Buchanan,2007-03-11 Many of us have endless demands and stifling daily routines Learn why Sabbath is essential to our full humanity and faith a rhythm of work and rest set by God that if restored to our lives will bring prolonged life enriched relationships increased fruitfulness and abundant joy We are waylaid by endless demands and stifling routines Even our vacations have a panicky task like edge to them If I only had more time is the mantra of our age But is this the real problem Pastor Mark Buchanan believes that what we've really lost is the rest of God the rest God bestows and with it that part of himself we can know only through stillness In The Rest of God you'll Form a deeper relationship with God by understanding Sabbath's true purpose Learn how Sabbath allows us to live more fully into our status as free people released from the grueling incessant demands of life Connect Sabbath to the ultimate rest heaven Receive practical advice for restoring Sabbath in your life With this book Buchanan reminds us that Sabbath is about much more than going to church on Sunday It's about the much needed time to be still The gift of Sabbath is essential to our full humanity and faith God knowing that and knowing how easily we might neglect it made it a command Begin your own journey of restoration and renewal *I Will Give You Rest* Jon C. Laansma,2015-12-17 This is a valuable source book for the idea of rest as it occurs in a wide spectrum of ancient Jewish and Christian literature The author provides a new way of understanding Matt 11:28-30 that challenges most recent scholarship and acts as a guide for application in the church **Blessed Are the Rest of Us** Micha

Boyett,2024-04-09 When Micha Boyett's son was born with Down syndrome and later diagnosed with autism she was drawn into the ancient teachings of the Beatitudes There she found an invitation to honor her limits in a world that values performance perfection and strength Jesus instead calls his followers to embrace meekness mercy and the longing for justice The Beatitudes helped Boyett discover her wholeness in God's love rather than in her own accomplishments In Blessed Are the Rest of Us Boyett shares her insights with readers especially those who are burned out tired of performing living with grief feeling exhausted or powerless She invites them into an understanding of God and themselves centered on belovedness

rather than accomplishment Here is her message in God s dream for the world blessing has nothing to do with ease it s about flourishing and Jesus promises we find flourishing in our limits and in our longing to see the world made whole Each chapter centers on the refreshing good news of one beatitude poetically woven with stories of Boyett s life Beautifully reassuring and liberating this book calls readers to rest in God s rich and abundant love [China's Millions](#) ,1900 **Power in Rest** Ryo
