Sheridan's *The School for Scandal* are the most distinguished comedies written during an especially exciting and innovative period in the London theater and English society This Norton critical edition offers an authoritative text for each play and a unique collection of documents and critical essays ranging from Charles Lamb to the present for a deeper understanding of them *The Broadview Anthology of Restoration and Eighteenth-Century Comedy* Brian Corman, 2013-01-21 The ten plays in this new collection show both the continuity and the changes in comedy over the course of the Restoration and eighteenth century Each play includes its original prologue and epilogue as well as an historical introduction and full annotation The editor's Introduction provides a rich historical and literary context for the plays composition and production A glossary of frequently used words likely to be unfamiliar to general readers is also included *Restoration and Eighteenth-century Comedy* George Etherege, William Wycherley, 1973 *Restoration and Eighteenth-century Comedy* William Wycherley, George Etherege, 1997 **Tricksters & Estates** J. Douglas Canfield, 1997-01-01 These comedies are full of tricksters attempting to gain estates the emblem and the reality of power in late feudal England The tricksters appear in a number of guises such as heroines landing their men younger brothers seeking estates or Cavaliers threatened with dispossession *The Broadview Anthology of Restoration and Early Eighteenth Century Drama: Concise Edition* J. Douglas Canfield, Maja-Lisa von Sneidern, 2003-04-17 The Broadview Anthology of Restoration and Early Eighteenth Century Drama Concise Edition with twenty one plays is half the length of the full anthology without compromising its breadth Concentrating on plays from the heyday of 1660-1737 it focuses on Restoration drama proper and Revolution drama with a selection from the early Georgian period and the later Georgian period's laughing comedy Seven of the nine sub-genres personal tragedy tragicomic romance social comedy subversive comedy corrective satire menippean satire and laughing comedy of the full anthology are represented with the preponderance of exposure given to the jewel of this theatre its comedy Each play is fully annotated and prefaced with an historical introduction Also included are a general introduction a statement of procedures and a glossary **Producing Restoration and Eighteenth-century Comedy** Roberta Hardy Baker, 1948 **Restoration and Eighteenth-century Comedy** Scott McMillin, 1973

Restoration and Eighteenth-century Comedy. Authoritative Texts of *The Country Wife*, *The Man of Mode*, *The Way of the World* Scott McMillin (comp), 1973 **Coyne and Crime in Restoration Comedy** Peggy Thompson, 2011-11-25 *Coyne and Crime in Restoration Comedy* examines the extraordinary focus on coy women in late seventeenth century English comedy Plays by Etherege Wycherley Dryden Behn Shadwell Congreve Trotter Southerne Vanbrugh and Pix as well as much modern scholarship about them taint almost all feminine modesty with intimations of

duplicity and illicit desire that must be contained Forceful responses by men therefore are implicitly exonerated encouraged and eroticized In short characters become women by performing coyness only to be mocked and punished for it Peggy Thompson explores the disturbing dynamic of feminine coyness and masculine control as it interacts with reaffirmations of church and king anxiety over new wealth and emerging interests in liberty novelty and marriage in late seventeenth century England Despite the diversity of these contexts the plays consistently reveal women caught in an ironic and nearly intractable convergence of objectification and culpability that allows them little innocent sexual agency This is both the source and the legacy of coyness in Restoration comedy

Cultural Readings of Restoration and Eighteenth-Century English Theater Deborah Payne Fisk, J. Douglas Canfield, 2010-12-01 Ranging in approach from feminist to historicist the eleven essays in this collection share the culturalist premise that the drama of late Stuart and early Georgian England helped to constitute the dominant ideology of the period The contributors varied approaches allow for the reconsideration of libertinism the politics of sexual desire and other classic issues as well as such newer concerns as the social construction of the first English actresses empiricism as an emergent epistemological discourse cultural anxiety about novelty and repetition and shifting tropes of inherent worth By reading well known works in unexpected ways and focusing on less frequently studied dramatists from Sedley Motteux Pix and Behn to Manley Trotter and Shadwell the contributors also test the limits of the canon In addition they suggest that earlier critical perceptions perhaps even more than the innate worth of the plays determined the shape of the canon These essays present a different image of Restoration and eighteenth century theater one that reveals how the drama was a site as important for the negotiation of cultural meaning as were novels and verse satires

English Drama Richard W. Bevis, 2014-06-06 What were the causes of Restoration drama s licentiousness How did the elegantly turned comedy of Congreve become the pointed satire of Fielding And how did Sheridan and Goldsmith reshape the materials they inherited In the first account of the entire period for more than a decade Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history The years between 1660 and 1789 saw considerable political and social upheaval which is reflected in the eclectic array of dramatic forms that is Georgian theatre s essential characteristic

Female Playwrights and Eighteenth-Century Comedy M. Anderson, 2002-02-22 Aphra Behn Susannah Centlivre Hannah Cowley and Elizabeth Inchbald were the only four female playwrights in England with multiple comic successes from 1670 1800 Behn s interest in the body Centlivre s fascination with written contracts Cowley s nationalism and Inchbald s discussion of divorce emerge in the comic events that are animated by the psychological mechanisms of humor Attending to the dialogue between these comic events and the plays more predictable comic endings illuminates the philosophical political and legal arguments about women and marriage that fascinated both female playwrights and the theatergoing public

The Strain of the Sentimental in Restoration and

Early Eighteenth Century Comedy Kalpna Deepak,1972 **Productions of Restoration and Eighteenth Century English Comedy on the New York Professional Stage, 1900-1950 ...** Stuart Ivan Currie,1951 **The Theory of Comedy in the Restoration and Early Eighteenth Century** Benjamin Munroe Hazard,1957 **The Comedy of the Eighteenth Century ,** **English Drama of the Restoration and Eighteenth Century (1642-1780)** George Henry Nettleton,1914 *Popular Plays by Women in the Restoration and Eighteenth Century* Tanya M. Caldwell,2011-06-30 This anthology offers a selection of popular dramatic works by female playwrights from Aphra Behn in the 1670s through Hannah Cowley in the later eighteenth century These plays were successful as plays of their time not just as plays by women together providing evidence that women dramatists often managed better than their male counterparts to please diverse audiences who were notoriously fickle as well as predisposed to oppose them Accessible to both graduates and undergraduates Popular Plays by Women shows how these playwrights captured audiences through wit social awareness and dramatic dexterity As well as including the prologues and epilogues of the four plays presented this anthology provides additional materials in which female playwrights discuss the prejudices and special difficulties they face
