Restructuring Schooling

Nan Henderson, Mike M Milstein

Restructuring Schooling:

Restructuring Schooling Joseph Murphy, Philip Hallinger, 1993-03-16 The editors of this volume aim to help educators make better decisions about their efforts at restructuring by showing what has and has not worked in some of the most widely known experiments Because the programmes examined have been in place for several years the cases offer richness of detail and a wealth of ideas This book s insights and practical detail will benefit educators both in schools and at district level as well as students and academics in the field

Restructuring High Schools for Equity and Excellence Valerie E. Lee, Julia Smith, 2001 This book demonstrates empirical links with achievement and investigates how restructuring relates to school size teachers attitudes toward students and how teachers press their students to work hard and succeed

Resources in Education , 1998 *Race, Class, and Power in School Restructuring* Pauline Lipman, 1998-02-26 Explores the intersection of two central issues in American education today school reform through restructuring and alienation from school of many children of color A tough look at the impact of teachers and administrators beliefs and practices

The Practice and Theory of School Improvement David Hopkins, 2005-10 ANDY HARGREAVES Department of Teacher Education Curriculum and Instruction Lynch School of Education Boston College MA U S A ANN LIEBERMAN Carnegie Foundation for the Advancement of Teaching Stanford CA U S A MICHAEL FULLAN Ontario Institute for Studies in Education University of Toronto Canada DAVID HOPKINS Department for Education and Skills London U K This set of four volumes on Educational Change brings together evidence and insights on educational change issues from leading writers and researchers in the field from across the world Many of these writers whose chapters have been specially written for these books have been investigating helping initiate and implementing educational change for most or all of their lengthy careers Others are working on the cutting edge of theory and practice in educational change taking the field in new or even more challenging directions And some are more skeptical about the literature of educational change and the assumptions on which it rests They help us to approach projects of understanding or initiating educational change more deeply reflectively and realistically Educational change and reform have rarely had so much prominence within public policy in so many different places Educational change is ubiquitous It figures large in Presidential and Prime Ministerial speeches It is at or near the top of many National policy agendas Everywhere educational change is not only a policy priority but also major public news Yet action to bring about educational change usually exceeds people s understanding of how to do so effectively

Restructuring American Education Ray C. Rist, 2017-09-08 Structured schools free schools graded schools ungraded schools no schools at all the conflicts over public education in America rage on for contemporary schools have not lived up to our expectations The essence of the criticism reflected in the essays in this volume is that America s dual educational goals free inquiry and social mobility are not being met Instead of producing enlightened citizens capable of high social and economic mobility our schools have become warehouses of children stored as commodities docile and immobile

Handbook on Restructuring and Substantial School Improvement Herbert J. Walberg, 2007-08-01 Published in cooperation with The Center on Innovation Improvement As suggested by the title the purpose of this Handbook on Restructuring and Substantial School Improvement is to provide principles for restructuring and substantially improving schools Sponsored by the U S Department of Education the Center on Innovation Improvement CII engaged leading experts on restructuring and school improvement to prepare modules for this handbook to assist states districts and schools in establishing policies procedures and support to successfully restructure schools The Handbook is organized into three sections The topic of the Handbook s modules restructuring with a focus on the district as the impetus for dramatic improvement is relatively new in the nation s education history For this reason the module authors were selected because they are highly experienced experts in their fields and can be counted on to judiciously weigh the less than definitive evidence and to state useful guiding principles

Changing American Education Kathryn M. Borman, Nancy P. Greenman, 1994-01-01 This book examines social changes affecting education amplifies case studies of school change and analyzes the gap between the rhetoric and reality of educational reform

International Handbook of Educational Change Andy Hargreaves, A. Lieberman, M. Fullan, D.W. Hopkins, 2014-11-14 The International Handbook of Educational Change is a state of the art collection of the most important ideas and evidence of educational change The book brings together some of the most influential thinkers and writers on educational change It deals with issues like educational innovation reform restructuring culture building inspection school review and change management It asks why some people resist change and what their resistance means It looks at how men and women older teachers and younger teachers experience change differently It looks at the positive aspects of change but does not hesitate to raise uncomfortable questions about many aspects of educational change either It looks critically and controversially at the social economic cultural and political forces that are driving educational change School leaders system administration teacher leaders consultants facilitators educational researchers staff developers and change agents of all kinds will find this book an indispensable resource for guiding them to both classic and cutting edge understandings of educational change no other work provides as comprehensive coverage of the field of educational change

Fundamental Change Michael Fullan, 2007-12-29 ANDY HARGREAVES Department of Teacher Education Curriculum and Instruction Lynch School of Education Boston College MA U S A ANN LIEBERMAN Carnegie Foundation for the Advancement of Teaching Stanford U S A MICHAEL FULLAN Ontario Institute for Studies Education University of Toronto Canada DAVID HOPKINS Department for Education and Skills London U K This set of four volumes on brings together evidence and insights on educational change issues from leading writers and researchers in the field from across the world Many of these writers whose chapters have been specially written for these books have been investigating helping initiate and implementing educational change for most or all of their lengthy careers Others are working on the cutting edge of theory and practice in educational change taking the field in new or even more challenging

directions And some are more skeptical about the literature of educational change and the assumptions on which it rests They help us to approach projects of understanding or initiating educational change more deeply reflectively and realistically Educational change and reform have rarely had so much prominence within public policy in so many different places Educational change is ubiquitous It figures large in Presidential and Prime Ministerial speeches It is at or near the top of many National policy agendas Everywhere educational change is not only a policy priority but also major public news Yet action to bring about educational change usually exceeds people s understanding of how to do so effectively
