

CULTURE VS SOCIETY

CULTURE

Culture refers to the shared beliefs, values, customs, traditions, and behaviors that characterize a particular group or society. It encompasses the collective knowledge, practices, and expressions that shape and guide the way people think, interact, and live within a given social context.

SOCIETY

Society refers to a group of individuals who share a common territory, interact with one another, and are bound by social relationships and institutions. It encompasses the collective organization, structure, and functioning of a community or population, including its norms, values, and patterns of behavior.
