stewardship of the Mysteries is an ecumenical work that explores current issues in the administration of the sacraments and the role of the word of God in the order of the eucharist in Roman Catholic Protestant and Orthodox churches BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *System and Story* Gale Heide, 2009-01-01 System and Story is intended to develop a means for bridging the gap between critics of system and those who may find value in doing systematics from a Biblically oriented context Narrative theologians have rightly identified and critiqued the development of system in academic theology Unfortunately they have not identified the ways in which systematic elements have always played a role in theological knowledge This study demonstrates the inherent systematic tendencies that still exist in narrative approaches to theology while at the same time acknowledging the appropriateness of aspects of the narrative critique of system The reaction against Enlightenment modernism is examined from the perspective of the heightened role of system in religious epistemology The work of Stanley

Hauerwas serves to carry much of the conversation regarding the critique of system and a narrative alternative as it is discovered in communal formation After summarizing Hauerwas theology if such a thing is possible the final chapters explore the ecclesiological concerns of narrative theologians according to a more systematic rendering of pneumatology A Biblical rendering of pneumatology from the perspective of the Spirit's role in ecclesiology allows for a modest i e pre modern systematic presentation commensurate with narrative communal formation Thus the narrative attempt to once again do theology for the church is seen as compatible with a Scriptural i e modestly systematic theology of the Spirit

Culture of Peace Alan Kreider, 2005-11-01 Why is peace such a divisive issue even among Christians Why is it so hard to practice right here right now Why is peace often considered an extra rather than an essential to faithful Christian living The three authors decided to write this book when the Indonesian member of the team remarked to the other two If the Christian church is to make any impact on Indonesia it must address itself to the biggest peace issue reconciliation with Muslims But before the writers could honestly consider that explosive possibility they first had to ask why Christians find it so difficult to live peaceably with other Christians They've discovered that conflict is often a prerequisite of peace They grant that peace is a continuum easier to live in some areas of life than in others They've learned that peace has two parents hard work and grace Living in peace is muscular activity The authors suggest how to develop peacemaking reflexes how churches can learn to handle conflict well and how to cultivate vulnerability and humility two essential attitudes of peacemakers True stories from communities around the world support this hopeful but strenuous call to faithful living

Aliens in Your Native Land Warner M. Bailey, 2020-07-24 Living as an alien in one's native land is a familiar reality to marginalized communities Cultural economic and political shifts can cause people to become alienated by a system of greed racism sexism xenophobia and media manipulation How can Christians

persist under a sustained threat within a social order diametrically opposed to them This question drives Warner Bailey's investigation of 1 Peter The mature Christology of 1 Peter yields a profile of Christian identity This picture is funded by texts from the Book of the Twelve Hosea Malachi and is counter intuitive in that it is able to create new initiatives for behavior that offer hope for redemption in the midst of oppression Bailey explores how 1 Peter has been used in shaping the life of modern aliens such as Dietrich Bonhoeffer living in his own country under the oppression of Nazism and feminist black immigrant and LGBTQIA readers Placing 1 Peter within the crisis in U S political and economic life opens up fresh implications for faithful ecclesiastical practice and personal witness *Preaching to Strangers* William H. Willimon, Stanley

Hauerwas, 1992-01-01 These twelve sermons by renowned author and pastor William Willimon with responses by theologian Stanley Hauerwas demonstrate the fruitfulness and difficulty of the interaction between theologians and practicing pastors In this book the authors suggest an intriguing way to think about theological work within the church In this intriguing book the authors suggest a new way to think about theological work within the church **A Luminous Life** Brock

Bingaman, 2021-03-23 In a culture intrigued by various forms of spirituality this study invites readers to explore the deep historically rooted resources of the Christian spiritual classics It is an invitation to seek the transformative presence of God the kingdom of God within our hearts through the spiritual classics These classics formed in the matrix of meditation on Scripture are like road maps that provide invaluable wisdom and guidance for the spiritual journey Illustrating the importance of theologically grounded spirituality *A Luminous Life* draws from Catholic Orthodox and Protestant classics that stem from rich trinitarian and christological reflection This book explores key themes in the spiritual classics including biblical images and historical models of spiritual development prayer fasting solitude and community the cross and suffering the desert spiritual direction and contemplation and action This study seeks to bridge the academic and ecclesial demonstrating that the life of the mind and life in the Spirit are unified that theological reflection and spiritual formation go together Considering exemplary writings from diverse traditions such as the Desert Fathers Maximus the Confessor Teresa of Avila and John Calvin *A Luminous Life* draws readers into worshipful reflection on God and formation in Christ The book concludes with the encouragement to ongoing prayerful study of the spiritual classics as fuel for the luminous life **The**

Sacrifice of Africa Emmanuel Katongole, 2011 In *The Sacrifice of Africa* Emmanuel Katongole confronts this painful legacy and shows how it continues to warp the imaginative landscape of African politics and society He demonstrates the real potential of Christianity to interrupt and transform entrenched political imaginations and create a different story for Africa a story of self sacrificing love that values human dignity and dares to invent a new and better future for all Africans
