Rethinking The European Union Institutions Interests And Identities:

Rethinking the European Union Alice Landau, Richard Whitman, 2016-07-27 Rethinking the European Union draws together contributors from across Europe to reflect upon methods of conceptualising the European Union within both changing global and European contexts The book takes the themes of institutions interests and identities as its organising framework within which each contributor offers a distinctive commentary on the EU The outcome is a text that goes beyond an exploration of the existing methods of conceptualising the European integration process and reflects upon the nature of the EU itself

Rethinking European Union foreign policy Ben Tonra, Thomas Christiansen, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license This book reviews a variety of approaches to the study of the European Union's foreign policy Much analysis of EU foreign policy contains theoretical assumptions about the nature of the EU and its member states their inter relationships the international system in which they operate and the nature of European integration Such assumptions when not discussed openly often curtail debate This book opens up this field of enquiry so students observers and analysts of EU foreign policy can review a range of tools and theoretical templates from which the development and the trajectory of the EU's foreign policy can be studied Situated at the interface between European studies and international relations the book outlines how the EU relates to the rest of the world explaining its effort towards creating a credible effective and principled foreign security and defence policy

Understanding European Union Institutions Alex Warleigh, 2002-09-09 Understanding the institutions of the European Union is vital to understanding how it functions This book provides students with a user friendly introduction to the main institutions and explains their different roles in the functioning and development of the European Union Key features introduces and explains the functions of all the main institutions dividing them into those that have a policy making role those that oversee and regulate and those that operate in an advisory capacity provides students with an overview of the history of the European Union and the development of its institutions and considers their continuing importance to the success of the European Union clearly written by experienced and knowledgeable teachers of the subject presented in a student friendly format providing boxed concepts and summaries guides to further reading figures and flowcharts and a glossary of terms

An Anthropology of the European Union Irène Bellier, Thomas M. Wilson, 2020-12-22 One of the problems facing Europe is that the building of institutional Europe and top down efforts to get Europeans to imagine their common identity do not necessarily result in political and cultural unity Anthropologists have been slow to consider the difficulties presented by the expansion of the EU model and its implications for Europe in the 21st Century Representing a new trend in European anthropology this book examines how people adjust to their different experiences of the new Europe The role of culture religion and ideology as well as insiders social and professional practices are all shown to shed light on the cultural logic sustaining the institutions and policies of the European Union On the one hand the activities of the

European institutions in Brussels illustrate how people of many different nationalities languages and cultures can live and work together On the other hand the interests of many people at the local regional and national levels are not the same as the Eurocrats Contributors explore the issues of unity and diversity in Europe building through various European institutions images and programmes and their effects on a variety of definitions of identity in such locales as France Denmark the United Kingdom Ireland and Belgium

The A to Z of the European Union Joaquín Roy,Aimee Kanner,2009-09-17 Over half a century old and continuing to grow in strength and authority the European Union consists of 25 member states with more on the waiting list and a population of 450 million people Its influence in foreign and domestic affairs and human rights and law reaches far beyond its earlier fields of trade and politics From the initial ideas about integration leading to the Treaty of Paris and the creation of the European Coal and Steel Community to the current reflection on the Treaty establishing a Constitution for Europe The A to Z of the European Union encompasses the most basic elements of the EU and the components that have emerged as a result of them Through the use of maps photographs a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on topics such as leaders personalities institutions enlargements member states internal policies external relations basic theories treaties and law this dictionary tells a clear and complete story about the European Union that will assist those with greater interest in understanding it

Europe Un-Imagined Damien Stankiewicz,2017-01-01 Damien Stankiewicz s ground breaking ethnographic study of the various contexts of media production work at ARTE the newsroom the editing studio the screening room reveals how ideas about French German and European culture coalesce and circulate at the channel

Locality and Identity Jane Holder,Donald McGillivray,2019-01-15 First published in 1999 this volume is concerned with how issues of identity and locality globalization and ethics valuing the environment environmental justice and the use of traditional and new legal forms cross the disciplines of law ethics geography political science and social theory Necessarily diverse the collection both explores and confronts the limitations of law that prevent recognition of the relationship between humans and nature

The European Union's Fight Against Terrorism Laura C. Ferreira-Pereira,Bruno Oliveira Martins,2016-04-08 This book contributes to the understanding of the counter terrorism CT policy of the European Union EU by offering a set of analyses focusing on its external dimension Whilst calling for the combination of internal and external policies as well as cooperation with third countries and international institutions the external dimension of EUCT challenges previous assumptions on the functioning of the EU and offers new testing ground for the latest theoretical and methodological approaches This volume provides the first systematic assessment of the external dimension of EUCT It covers transatlantic counter terrorism cooperation the interaction between EU institutions and policies theoretical debates on EU actorness in counter terrorism and the role of judicial institutions in international counter terrorism Furthermore it draws attention to the need for engaging in new discussions over the post Lisbon Treaty Common Foreign and Security Policy CFSP the international fight against terrorism and the way international

actors cooperate and compete on the security arena It will be of interest for both academics and practitioners working on EU foreign policy transatlantic relations and international counter terrorism It will also be of interest for students and journalists specialized on European and international affairs This book was published as a special issue of European Security

European Security Culture Monica Gariup,2017-05-15 Grounded on tenets of cultural realism and social constructivism Monica Gariup develops a theoretical framework to enhance our understanding of security culture at the European Union level She employs tools from political theory linguistic analysis and international relations theory to examine the implications of discourse and practice in European Security and Defense Policy ESDP Innovative in scope the volume analyzes whether elaborating a structurationist solution and proposing a discursive syntax of security makes it possible to identify and compare different types of security actors Providing a comprehensive and objective analysis on the links and implications between the discourse and actual policy of the ESDP this is essential reading for scholars and researchers in European politics

international relations security and cultural studies **Federalism Doomed?** Andreas Heinemann-Grüder,2002 The conceptual uncertainty when dealing with processes of integration and disintegration in Europe is striking because traditional notions of the nation state constitutionalism sovereignty and federalism do not account for emerging realities in either Western or Eastern Europe This volume explores the complex inter relationship between federal arrangements and their effects on integrating multi ethnic societies in Europe and takes stock of current debates on the effects of federalism on integration and disintegration in Eastern and Western Europe For the first time federalism is addressed in a pan European context and an attempt is made to look for remedies to overcome nationalism in both East and West within a federalist institutional framework European Foreign Policy and the European Parliament in the 1990s Donatella M.

Viola,2019-06-04 This title was first published in 2000 This book investigates the European Parliament's stance vis a vis the 1990 1991 Gulf and 1991 1992 Yugoslav crises In unveiling the parliamentary multi faceted view of these events reference has been made to the positions taken by constituent political groups and their voting behaviour In particular the following questions have been addressed has the European Parliament sought to define and shape a common foreign policy with respect to the above crises What specific functions have the European Parliament political groups performed Have political groups succeeded in achieving an internal cohesion Has the European Parliament overcome divisions among its members through the formation of party coalitions despite the considerable flow of published material on external relations of the European Union and the European Parliament virtually no study has explored in depth the links between these two areas The purpose of this book is to fill the gap in the existing literature breaking new ground by combining a qualitative and qualitative analysis of parliamentary behaviour with foreign policy *Contemporary European Foreign Policy* Walter

Carlsnaes,Helene Sjursen,Brian White,2004-04-01 This major new book introduces and examines the latest developments in European foreign policy It provides a complete overview of the ways in which the very nature of foreign policy in Europe has

changed and advances new insights into contemporary European foreign policy analysis The book is structured around three parts Part one provides a concise overview of the latest theories and concepts in this growing field of study and research Part two assembles and reviews a series of contemporary issue areas including security and defense economic foreign policy diplomacy national cooperation human rights and sovereignty Part three mirrors and builds on Part two by providing an applied case study to each of the preceding topics Throughout the book the authors address and incorporate both the national and European Union levels of foreign policy and explore the complex interactions between the two The result is a book that will be essential reading for all students and researchers seeking a deeper understanding of European foreign policy today and the wider implications for future foreign policy analysis in politics and international relations Redrawing

the Global Economy A. Landau, 2001-05-04 Alice Landau investigates the confluence magnitude and dynamics of globalization and regionalization and highlights the integrative and disintegrative effects of both processes She digs deep in to the processes and traces the inequalities embedded in their dynamics The analysis is complemented by a detailed empirical investigation into the geographical distribution of trade investments capital and transnational corporations which are cumulatively concentrated in a few highly developed and developing countries thus limiting the development prospects for the majority of developing countries Globalization: The nation-state and international relations Roland

Robertson, Kathleen E. White, 2003 Containing articles on approaches to and theories of globalization this collection addresses the making of the modern world from different disciplinary perspectives This set investigates the major components of globalization in its most comprehensive sense the nation state and the system of international relations the question of self identity and the individual in the globalization process human rights citizenship and the environment institutional questions including matters of media communication education tourism multinational corporations migration and intercultural communication New introductions and a thorough index make this work an indispensable research tool

Civil Society and International Governance David Armstrong, Valeria Bello, Julie Gilson, Debora Spini, 2010-11-23 A PDF version of this book is available for free in open access via www.tandfebooks.com as well as the OAPEN Library platform www.oapen.org It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license and is part of the OAPEN UK research project Structures and processes occurring within and between states are no longer the only or even the most important determinants of those political economic and social developments and dynamics that shape the modern world Many issues including the environment health crime drugs migration and terrorism can no longer be contained within national boundaries As a result it is not always possible to identify the loci for authority and legitimacy and the role of governments has been called into question Civil Society and International Governance critically analyses the increasing impact of nongovernmental organisations and civil society on global and regional governance Written from the standpoint of advocates of civil society and addressing the role of civil society in relation to the UN the IMF the G8

and the WTO this volume assess the role of various non state actors from three perspectives theoretical aspects civil society interaction with the European Union and civil society and regional governance outside Europe specifically Africa East Asia and the Middle East It demonstrates that civil society s role has been more complex than one defined in terms essentially of resistance and includes actual participation in governance as well as multi faceted contributions to legitimising and democratising global and regional governance This book will be of interest to students and scholars of political science international relations civil society sociology European politics and global governance

Germany and East-Central Europe Steve Wood, 2017-11-28 This innovative volume analyzes historical strategic and domestic political influences on the character and dynamics of the European Union s eastern enlargement Its main focus is on interactions between Germany Poland the Czech Republic and Hungary in political diplomatic commercial economic and socio cultural fields The book also examines the wider European and international contexts to show that as enlargement advanced we also witnessed an increase in the potential for conflict among EU members old and new Steve Wood provides an eclectic and topical appraisal which identifies the German state as the crucial actor in both the enlargement venture and parallel processes of bilateral reconciliation The book is recommended to those with interests in contemporary Germany Central and Eastern Europe and European integration

The European Union in International Politics Roy H. Ginsberg, 2001-10-03 As the world looks to Europe to take on more responsibility in international politics and security in the devastating aftermath of Bosnia and Kosovo this pathbreaking book provides the first systematic evaluation of the political impact of the European Union EU on a global scale Little is known of the EU s international political influence yet if the EU is to develop a viable Common Foreign and Security Policy other actors will have to perceive the Union as an important player Roy Ginsberg fills this vital gap by first linking the contexts and sources of EU foreign policy actions with the processes and outputs of decisionmaking and then examining how outsiders view the EU Combining a masterly synthesis of the literature with invaluable primary interviews and case studies that document the reach of and limits to the EU s political influence Ginsberg takes the study of EU foreign policy to a new level of analysis By defining describing and explaining the different levels and degrees of external political impact the book serves as a model for the advancement of conceptual knowledge rigorous political science research and state of the art survey techniques and methodology Scholars students and practitioners alike will find this rounded and nuanced work indispensable for understanding EU involvement in international politics seen from the perspective of non EU players particularly after the war in Kosovo the enactment of the Treaty of Amsterdam the Irish no vote for the Treaty of Nice and the efforts forged by the Europeans to operationalize the new political security and military committees associated with the European Security and Defense Policy

Against the Cold War Darren G Lilleker, 2004-11-26 Who were the British MPs sympathetic to the Soviets the crypto communists left wing gadflies the neo Stalinist left so derided by fellow politicians journalists historians and the public These Labour MPs fingered as Soviet spies who developed links with post war Russia

were seen as potentially anti Western actors in the Cold War Against the Cold War examines the careers and motives of MPs like Tom Driberg and Ian Mikardo who developed ideological links with the Soviet Union and whose ideas influenced Labour's left wing Although radical and sympathetic to Communist ideals they remained principled socialists and were ready to exercise Trotsky's right to alight to oppose and even abandon Soviet links for democratic socialism **Enhancing**

Asia-Europe Co-operation Through Educational Exchange Georg Wiessala, 2011-02-25 Georg Wiessala offers a critique of the ways in which intellectual and academic exchanges inform and shape external interactions with countries institutions and non state actors across the Asia Pacific Wiessala analyses ideologies mechanisms and policies through which matters of exchange and inter cultural dialogue have come to bear on the EU Asia dialogue **EU Security Missions and the**

Israeli-Palestinian Conflict Amr Nasr El-Din, 2016-12-19 This book explores and analyses the various factors that affected the formulation of the common EU policy towards the MEPP as well as the specifics of the process by which the EU created EUPOL COPPS and EUBAM Rafah Based on confidential interviews with various actors in the process uniquely granted to the author it reveals the mechanics of decision making behind the scenes and argues that the EU decision to expand its role in the MEPP through the creation of the two missions was closely related to the EU's defined common interests in the Middle East

Rethinking The European Union Institutions Interests And Identities Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rethinking The European Union Institutions Interests And Identities PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rethinking The European Union Institutions Interests And Identities PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rethinking The European Union Institutions Interests And Identities free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rethinking The European Union Institutions Interests And Identities Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking The European Union Institutions Interests And Identities is one of the best book in our library for free trial. We provide copy of Rethinking The European Union Institutions Interests And Identities in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking The European Union Institutions Interests And Identities. Where to download

Rethinking The European Union Institutions Interests And Identities online for free? Are you looking for Rethinking The European Union Institutions Interests And Identities PDF? This is definitely going to save you time and cash in something you should think about.
