Restoration Historians And The English Civil War

Kate Loveman

Restoration Historians And The English Civil War:

Restoration Historians and the English Civil War R.C. MacGillivray, 2012-12-06 This is a study of the histories of the English Civil War or some aspects of it written in England or by Englishmen and Englishwomen or published in England up to 1702 the year of the publication of the first volume of Clarendon's History of the Rebellion By the terms of this definition Clarendon is himself of course one of the historians studied Clarendon's History is so formidable an achievement that all historians writing about the war before its publication have an air of prematureness Nevertheless as I hope the following pages will show they produced a body of writing which may still be read with interest and profit and which anticipated many of the ideas and attitudes of Clarendon's History I will even go so far as to say that many readers who have only a limited interest or no interest in the Civil War are likely to find many of these historians interesting should their works come to their attention for their treatment of the problems of man in society for their psychological acuteness and for their style But while I intend to show their merits my main concern will be to show how the Civil War appeared to historians including Clarendon who wrote within one or two generations after it that is to say at a time when it remained part of the experience of people still alive A word is necessary on terminology

Restoration Historians and Their Interpretations of the English Civil War Royce MacGillivray, 1974 **Remembering the English Civil Wars** Lloyd Bowen, Mark Stoye, 2021-10-17 Remembering the English Civil Wars is the first collection of essays to explore how the bloody struggle which took place between the supporters of king and parliament during the 1640s was viewed in retrospect The English Civil Wars were perhaps the most calamitous series of conflicts in the country's recorded history Over the past twenty years there has been a surge of interest in the way that the Civil Wars were remembered by the men women and children who were unfortunate enough to live through them The essays brought together in this book not only provide a clear and accessible introduction to this fast developing field of study but also bring together the voices of a diverse group of scholars who are working at its cutting edge Through the investigation of a broad but closely interrelated range of topics including elite popular urban and local memories of the wars as well as the relationships between civil war memory and ceremony material culture and concepts of space and place the essays contained in this volume demonstrate with exceptional vividness and clarity how the people of England and Wales continued to be haunted by the ghosts of the mid century conflict throughout the decades which followed The book will be essential reading for all students of the English Civil Wars Stuart Britain and the history of memory

The Uses of History in Early Modern England Paulina Kewes, 2006-11-15 Publisher Description *The Study of History*, 2000 History is a subject which never stands still It is always changing its philosophies its contours its leading questions its politics its conceptual status and its methodologies This bibliographical guide to the study of history is wide ranging in scope extending from the ancient world to the 20th century It deliberately concentrates on modern historians views provides a substantial section on the philosophy

of history charts controversies and highlights the continual evolution and diversification of history The material is logically organized in major areas and subsections and cross references are given where appropriate An index of authors editors and compilers is also provided

Lucy Hutchinson and the English Revolution Claire Gheeraert-Graffeuille, 2022 In order to challenge the widely held assumption that Early Modern women could not write the history of wars Claire Gheeraert Graffeuille reads Lucy Hutchinson's *Memoirs of the Life of Colonel Hutchinson* as a comprehensive history of the English Revolution

The Oxford Handbook of the English Revolution Michael J. Braddick, 2015-03-05 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context

The Oxford History of Historical Writing José Rabasa, Masayuki Sato, Edoardo Tortarolo, Daniel Woolf, 2012-03-29 Volume III of The Oxford History of Historical Writing contains essays by leading scholars on the writing of history globally during the early modern era from 1400 to 1800 The volume proceeds in geographic order from east to west beginning in Asia and ending in the Americas It aims at once to provide a selective but authoritative survey of the field and where opportunity allows to provoke cross cultural comparisons This is the third of five volumes in a series that explores representations of the past from the beginning of writing to the present day and from all over the world

English Society, 1660-1832 J. C. D. Clark, 2000-03-16 An extensively revised edition of a classic of modern historiography

The Civil Wars After 1660 Matthew Neufeld, 2013 Drawing upon the interdisciplinary field of social memory studies this book opens up new vistas on the historical and political culture of early modern England This book examines the conflicting ways in which the civil wars and Interregnum were remembered constructed and represented in seventeenth and eighteenth century England It argues that during the late Stuart period public remembering of the English civil wars and Interregnum was not concerned with re fighting the old struggle but rather with commending and justifying or contesting and attacking the Restoration settlements After the return of King Charles II the political nation had to address the question of remembering and forgetting the recent conflict The

answer was to construct a polity grounded on remembering and scapegoating puritan politics and piety The proscription of the puritan impulse enacted by the Restoration settlements was supported by a public memory of the 1640s and 1650s which was used to show that Dissenters could not and should not be trusted with power Drawing upon the interdisciplinary field of social memory studies this book offers a new perspective on the historical and political cultures of early modern England and will be of significant interest to social cultural and political historians as well as scholars working in memory studies Matthew Neufeld is Lecturer in early modern British history at the University of Saskatchewan Canada

Samuel Pepys and His

Books Kate Loveman, 2015 This study uses Pepys's surviving papers to examine reading practices collecting and the exchange of information in the late 17th century Back cover

The Oxford English Literary History Margaret J. M. Ezell, 2017-09-15 The Oxford English Literary History is the new century's definitive account of a rich and diverse literary heritage that stretches back for a millennium and more Each of these thirteen groundbreaking volumes offers a leading scholar's considered assessment of the author's works cultural traditions events and ideas that shaped the literary voices of their age The series will enlighten and inspire not only everyone studying teaching and researching in English Literature but all serious readers This volume covers the period 1645-1714 and removes the traditional literary period labels and boundaries used in earlier studies to categorize the literary culture of late seventeenth century England It invites readers to explore the continuities and the literary innovations occurring during six turbulent decades as English readers and writers lived through unprecedented events including a King tried and executed by Parliament and another exiled the creation of the national entity Great Britain and an expanding English awareness of the New World as well as encounters with the cultures of Asia and the subcontinent The period saw the establishment of new concepts of authorship and it saw a dramatic increase of women working as professional commercial writers London theatres closed by law in 1642 reopened with new forms of entertainments from musical theatrical spectacles to contemporary comedies of manners with celebrity actors and actresses Emerging literary forms such as epistolary fictions and topical essays were circulated and promoted by new media including newspapers periodical publications and advertising and laws were changing governing censorship and taking the initial steps in the development of copyright It was a period which produced some of the most profound and influential literary expressions of religious faith from John Milton's *Paradise Lost* and John Bunyan's *Pilgrim's Progress* while simultaneously giving rise to a culture of libertinism and savage polemical satire as well as fostering the new dispassionate discourses of experimental sciences and the conventions of popular romance

The Cambridge History of English Literature, 1660-1780 John Richetti, 2005-01-06 The Cambridge History of English Literature 1660-1780 offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period Forgotten or neglected authors and themes as well as new and emerging genres

within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis. The volume's guiding purpose is to examine the social and historical circumstances within which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully.

The Oxford History of Anglicanism, Volume I Anthony Milton, 2017-01-26

The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity. This global study of Anglicanism from the sixteenth century looks at how Anglican identity was constructed and contested at various periods since the sixteenth century and what was its historical influence during the past six centuries. It explores not just the ecclesiastical and theological aspects of global Anglicanism but also the political, social, economic, and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non-western societies today. The chapters are written by international experts in their various historical fields, which includes the most recent research in their areas as well as original research. The series forms an invaluable reference for both scholars and interested non-specialists.

Volume one of The Oxford History of Anglicanism examines a period when the nature of Anglicanism was still heavily contested. Rather than merely tracing the emergence of trends that we associate with later Anglicanism, the contributors instead discuss the fluid and contested nature of the Church of England's religious identity in these years and the different claims to what should count as Anglican orthodoxy. After the introduction and narrative chapters explain the historical background, individual chapters then analyse different understandings of the early church and church history, variant readings of the meaning of the royal supremacy, the role of bishops and canon law, and cathedrals, the very diverse experiences of religion in parishes, styles of worship and piety, church decoration and Bible usage, and the competing claims to Anglican orthodoxy of puritanism, avant-garde conformity, and Laudianism. Also analysed are arguments over the Church of England's confessional identity and its links with the foreign Reformed Churches and the alternative models provided by English Protestant activities in Ireland, Scotland, and North America. The reforms of the 1640s and 1650s are included in their own right, and the volume concludes that the shape of the Restoration that emerged was far from inevitable or expressive of a settled Anglican identity.

Laudian and Royalist Polemic in Seventeenth-century England Anthony Milton, 2012-05-30

This is a full-length study of one of the most prolific controversial polemical authors of the 17th century, Peter Heylyn. The book provides a detailed analysis of the ways in which Laudian royalist polemical literature was created, tracing continuities and changes in a single corpus of writings from 1621 through to 1662.

Conspiracies and Conspiracy Theory in Early Modern Europe Barry Coward, Julian Swann, 2017-07-05

For many generations, Guy Fawkes and his gunpowder plot, the Man in the Iron Mask, and the Devils of Loudun have offered some of the most compelling images of the early modern period. Conspiracies, real or imagined, were an essential feature of early modern life, offering a seemingly rational and convincing explanation for patterns of political and

social behaviour This volume examines conspiracies and conspiracy theory from a broad historical and interdisciplinary perspective by combining the theoretical approach of the history of ideas with specific examples from the period Each contribution addresses a number of common themes such as the popularity of conspiracy theory as a mode of explanation through a series of original case studies Individual chapters examine for example why witches religious minorities and other groups were perceived in conspiratorial terms and how far if at all these attitudes were challenged or redefined by the Enlightenment Cultural influences on conspiracy theory are also discussed particularly in those chapters dealing with the relationship between literature and politics As prevailing notions of royal sovereignty equated open opposition with treason almost any political activity had to be clandestine in nature and conspiracy theory was central to interpretations of early modern politics Factions and cabals abounded in European courts as a result and their actions were frequently interpreted in conspiratorial terms By the late eighteenth century it seemed as if this had begun to change and in Britain in particular the notion of a loyal opposition had begun to take shape Yet the outbreak of the French Revolution was frequently explained in conspiratorial terms and subsequently European rulers and their subjects remained obsessed with conspiracies both real and imagined This volume helps us to understand why

England's Troubles Jonathan Scott, 2000-05-25 In this path breaking study first published in 2000 Jonathan Scott argues that seventeenth century English history was shaped by three processes The first was destructive that experience of political instability which contemporaries called our troubles The second was creative its spectacular intellectual consequence in the English revolution The third was reconstructive the long restoration voyage toward safe haven from these terrifying storms Driving the troubles were fears and passions animated by European religious and political developments The result registered the impact upon fragile institutions of powerful beliefs One feature of this analysis is its relationship of the history of events to that of ideas Another is its consideration of these processes across the century as a whole The most important is its restoration of this extraordinary English experience to its European context

Social History, Local History, and Historiography Roger C. Richardson, 2011-09-22 This wide ranging volume collects together twelve of the author's longer essays mainly drawn from those first published in the last two decades Chiefly consisting of micro studies of a variety of different aspects of early modern English history the book concerns itself with social and economic change the period of the English Revolution and its long lasting impact with Puritanism with the family as a social institution and with historical consciousness and different forms of historical writing Some of the essays focus on a particular individual not all well known William Camden John Milner and Ralph Dutton to open up a broader theme One boldly attempts a comparison over three centuries of the evolution of local history as a subject on both sides of the Atlantic Two other essays reach out into the nineteenth and twentieth centuries but do so with echoes of the subject matter of some of those dealing with the early modern period The inter connectedness of social history local history and historiography is stressed and illustrated throughout Both specialists and non specialists will find much to interest them in this varied and

Restoration Historians And The English Civil War Introduction

In today's digital age, the availability of Restoration Historians And The English Civil War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Restoration Historians And The English Civil War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Restoration Historians And The English Civil War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Restoration Historians And The English Civil War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Restoration Historians And The English Civil War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Restoration Historians And The English Civil War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Restoration Historians And The English Civil War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Restoration Historians And The English Civil War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Restoration Historians And The English Civil War books and manuals for download and embark on your journey of knowledge?

FAQs About Restoration Historians And The English Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Restoration Historians And The English Civil War is one of the best book in our library for free trial. We provide copy of Restoration Historians And The English Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Restoration Historians And The English Civil War. Where to download Restoration Historians And The English Civil War online for free? Are you looking for Restoration Historians And The English Civil War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Restoration Historians And The English Civil War. This

method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Restoration Historians And The English Civil War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Restoration Historians And The English Civil War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Restoration Historians And The English Civil War To get started finding Restoration Historians And The English Civil War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Restoration Historians And The English Civil War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Restoration Historians And The English Civil War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Restoration Historians And The English Civil War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Restoration Historians And The English Civil War is available in our book collection an online access to it is set as public so you can download it instantly.
