Imperatives Thad W. Allen, Christine Todd Whitman, Esther Brimmer, Anya Schmemmann, 2017-03-01 After Prohibition

Timothy Lynch, 2000-11-01 More than 10 years ago federal officials boldly claimed that they would create a drug free America by 1995 To reach that objective Congress spent billions on police prosecutors drug courts and prisons Despite millions of arrests and countless seizures America is not drug free Illegal drugs are as readily available today as ever before Drug prohibition has proven to be a costly failure Like alcohol prohibition drug prohibition has created more problems than it has solved The Influence of Small States on Superpowers Richard L. Bernal, 2015-07-22 The conventional wisdom is that

small developing countries exert limited if any influence on the foreign policy of superpowers in particular the United States This book challenges that premise based on the experience of the small developing country of Jamaica and its relations with the United States It raises the question if the foreign policy of the United States can be influenced by even a small developing country should Washington be worried *A Sharper Choice on North Korea* Mike Mullen, Sam Nunn, Adam
