Russia The Post War Years:

A History of Postwar Russia Roger Pethybridge, 2021-11-29 First Published in 1966 A History of Postwar Russia covers sixteen years of Soviet history from the closing stages of the Second World War 1945 until the Twenty second Soviet Party Congress 1961 dealing with both domestic and foreign policy and their influence on each other It aims at giving the overall shape of Soviet history in these years The author argues that in Soviet society each sector of activity must be viewed in relation to the whole so that the monolithic pattern of totalitarian politics can be appreciated More than any other major power the Soviet Union did not submit easily to compartmentalized study since every branch of Soviet life was carefully trimmed to grow towards the Communist aim This book is an essential read for scholars and researchers of Soviet history Soviet politics European history Russian history and comparative politics

Economic Phenomena Before and After War Slavko Secerov, 2013-11-05 Economic Phenomena before and after War is the result of the author's search for a scientific explanation of modern wars by means of economic statistical data in the statistics of consumption production and natural growth of population The theory discussed assumes that a state of war in modern communities is dependent on the general economic equilibrium which becomes more and more unstable as industrialization progresses A state of war indicates a turning point in the action of balancing forces it moves the economic forces in an opposite direction and is therefore a means for stabilizing the general economic equilibrium

Russia; the Post-war Years Alexander Werth, 1971

Military Masculinity and Postwar Recovery in the Soviet Union Erica L. Fraser, 2019-01-01 Catastrophic wartime casualties and postwar discomfort with the successes of women who had served in combat roles combined to shatter prewar ideals about what service meant for Soviet masculine identity The soldier had to be re imagined and resold to a public that had just emerged from the Second World War and a younger generation suspicious of state control In doing so Soviet military culture wrote women out and attempted to re establish soldiering as the premier form of masculinity in society Military Masculinity and Postwar Recovery in the Soviet Union combines textual and visual analysis as well as archival research to highlight the multiple narratives that contributed to rebuilding military identities Each chapter visits a particular site of this reconstruction including debates about conscription and evasion appropriate role models for cadets misogynist military imagery in cartoons the fraught militarized workplaces of nuclear physicists and the first cohort of cosmonauts who represented the completion of the project to rebuild militarized masculinity

World War II & the Post-War Years, Grades 4 - 7 Maria Backus, 2002-09-01 Provide challenging activities that enable students to explore history geography and social studies topics Activities include word searches fact or opinion creative writing and more Answer keys time lines and suggested reading lists are included

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the

end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world **Russia at War, 1941-1945** Alexander Werth,2017-03-14 In 1941 Russian born British journalist Alexander Werth observed the unfolding of the Soviet German conflict with his own eyes What followed was the widely acclaimed book *Russia at War* first printed in 1964 At once a history of facts a collection of interviews and a document of the human condition *Russia at War* is a stunning modern classic that chronicles the savagery and struggles on Russian soil during the most incredible military conflict in modern history As a behind the scenes eyewitness to the pivotal shattering events as they occurred Werth chronicles with vivid detail the hardships of everyday citizens massive military operations and the political movements toward diplomacy as the world tried to reckon with what they had created Despite its sheer historical scope Werth tells the story of a country at war in startlingly human terms drawing from his daily interviews and conversations with generals soldiers peasants and other working class civilians The result is a unique and expansive work with immeasurable breadth and depth built on lucid and engaging prose that captures every aspect of a terrible moment in human history Now newly updated with a foreword by Soviet historian Nicolas Werth the son of Alexander Werth this new edition of *Russia at War* continues to be indispensable World War II journalism and the definitive historical authority on the Soviet German war **Commerce Reports** ,1926

Russian Homophobia from Stalin to Sochi Dan Healey,2017-12-14 Examining nine case histories that reveal the origins and evolution of homophobic attitudes in modern Russia Dan Healey asserts that the nation s contemporary homophobia can be traced back to the particular experience of revolution political terror and war its people endured after 1917 The book explores the roots of homophobia in the Gulag the rise of a visible queer presence in Soviet cities after Stalin and the political battles since 1991 over whether queer Russians can be valued citizens Healey also reflects on the problems of memorylessness for Russia s LGBT lesbian gay bisexual and transgender movement more broadly and the obstacles it faces in trying to write its own history The book makes use of little known source material much of it untranslated archival documentation to explore how Russians have viewed same sex love and gender transgression since the mid 20th century *Russian Homophobia from Stalin to Sochi* provides a compelling background to the culture wars over the status of LGBT citizens in Russia today whilst serving as a key text for all students of modern Russia **Foreign Trade of the United States in the Fiscal Year 1921/22-1931** United States. Bureau of Foreign and Domestic Commerce,1925

Congressional Record United States. Congress,1946 **Access to History: Russia and its Rulers 1855-1964 for OCR Second Edition** Andrew Holland,2016-10-03 Exam Board Non Specific Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students the best chance of success with this tried and tested series combining in depth analysis engaging narrative and accessibility *Access to History* is the most popular trusted and wide ranging series for A level History students This title Supports the content and assessment requirements of the 2015 A level

History specifications Contains authoritative and engaging content Includes thought provoking key debates that examine the opposing views and approaches of historians Provides exam style questions and guidance for each relevant specification to help students understand how to apply what they have learnt This title is suitable for a variety of courses including OCR

Russia and its Rulers 1855-1964 Christine Varga-Harris, 2016-02-19 *Stories of House and Home* Christine Varga-Harris, 2016-02-19 *Stories of House and Home* is a social and cultural history of the massive construction campaign that Khrushchev instituted in 1957 to resolve the housing crisis in the Soviet Union and to provide each family its own apartment Decent housing was deemed the key to a healthy productive home life which was essential to the realization of socialist collectivism Drawing on archival materials as well as memoirs fiction and the Soviet press Christine Varga Harris shows how the many aspects of this enormous state initiative from neighborhood planning to interior design sought to alleviate crowded undignified living conditions and sculpt residents into ideal Soviet citizens She also details how individual interests intersected with official objectives for Soviet society during the Thaw a period characterized by both liberalization and vigilance in everyday life Set against the backdrop of the widespread transition from communal to one family living *Stories of House and Home* explores the daily experiences and aspirations of Soviet citizens who were granted new apartments and those who continued to inhabit the old housing stock due to the chronic problems that beset the housing program Varga Harris analyzes the contradictions apparent in heroic advances and seemingly inexplicable delays in construction model apartments boasting modern conveniences and decrepit dwellings happy housewarmings and disappointing moves and new residents and individuals requesting to exchange old apartments She also reveals how Soviet citizens identified with the state and with the broader project of building socialism

Soviet Russians under Nazi Occupation Johannes Due Enstad, 2018-07-12 In this compelling account of life and death in a Russian province under Nazi occupation Johannes Due Enstad challenges received wisdom about Russian patriotism during World War II With the benefit of hindsight we know how hopelessly destructive Germany's war against the Soviet Union was Yet ordinary Russians witnessing the advancing German forces saw things differently For many of them having lived through collectivization and Stalinist terror in the 1930s the invasion created hopes of a better life without the Bolsheviks German policies on land and church helped sustain those hopes for parts of the population Drawing on Soviet and German archival sources as well as eyewitness accounts memoirs and diaries Enstad demonstrates the impact of Nazi rule on the mostly peasant population of northwest Russia and offers a reconsideration of the relationship between the Soviet regime and its core Russian population at this crucial moment in their history

American Intelligence in War-time London Nelson MacPherson, 2003-03-30 Based on OSS records only recently released to US National Archives and on evidence from British archival sources this is a thoroughly researched study of the Office of Strategic Services in London The OSS was a critical liaison and operational outpost for American intelligence during World War II

Postwar Tony Judt, 2006-09-05 Finalist for the Pulitzer Prize Winner of the Council on Foreign Relations Arthur Ross Book Award One of the New York Times's 100 Best

Books of the 21st Century Impressive Mr Judt writes with enormous authority The Wall Street Journal Magisterial It is without a doubt the most comprehensive authoritative and yes readable postwar history The Boston Globe Almost a decade in the making this much anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement Postwar is the first modern history that covers all of Europe both east and west drawing on research in six languages to sweep readers through thirty four nations and sixty years of political and cultural change all in one integrated enthralling narrative Both intellectually ambitious and compelling to read thrilling in its scope and delightful in its small details Postwar is a rare joy **Mapping Russia's Natural Focal Diseases** Svetlana

Malkhazova, Varvara Mironova, Natalia Shartova, Dmitry Orlov, 2018-10-24 This book is the first scientific publication on diseases caused by agents circulating in natural environments independently from humans covering the whole territory of the Russian Federation It contains diverse and multifaceted information both in textual and cartographic form The book focuses on the historical and current distribution of natural focal diseases in Russia epidemiological aspects natural and socio economic determinants conducting natural foci With a series of maps this book depicts population morbidity rates in particular regions and on a national level for the 21st century With numerous color illustrations this book appeals to a wide audience and is of particular interest to geographers environmental workers epidemiologists and other specialists interested in environmental and public health issues *Late Stalinist Russia* Juliane Fürst, 2006-09-27 With cutting edge research and

contributions from top scholars the late Stalinist period is thoroughly explored in this impressive work It explores a wide range of aspects of late Stalinist society focusing on the experience of the Soviet people and their interaction with ideology state policy and national and international politics *Western Germany* Alfred Grosser, 2021-11-21 This book first published in 1955 examines the total economic political and social breakdown that Germany suffered in the last year of the Second World War and in its immediate aftermath and the beginnings of the recovery in the Western half of the now divided nation The process of denazification is analysed as are the policies of the occupying powers and the subsequent political stability and economic expansion **Britain in the Twentieth Century** Charles More, 2014-05-22 In a century of rapid social

change the British people have experienced two world wars the growth of the welfare state and the loss of Empire Charles More looks at these and other issues in a comprehensive study of Britain's political economic and social history throughout the twentieth century This accessible new book also engages with topical questions such as the impact of the Labour party and the role of patriotism in British identity

Russia The Post War Years Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia The Post War Years has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia The Post War Years has opened up a world of possibilities. Downloading Russia The Post War Years provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia The Post War Years has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia The Post War Years. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia The Post War Years. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia The Post War Years, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia The Post War Years has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
