Restoring Israel's Kingdom:

Restoring the Kingdom Michael A. Salmeier, 2011-07-01 In the book of Acts divine involvement is everywhere From the beginning God is responsible for promised action including the geographic expansion in Jerusalem and in all Judea and Samaria and to the ends of the earth 1 7 referenced in Jesus response to the disciples clearly related to Luke's purpose in writing the book Geographic expansion however is only the second part of Jesus reply Is it possible that the first half of Jesus reply It is not for you to know the times or dates the Father has set by his own authority has even greater bearing on the actions that follow and on Luke's purpose Is the Father setting times and seasons related to the kingdom's establishment Does this phrase explain the conspicuous divine involvement throughout the plot In *Restoring the Kingdom* Michael Salmeier answers these questions in the affirmative by exploring Luke's characterization of God in three strands God as the King who establishes and restores Israel's king who establishes his people and who directs events This unfolds Luke's purpose in assuring the reader concerning the events that have taken place helping to more fully illuminate Luke's theology concerning God and his kingdom

The Restoration of Israel Michael E. Fuller, 2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel's future restoration Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration In this model Israel's restoration is characterized by the features of a a future re-gathering b the fate of the nations and c the establishment of a new Temple The present work focuses primarily on the first two features Through this framework Jews in the Greco-Roman period could draw on Israel's history and legacy but re-appropriate exile and return in new and creative ways Finally the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions

Christian Zionism and the Restoration of Israel Colin Chapman, 2021-03-31 How should Christians today understand the many promises and prophecies in the Old Testament about the future of Israel and its land Are Christian Zionists justified in believing that these have been fulfilled in the return of Jews to their land since the 1880s and the creation of the State of Israel in 1948 This book discusses all the key texts about the restoration of Israel that are quoted in these debates questioning the Christian Zionist interpretation and offering an alternative This is followed by a detailed study of two important Old Testament texts dealing with the future of Israel Ezekiel 33 47 and Zechariah 9 13 understanding them in their original context and exploring how they are interpreted in the New Testament This is no theoretical ivory tower debate We are dealing here with the most bitter and protracted conflict of the last 150 years and the way we interpret the Bible has profound political consequences

Restoring Israel's Kingdom Angus Wootten, 2010-03 As followers of Israel's Messiah have we asked the question that mattered so much to His chosen twelve With olive groves serving as a backdrop these fathers of our faith asked the King of Israel Lord is it at this time You are restoring the kingdom to Israel Act 1 6 Why did Yeshua's disciples who had been trained by Him for more than three years

ask this particular question Could it be because He had taught them to pray to our Father in Heaven Thy Kingdom come on earth as it is in Heaven Matthew 6 10 Since we are a people dedicated to bringing Y shua s Kingdom to this earth we must not lose sight of the vision that burned in the hearts of His first disciples As part of His chosen people 1 Peter 1 12 9 we must not lose sight of what should be our ultimate goal But have we forgotten this important goal even as we have lost sight of our heritage as part of the people of Israel Could we be part of Ephraim Israel those so long ago blinded to the truth of their Israelite roots Genesis 48 19 Hosea 1 2 8 8 Amos 9 9 Just as Judah is beginning to see the Messiah is the veil likewise being lifted from our partially blinded Israelite eyes Do we belong to Israel s olive tree in a greater way than we had previously imagined Isaiah 8 14 Romans 11 25 Jeremiah 31 18 19 11 10 16 2 18 21 Is that why we are feeling a longing in our hearts for something more If so you will find that this exciting book will help you keep your eye on the goal which is the restoration of the Kingdom to the restored house of Israel

The Future Restoration of Israel Stanley E. Porter, Alan E. Kurschner, 2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

Jesus and the Restoration of Israel Carey C. Newman, 1999-10-13 This book edited by Carey C Newman offers a multifaceted and critical assessment of N T Wright's work Jesus and the Victory of God Wright responds to the essayists and Marcus Borg offers his critical appraisal Exposition of the Old and New Testament Matthew Henry, John Bickerton Williams, 1828 **The Great Prophecy of Israel's Restoration-Isaiah, Chapters 40-66-arranged and Edited for Young Learners, by Matthew Arnold** , 1872 **A Bible-reading for schools. The great prophecy of Israel's restoration, Isaiah, chap. 40-66, arranged and ed. by M. Arnold** Isaiah (the prophet.), 1872 **For the Nation** Nicholas R. Brown, 2016-09-29 The nature of the kingdom Jesus proclaims in the Gospels has long been a subject of intense theological debate More recently the lines of this debate have dramatically shifted as several leading historical Jesus scholars and Christian social ethicists have argued that Jesus kingdom proclamation most likely expresses a first century Jewish hope for Israel's restoration Yet while several are now sanguine that Jesus kingdom vision constitutes nothing less than a full throated restoration of Israel's nationality they are just as certain it rejects a restoration of Israel's land As such it has become increasingly fashionable to say that an authentic practice of the kingdom ethic that Jesus enunciates must necessarily be a territorial The purpose of this work is to respond to these arguments and show why this can and indeed should not be the case Through a careful and detailed process of historical investigation biblical exegesis theological exploration and ethical analysis we will come to see that not only is the kingdom that Jesus proclaims inextricably landed but also why such a kingdom is integral to articulating a Christian ethic of territorial governance **The Jewish World Around the New Testament** Richard Bauckham, 2010-07 A leading biblical scholar shows that the New Testament texts cannot be understood without careful attention to their Judaic and Second Temple roots Handbook on Acts and Paul's Letters (Handbooks on the New Testament) Thomas R. Schreiner, 2019-11-05 Leading biblical scholar Thomas Schreiner provides an easy to navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages This is the first volume in the Handbooks on the New Testament series which is modeled after Baker

Academic s successful Old Testament handbook series Series volumes are neither introductions nor commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The series will contain three volumes that span the entirety of the New Testament with future volumes covering the Gospels and Hebrews through Revelation Written with classroom utility and pastoral application in mind these books will appeal to students pastors and laypeople alike **Themelios, Volume 48, Issue 3** Brian
