## **Respectable Ditch The History Of The Trent Severn Waterway 1833 19:**

*Respectable Ditch* James Thomas Angus, 1988      **From Burleigh to Boschink** Christie Bentham, Katharine Hooke, 2000-07-15 From Burleigh to Boschink A Community Called Stony Lake covers over a hundred years of human history encompassing the Aboriginal Peoples their presence and influence early settlement and cottaging activity up to the present time Family stories local lore boats and steamers recreational opportunities personalities and environmental concerns are all presented through the writings the voices and the memories of those who were there and in some cases still are Richly supported by rare photographs and other visuals of Stony Lake this publication will bring delight to many      Charting Northern Waters Canadian Hydrographic Service, Canadian Nautical Research Society, 2004 Charting Northern Waters celebrates the achievements and history of the Canadian Hydrographic Service CHS and examines a wide range of topics relating to the origins of the CHS and to its subsequent development Topics include the colonial heritage of hydrography in Canadians waters the politics behind the creation of the service and the work of the agencies that were amalgamated with the Georgian Bay Survey to create the new national body      **Land as Relation** Margaret Kress, Kahente Horn-Miller, 2023-08-24 A critical and timely collection Land as Relation introduces readers to an intersectional approach to Indigenous space and land based education Indigenous and ally partnered contributors from elders to emerging and established scholars share teachings and scholarship grounded in Indigenous knowledge and philosophy These diverse perspectives on Indigenous pedagogies are intersected with content surrounding Indigenous languages sciences mathematics arts health and governance Divided into three parts this text defines the interrelatedness of global Indigenous land protectors and educators and the significant impact of Indigenous knowledges language and ceremonies on the collective social spiritual and physical wellness of all living beings Land as Relation demonstrates that Indigenous resistance and renaissance is essential for learners everywhere to understand how a collective notion of land education contributes to walking in harmony and balance not only for themselves but for their families the larger communities that they are a part of and the world This collection is an accessible and engaging core resource for undergraduate and graduate students of education Indigenous studies geography and environmental studies FEATURES Grounded in Indigenous knowledge systems and provides practical examples of how land based pedagogies can be applied in different communities and contexts Features contributions from noted and upcoming Indigenous and ally partnered scholars who have been gifted access to elders and deep cultural and linguistic knowledges of Indigenous nations Includes learning aids such as end of chapter discussion questions maps photographs and other visual tools      *Looking for Old Ontario* Thomas F. McIlwraith, 1997-01-01 The slogan on Ontario's licence plates Yours to Discover was designed to promote travel opportunities within the province Every year thousands of tourists drive along country roads past farmyards and through hamlets en route to popular vacation spots In *Looking for Old Ontario* Thomas McIlwraith shows that many destinations are closer at hand than one might imagine

and invites travellers to rediscover familiar countryside landmarks by reading them as chapters in a rich historical narrative. Surveyors long ago scored Ontario's land and generations have since inscribed it with residences, businesses and institutions. This book, the result of thirty years of field work and archival research, is a reflection on and an interpretation of the ways in which the land and its inhabitants interrelate. Looking for Old Ontario guides readers through the vernacular landscape of the province, examining barns, fences, jails, post offices, inns, mills, canals, railways, roadsides, cemeteries and much more. McIlwraith emphasizes ordinary features of the cultural landscape which communicate social meaning to the observant eye. The landscape tells us that Ontario has been inhabited by thrifty people; this we can conclude by looking at the economical use and reuse of construction materials. Yet the landscape also tells us that Ontario's residents have been inclined to show off, consider the province's unusually large number of elegant brick dwellings. To read a landscape is to think about such connections, and McIlwraith's contemplative style differentiates his work from manuals or handbooks. Since landscape interpretation is a highly visual subject, Looking for Old Ontario is extensively illustrated with photographs, drawings and maps. It will be useful to general readers interested in recognizing the broader meanings of their communities' heritage as well as to students of geography, history and planning.

*Permeable Border* John J. Bukowczyk, This text examines the history of the Great Lakes Basin in relation to its importance as a place of social, economic and political interaction between the United States and Canada. **America, History and Life**, 1991. **Canadian Papers in Rural History** Donald H.
