

# Resistance to Reconstruction

Many white Southerners who held power before the Civil War, known as **conservatives**, wanted the South to change as little as possible. They were willing to let Africans vote and hold a few offices. Other Southerners took a harsher view. They spread terror to African Americans and anybody who supported them.

They formed secret societies to try to help the South regain its power. The most dangerous group was the **Ku Klux Klan**, or KKK. Dressed in white robes and hoods to cover their heads. They used violence to murder and scare African Americans and their allies. In 1870, Congress acted to stop the KKK's violence. Congress made it a crime to use force to keep people from voting.
