Elementary Classroom Workbook NewPath Learning, 2014-03-01 Centering the Classroom is a comprehensive step by step practical workbook designed to teach and inspire K-8 teachers to develop engaging and effective learning centers. It offers teachers a wide array of options and examples for structuring learning centers to fit their own teaching approach as well as their students' specific learning styles and needs. Included are collections of activities that demonstrate how learning centers can be used to differentiate instruction in mixed ability classrooms for different subject areas and grade levels. Written and reviewed by expert teachers in the field, the workbook translates theory into practice and provides methods that are classroom tested and research based. Seven Keys to Unlock Autism Elaine Hall, Diane Isaacs, 2011-11-01 The acclaimed approach to helping children with autism profiled in the award winning documentary *Autism The Musical*. This groundbreaking book outlines seven integrated keys for educators and parents to make meaningful connections with children on the autism spectrum. The book is based on the unique approach used by Elaine Hall and Diane Isaacs of The Miracle Project, a musical theater program for children with autism and their peers and siblings. The Miracle Project integrates traditional and creative therapies in an interactive social dynamic. The book shows how to apply these effective strategies at school and at home to nurture kids' self expression and social skills. Elaine Hall and The Miracle Project were profiled in the two time Emmy Award winning HBO documentary *Autism The Musical*. **Seven Keys** reveals the seven step program that has proven so successful for children in the Miracle Project. After reading **Seven Keys**, teachers and parents will better understand this puzzling disorder and be able to help children with autism draw connections and form more meaningful relationships. **Seven Keys to Unlock Autism** offers readers strategies for creating a personal skill set to make their encounters with autistic children as successful and rewarding as possible.
