*Hand in Popular Culture* Paul Arthur Cantor, 2012-11-05 Popular culture often champions freedom as the fundamentally American way of life and celebrates the virtues of independence and self reliance But film and television have also explored the tension between freedom and other core values such as order and political stability What may look like healthy productive and creative freedom from one point of view may look like chaos anarchy and a source of destructive conflict from another Film and television continually pose the question Can Americans deal with their problems on their own or must they rely on political elites to manage their lives In this groundbreaking work Paul A Cantor explores the ways in which television shows such as Star Trek The X Files South Park and Deadwood and films such as The Aviator and Mars Attacks have portrayed both top down and bottom up models of order Drawing on the works of John Locke Adam Smith Alexis de Tocqueville and other proponents of freedom Cantor contrasts the classical liberal vision of America particularly its emphasis on the virtues of spontaneous order with the Marxist understanding of the culture industry and the Hobbesian model of absolute state control The Invisible Hand in Popular Culture concludes with a discussion of the impact of 9 11 on film and television and the new anxieties emerging in contemporary alien invasion narratives the fear of a global technocracy that seeks to destroy the nuclear family religious faith local government and other traditional bulwarks against the absolute state

Cornelissen, F. Cheru, T. Shaw, 2016-01-26 This book examines key emergent trends related to aspects of power sovereignty conflict peace development and changing social dynamics in the African context It challenges conventional IR precepts of authority politics and society which have proven to be so inadequate in explaining African processes Rather this edited collection analyses the significance of many of the uncharted dimensions of Africa's international relations such as the respatialisation of African societies through migration and the impacts this process has had on state power the various ways in which both formal and informal authority and economies are practised and the dynamics and impacts of new transnational social movements on African politics Finally attention is paid to Africa's place in a shifting global order and the implications for African international relations of the emergence of new world powers and or alliances This edition includes a new preface by the editors which brings the findings of the book up to date and analyses the changes that are likely to impact upon global governance and human development in policy and practice in Africa and the wider world post 2015 Resistance Advocacy as News Benjamin Rex LaPoe II, Victoria L. LaPoe, 2018-01-30 Resistance Advocacy as News Digital Black Press Covers the Tea Party examines the Black and mainstream press's digital interpretations of the Tea Party during President Barack Obama's first term The Tea Party narrative and the white ideologies disseminated by conservative groups was and continues to be an intricate story for journalists to tell This book tracks coverage of the Tea Party from the modern group's beginning in early February of 2009 until two weeks after the 2012 general presidential election in November While many mainstream journalists either fail to recognize or ignore all together the racial component that the Tea Party poses to Black solidarity this book shows that Black reporters working for the Black press absolutely recognize the racial component and provide more thorough discussions than their mainstream counterparts Historically the Black press has existed to fill holes of misrepresentation in the mainstream press to that end this book addresses questions surrounding the ongoing necessity of the Black press and whether our society is post-racial combining a quantitative analysis of implicit racial frames with a qualitative analysis of resonant myth and providing empirical evidence that Black people still struggle to have their voices heard in the mainstream press **Africa's Contemporary Challenges** Carlos Lopes, 2013-09-13 This book reviews Cabral's intellectual contribution to current debates on race identity nation building democracy leadership and ethics The key leader of the national liberation movements of former Portuguese African colonies is considered to be one of their foremost intellectuals the continent has produced This rare combination of freedom fighter operational campaigner and astute political scientist justifies the academic interest in his contribution Africa's Contemporary Challenges reviews the impact of Amilcar Cabral's thinking and its relationship with contemporary debates about race identity nation building democracy leadership or

ethics The complexity of Cabral's vision and hopes for Africa continues to incite curiosity and interest Cabral's tragic assassination in 1973 has removed the possibility of analysing his impact on post independent Lusophone Africa but his thoughts continue to be the most important reference This book was published as a special issue of African Identities **The Literary Digest**, 1916 *The Dead Stroll* Edward L. Mercer, 2011-01-19 The life of a homicide cop is death with many causes death for love death for hate death for revenge death for money or death for no reason at all The homicide cops worst nightmare is death by a serial killer with a plan This gritty and fast moving story of a search for such a killer is a realistic portrayal of homicide investigation written by a former homicide detective who has been there I was a homicide investigator during the time frame of this novel and I am impressed with the detail and account of both the technical and routine phases of murder investigations as we did them back in the day Gerald R Beavers Former Chief of Police Asheville North Carolina and Topeka Kansas A fresh homicide on the street Grab your pen and notebook and get to the scene Beat the bushes Talk to the street cops who show up Talk to the street people whose trust you have developed over the years bartenders prostitutes crooks store owners The drums are beating in the neighborhood People are talking Get the right information and you solve the case No DNA no C S I no cell phones no online information sources No psychological profiles other than the knowledge and memory of sharp cops No scientific interrogation techniques other than experience and knowledge of human nature We found the killers and we put them away This is the way it was in the late 1960s and Ed Mercer captures the tableau perfectly The Dead Stroll is a nostalgia trip for those of us who walked the walk and talked the talk in those days and a historical document for those cops currently working homicides an authentic depiction of how it was The scenes of riot and turmoil in the streets the pressures of external and internal politics the cops wit and crisp dialogue are all vivid and real Dont miss this great read which is told in a way that only be written by a guy who has been there Harry T O'Reilly Detective Sergeant retired NYPD Former supervisor Manhattan South Homicide and Special Victims Unit **Feminist Views on the English Stage** Elaine Aston, 2003-11-24 Feminist Views on the English Stage first published in 2003 is an exciting and insightful study on drama from a feminist perspective one that challenges an idea of the 1990s as a post feminist decade and pays attention to women's playwriting marginalized by a renaissance of angry young men Working through a generational mix of writers from Sarah Kane the iconoclastic bad girl of the stage to the canonical Caryl Churchill Elaine Aston charts the significant political and aesthetic changes in women's playwriting at the century's end Aston also explores writing for the 1990s in theatre by Sarah Daniels Bryony Lavery Phyllis Nagy Winsome Pinnock Rebecca Prichard Judy Upton and Timberlake Wertenbaker Rule Britannia Deirdre David, 2018-10-18 Deirdre David here explores women's role in the literature of the colonial and imperial British nation both as writers and as subjects of representation David's inquiry juxtaposes the parliamentary speeches of Thomas Macaulay and the private letters of Emily Eden a trial in Calcutta and the missionary literature of Victorian women writing about thuggee and emigration to Australia David shows how in these texts and in novels such as

Charlotte Brontë's *Jane Eyre*, Charles Dickens's *Dombey and Son*, Wilkie Collins's *Moonstone* and H. Rider Haggard's *She* the historical and symbolic roles of Victorian women were linked to the British enterprise abroad. *Rule Britannia* traces this connection from the early nineteenth century nostalgia for masculine adventure to later patriarchal anxieties about female cultural assertiveness. Missionary governess and moral ideal promoting sacrifice for the good of the empire: such figures come into sharp relief as David discusses debates over English education in India, class conflicts sparked by colonization and patriarchal responses to fears about feminism and race degeneration. In conclusion, she reveals how Victorian women as writers and symbols of colonization served as critics of empire.

**Scottish Films** Mark Furse, 2025-08-30 Because this book is about films related to a place rather than to a genre, person, year or era, the range covered is hugely diverse. There will be films discussed here you have not heard of which are worth digging out, and I would be beyond astonished if any reader has seen every film I treat as Scottish. What is a Scottish film? Which are the best? And the worst? *BRAVEHEART*, *TRAINSPOTTING*, *THE WICKERMAN*, *SUNSET SONG*, *DOG SOLDIERS*, *ORPHANS*, *GREGORY'S GIRL*, *UNDER THE SKIN*, *YOUNG ADAM*, *SCHEME*, *BIRDS*, *CALIBRE* and *VIOLET*. *DIRECT THE ANGELS*, *SHARE THE 39 STEPS*, *THE ROAD DANCE*, *AXE RAIDERS*, *GOD HELP THE GIRL*, *NAE PARASAN*, *RED ROSE PLAYHOUSE*. This book offers a meticulously researched guide to over 400 films set predominantly in Scotland, spanning from silent cinema to modern day blockbusters. Each entry provides essential details, a concise plot summary, contextual insights and critical analysis. All the opinions I offer in this book are mine and mine alone. You're free to disagree, and almost certainly will, and your opinion is equally valid. Furse emphasises the connections to Scottish culture, highlighting adaptations of literature and the real-life events inspiring these films. *Scottish Films* is a thrilling treasure chest packed with fresh insights and lesser-known gems waiting to be discovered. It's a vibrant celebration of Scotland's cinematic artistry. You may just discover your next watch.

**Valiant** Carlene Love, 2023-06-01 Every wish counts. Every wish matters. Without them, life would lack surprise and be far less wonderful and good. When last year's Christmas wish goes ungranted for the first time in her life, Lovie Watson accepts that it is a sign it's time to stop believing in magic and start living in reality as an adult. What she doesn't know is that the wish-granting sentry assigned to her since childhood has been doing everything in his power to make the wish happen. Without success. And even if the Valiant has until midnight this Christmas Eve to grant Lovie's selfless wish and keep her light and faith alive if he can just figure out how to do it without breaking the most sacred of his kind's ancient and time-honored rules: namely, to never insert oneself personally in the granting of a wish. But if that is the only way to protect and preserve her unique trust in the universe, he may not have a choice. The consequence of a selfless wish going ungranted has always been devastating to both the wisher and the sentry. Both the Watsons and the Valiant have suffered through the pain of an ungranted selfless wish once before. To put both families through it again would be utterly cruel. Will it all be left to Fate? Or might Lovie and her Valiant sentry have the courage to redefine the rules and keep the magic of the season alive in the hearts of millions?
