Developing Individualized Education Programs Edward D. Fiscus, Colleen J. Mandell, 1983 **Literacy, Language, and Learning: Early Childhood Themes: Five Senses Teacher's Guide** Linda Vander Wende, 2013-08-01 Effective Practices in Online Teacher Preparation for Literacy Educators Karchmer-Klein, Rachel, Pytash, Kristine E., 2019-10-11 Online education has become a prevalent means of program and course delivery especially within teacher education programs. However, the lack of preparation in online design is concerning especially in the field of teacher education where the focus is preparing preservice and practicing teachers to implement effective evidence-based instructional strategies. *Effective Practices in Online Teacher Preparation for Literacy Educators* is an essential scholarly resource that shares innovative ideas for translating face-to-face reading literacy specialist preparation into effective online instruction for courses in literacy education. Highlighting various topics such as instructional design, teacher education, and literacy assessment, this book is ideal for instructors, curriculum developers, instructional designers, IT specialists, education professionals, administrators, academicians, and researchers. Strategies for Teaching Learners with Special Needs Edward A. Polloway, James R. Patton, 1997. The goal of this book is to present proven approaches to both curriculum development and general teaching methods which when used in tandem will foster educational success in students with special needs. Although retaining many principles, practices, and instructional strategies that have been field-tested and proven successful through five previous editions, the Sixth Edition has been significantly revised to reflect many contemporary themes in education. *Teaching Students with Learning Problems* Cecil D. Mercer, Ann R. Mercer, 2005. For courses in teaching students with mild disabilities and students at risk for school failure. Also for courses in teaching students with disabilities in inclusive and Special Education settings. This top-selling practical research-based text contains the resources teachers need to make informed decisions concerning their students with learning or behavior problems, making it the most useful methods text on the market. Prided for its unique and comprehensive coverage of classroom assessment and methods for the content areas, it assists teachers in finding effective practices to facilitate instruction of students with learning problems.
