Restoring The Fallen A Team Approach To Caring Confronting And Reconciling:

Restoring the Fallen ,1997 **Restoring the Fallen** Earl D. Wilson,Sandy Wilson,Paul Friesen, Virginia Friesen,Larry Paulson,Nancy Paulson,1997-03-28 When Christians commit serious sin how should the church respond Earl and Sandy Wilson Paul and Virginia Friesen and Larry and Nancy Paulson describe how the spiritual care team approach can help wayward Christians through the process of repentance and restoration Pursued by Grace Colin A. Gittens,Donald A. Lichi, In Pursued by Grace A Pastor s Restorative Journey Colin recounts his experience of moral failure and his public and humiliating removal from ministry as a lead pastor of a large congregation He candidly shares the effects this had on his family and on himself as a husband father and member of the clergy Supported by references from the scriptures and lessons learned from other literature Colin weaves his own story in with a very thorough examination of what leads someone especially a Christian leader to sin He offers a firsthand account of the true cost of sin and juxtaposes that humiliating and alienating ordeal with the tender yet firm love of his Heavenly Father his loyal wife his family and his supportive friends Pursued by Grace is a story of redemption restoration and resilience in the face of failure While of particular interest to pastors bible college students and other Christian and secular leaders this book provides important reflections and lessons for anyone struggling to avoid temptation recover from doing wrong and follow a Christian path **The Healing Church** Sam Black,2023-05-16 Two thirds of men and a third of women who attend church regularly say they struggle with pornography Yet only 7% of churches offer specific resources and support to their congregations Pastors and church leaders are well aware of the issue of pornography thanks to decades of studies and Christian blog and magazine articles however the local church is caught in a painful trap When Christians are too ashamed to admit their struggle church leaders aren t able to directly support those who are actively struggling when church attendees do find the courage to seek help they often receive ineffective support from pastors and ministry leaders due to lack of proactive planning As a former journalist and current Director of Recovery Education for Covenant Eyes Sam Black understands the stronghold pornography can have on an individual s life His writing in The Healing Church actively addresses these issues and provides clear guidance for ministry leaders as they support those who seek to live in freedom In The Healing Church ministry leaders will discover how to create safe spaces and apply processes that restore those trapped in compulsive behaviors with pornography Sam Black outlines the most successful examples from churches currently providing meaningful aid and includes stories of Christians who found healing from porn strongholds as evidence of the type of healing that pastors and church leaders can provide In researching this book Sam Black conducted more than 70 interviews not only with pastors counselors and ministry leaders but also with everyday people who recovered from a secret life of sin and are helping others who feel trapped by porn and unwanted sexual behaviors The Healing Church affirms how those who experience true brokenness and surrender to discipleship and life change become strong servants to the Body of Christ and healthier as people overall When the selfish

become selfless when the idolators learn to worship Christ when the prideful become meek they become more fulfilled as servants and filled with purpose Today the local church has choices It can largely ignore the problems of pornography because they are too unseemly It can chastise rebuke and cast out which sends more people into hiding Or it can lead people through a grace filled process to the foot of the Cross where strongholds are crushed and where stronger servants arise

Rebuilding the Walls James Kelly,2020-06-22 There are few situations in the life of a church that are more disruptive or destructive than the presence of sin in the life of its membership especially the leadership Too often we see the presence of sin as a fatal situation Yet sin properly dealt with rather than destroying the church or those involved may become a catalyst for growth both for the church body and those involved in whatever sin is present Christ and the apostle Paul laid out instructions for taking the presence of sin challenging those involved and restoring their walk with Christ Therefore we must if we consider ourselves as a spiritual people resolve to restore those impacted by sin and see them resume their walk with Christ Gal 6 1
