Rethinking Canada The Promise Of Womens History:

Rethinking Canada Veronica Jane Strong-Boag, Anita Clair Fellman, 1991 Thoroughly revised and updated this fourth edition of *Rethinking Canada The Promise of Women's History* is part of the continuing feminist effort to discover what it means to be women and Canadians *Rethinking Canada* examines key developments in Canadian history from the founding of New France to the present while at the same time highlighting the distinctive texture of women's experiences and identities This decidedly non traditional reconstruction of Canadian history focuses on the lives struggles and contributions of women enlarging and diversifying the picture of the past found in conventional historical accounts Of the 26 readings in this volume 16 are new Subjects range from the impact of colonialism on gender relations in Aboriginal societies to the immigration of Japanese picture brides in early twentieth century British Columbia to transnational political alliances formed by Canadian and Mexican women in response to NAFTA Other topics include sexuality workforce trends gender and public policy and much more The selections aim above all to bring diverse and marginalized groups of women out of the historical shadows The voices of First Nations women women of colour and immigrant women for example resound clearly in this volume An informative introduction to each reading situates the article in its specific historical and historiographical context and each introduction concludes with questions designed to stimulate analysis and discussion of the text By presenting current scholarship in the context of three decades of research into Canadian women's history *Rethinking Canada* Fourth Edition offers new and fascinating perspectives on women and on Canada Book jacket **Rethinking Canada** Adele Perry, Lara Campbell, Tamara Myers, 2016-02-01 Now in its seventh edition *Rethinking Canada* presents a collection of essays on the diverse lives struggles and contributions of women in Canadian history Fourteen new essays offer current engaging and balanced coverage of indigenous immigrant and racialized experiences work and labour sexuality and the body religion and spirituality politics and regional analysis Insightful chapter introductions primary documents and a new timeline of major events in Canadian women's history provide additional context for each reading and allow students to make connections between chapters and the study of Canadian history as a whole **Rethinking Canada, [ECH Master]** Adele Perry, Mona Gleason, 2007 Rethinking Canada Mona Lee Gleason, Adele Perry, Tamara Myers, 2011 *Rethinking Canada* is a collection of essays on the diverse lives struggles and contributions of women in Canadian history Now in its sixth edition this trusted text includes articles spanning from the 1600s to the present day Eighteen new essays offer increased coverage of indigenous immigrant and racialized experiences work and labour sexuality and the body religion and spirituality politics and shifts in regional analysis Recent scholarship and fresh editorial commentaries combine to create an invaluable introduction not only to Canadian women's history but also to the study of Canadian history as a whole *Reading Canadian Women's and Gender History* Nancy Janovicek, Carmen Nielson, 2019-01-01 Inspired by the question of what's next in the field of Canadian women's and gender history this broadly historiographical volume represents a conversation among established

and emerging scholars who share a commitment to understanding the past from intersectional feminist perspectives It includes original essays on Quebecois Indigenous Black and immigrant women s histories and tackles such diverse topics as colonialism religion labour warfare sexuality and reproductive labour and justice Intended as a regenerative retrospective of a critically important field this collection both engages analytically with the current state of women s and gender

historiography in Canada and draws on its rich past to generate new knowledge and areas for inquiry **Gender Conflicts**

Franca Iacovetta,Mariana Valverde,1992-01-01 In the early 1970s when women s history began to claim attention as an emerging discipline in North American universities it was dominated by a middle class Anglo Saxon bias Today the field is much more diverse a development reflected in the scope of this volume Rather than documenting the experiences of women solely in a framework of gender analysis its authors recognize the interaction of race class and gender as central in shaping women s lives and men s These essays represent an exciting breakthrough in women s studies expanding the borders of the discipline while breaking down barriers between mainstream and women s history **Feminist History in Canada**

Catherine Carstairs,Nancy Janovicek,2013-11-25 In the late 1970s feminist historians urged us to rethink Canada by placing women s experiences at the centre of historical analysis Forty years later feminism continues to inform history writing and has inspired historians to look beyond the nation and adopt a more global perspective This exciting new volume of original essays opens with a discussion of the themes and methodological approaches that have preoccupied historians over the past twenty years The chapters that follow showcase the work of new and established scholars who draw on critical race theory postcolonial theory and transnational history to re examine familiar topics such as biography and oral history paid and unpaid work marriage and family and women s political action Whether they focus on the marriage of Governor James Douglas and his Metis wife Amelia or on the experiences of Qu b cois domestic workers in the 1970s the contributors demonstrate the continued relevance of history informed by feminist perspectives and open a much needed dialogue between francophone and anglophone historians in Canada **An Environmental History of Canada** Laurel Sefton MacDowell,2012-07-31

Throughout history most people have associated northern North America with wilderness with abundant fish and game snow capped mountains and endless forest and prairie Canada s contemporary picture gallery however contains more disturbing images deforested mountains empty fisheries and melting ice caps Adopting both a chronological and thematic approach Laurel MacDowell examines human interactions with the land and the origins of our current environmental crisis from first peoples to the Kyoto Protocol This richly illustrated exploration of the past from an environmental perspective will change the way Canadians and others around the world think about and look at Canada **Quiet Rebels** Mary Jane

Mossman,2024-04-16 It s a girl the Ontario press announced as Canada s first woman lawyer was called to the Ontario bar in February 1897 Quiet Rebels explores experiences of exclusion among the few women lawyers for the next six decades and how their experiences continue to shape gender issues in the contemporary legal profession Mary Jane Mossman tells the

stories of all 187 Ontario women lawyers called to the bar from 1897 to 1957 revealing the legal profession's gendered patterns. Comprising a small handful of students or even a single student at the Law School, women were often ignored and they faced discrimination in obtaining articling positions and legal employment. Most were Protestant, white, and middle class, and a minority of Jewish, Catholic, Black, and immigrant women lawyers faced even greater challenges. The book also explores some changes as well as continuities for the much larger numbers of Ontario women lawyers in recent decades. This longitudinal study of women lawyers' gendered experiences in the profession during six decades of social, economic, and political change in early twentieth-century Ontario identifies factors that created or foreclosed on women lawyers' professional success. The book's final section explores how some current women lawyers, despite their increased numbers, must remain quiet rebels to succeed.

Historical Companion to Postcolonial Literatures in English Prem Poddar, 2019-08-07
This is the first reference guide to the political, cultural, and economic histories that form the subject matter of postcolonial literatures written in English. The focus of the Companion is principally on the histories of postcolonial literatures in the Anglophone world: Africa, the Middle East, South Asia, South-east Asia, Australia, and New Zealand, the Pacific, the Caribbean, and Canada. There are also long entries discussing the literatures and histories of those further areas that have also claimed the title postcolonial, notably Britain, East Asia, Ireland, Latin America, and the United States. The Companion contains 220 entries written by 150 acknowledged scholars of postcolonial history and literature, covering major events, ideas, movements, and figures in postcolonial histories, long regional survey essays on historiography, and women's histories. Each entry provides a summary of the historical event or topic and bibliographies of postcolonial literary works and histories. Extensive cross-references and indexes enable readers to locate particular literary texts in their relevant historical contexts, as well as to discover related literary texts and histories in other regions with ease.

A Companion to Global Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-11-19
Provides a completely updated survey of the major issues in gender history from geographical, chronological, and topical perspectives. This new edition examines the history of women over thousands of years, studies their interaction with men in a gendered world, and looks at the role of gender in shaping human behavior. It includes thematic essays that offer a broad foundation for key issues such as family, labor, sexuality, race, and material culture, followed by chronological and regional essays stretching from the earliest human societies to the contemporary period. The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions. Filled with contributions from both scholars and teachers, *A Companion to Global Gender History*, Second Edition, makes difficult concepts understandable to all levels of students. It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction. In addition, each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further. Features newly updated and brand new chapters filled with both thematic and chronological

geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field

Discounted Labour Ruth A. Frager, Carmela K. Patrias, 2006-12-15 The years between 1870 and 1939 were a crucial period in the growth of industrial capitalism in Canada as well as a time when many women joined the paid workforce Yet despite the increase in employment women faced a difficult struggle in gaining fair remuneration for their work and in gaining access to better jobs Discounted Labour analyses the historical roots of women's persistent inequality in the paid labour force Ruth A Frager and Carmela K Patrias analyse how and why women became confined to low wage jobs why their work was deemed less valuable than men's work why many women lacked training job experience and union membership and under what circumstances women resisted their subordination Distinctive earning discrepancies and employment patterns have always characterized women's place in the workforce whether they have been in low status unskilled jobs or in higher positions For this reason Frager and Patrias focus not only on women wage earners but on women as salaried workers as well They also analyze the divisions among women examining how class and ethnic or racial differences have intersected with those of gender Discounted Labour is an essential new work for anyone interested in the historical struggle for gender equality in Canada

Changing Women, Changing History Diana Lynn Pedersen, 1996 Changing Women Changing History is a bibliographic guide to the scholarship both English and French on Canadian's women's history Organized under broad subject headings and accompanied by author and subject indices it is accessible and comprehensive

The Oxford

Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

Making a Modern U.S. West Sarah Deutsch, 2022 To many Americans in the nineteenth and twentieth centuries the West was simultaneously the greatest symbol of American opportunity the greatest story of its history and the imagined blank slate on which the country's future would be written From the Spanish American War in 1898 to the Great Depression's end from the Mississippi to the Pacific policymakers at various levels and large scale corporate investors along with those living in the West and its borderlands struggled over who would define modernity who would participate in the modern American West and who would be excluded In Making a Modern U S West Sarah Deutsch surveys the history of the U S West from 1898 to 1940 Centering what is often relegated to the margins in histories of the region the flows of people capital and ideas across borders Deutsch attends to the region's role in constructing U S racial formations and argues that the West as a region was as important as the South in constructing the United States as a white man's country While this racial formation was linked to claims of modernity and progress by powerful players Deutsch shows that visions of what constituted modernity were deeply contested by others This expansive volume presents the most thorough examination to date of the American West from the late 1890s to the eve of World War II

A History of Human Rights in Canada Janet Miron, 2009 Human rights equality and social justice are at the forefront of public concern and political debate in Canada Global events especially the war on terrorism have fostered further interest in the abuse of human rights especially when sanctioned or perpetuated by democratic governments This groundbreaking contributed volume seeks to shed light on this topic by uniting original essays that examine the history of human rights in Canada Contributors explore

a variety of themes integral to the post confederation period including immigration and ethnicity gender sexuality class disability state formation and provincial federal relations Three key issues emerge throughout incidents of discrimination in both government and society the efforts of human rights and civil liberties activists to create a more open and tolerant society and the implementation of state legislation designed to protect or enhance civil rights **Canadian History:**

Confederation to the present Martin Brook Taylor,Doug Owram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover Being Fat Jenny Ellison,2020-04-02 It is okay to be fat This is the basic premise of fat activism a social movement that has existed in Canada since the 1970s Being Fat focuses on the earliest strands of the movement covering the last decades of the twentieth century The book explores how fat activists wrestled with feminist issues of the era including femininity sexuality and health Showcasing the earliest efforts of fat activists in Canada such as the growth of social initiatives for fat women only Being Fat helps us recognize the long reach of second wave feminism and how it shaped activists approaches to everyday experiences like shopping exercise and going to the doctor **Angels of the Workplace** Mercedes Steedman,1997-12-15 In this renowned 1997 study of the clothing industry in Canada Mercedes Steedman examines how the intricate weaving together of the meanings of class gender ethnicity family and the workplace created a job ghetto for women Although women comprised a significant majority of garment workers their roles were limited both in the workplace and in the trade union bureaucracy Detailing the disparities between men and women in terms of wages and representation Angels of the Workplace is the definitive history of discrimination against women in Canada s clothing industry Steedman shows the crucial role that women played at the front of the picket lines during labour strikes and reveals how they gained sympathy and favourable media coverage for the workers cause Tracing both the new hopes for more equitable work brought about by left wing unionism and the disappointments caused by the cooperation of labour and management in the new unionism of the 1930s Angels of the Workplace reveals how formalized workplace gender discrimination was formalized for the rest of the century
