Russia, the Soviet Union and the United States Distinguished Professor of History and Director of the Contemporary History Institute John Lewis Gaddis, 1978-01-01 **Russia, the Soviet Union, and the United States: an Interpretive History. Second Edition** John Lewis Gaddis, 1990 *russia, the soviet union, and the united states: an interpretive history* john lewis gaddis, 1978

The First Cold Warrior Elizabeth Spalding, 2006-05-26 From the first days of his unexpected presidency in April 1945 through the landmark NSC 68 of 1950 Harry Truman was central to the formation of America's grand strategy during the Cold War and the subsequent remaking of U S foreign policy Others are frequently associated with the terminology of and responses to the perceived global Communist threat after the Second World War Walter Lippmann popularized the term cold war and George F Kennan first used the word containment in a strategic sense Although Kennan Secretary of State Dean Acheson and Secretary of Defense George C Marshall have been seen as the most influential architects of American Cold War foreign policy The First Cold Warrior draws on archives and other primary sources to demonstrate that Harry Truman was the key decision maker in the critical period between 1945 and 1950 In a significant reassessment of the thirty third president and his political beliefs Elizabeth Edwards Spalding contends that it was Truman himself who defined and articulated the theoretical underpinnings of containment His practical leadership style was characterized by policies and institutions such as the Truman Doctrine the Marshall Plan NATO the Berlin airlift the Department of Defense and the National Security Council Part of Truman's unique approach shaped by his religious faith and dedication to anti communism was to emphasize the importance of free peoples democratic institutions and sovereign nations With these values he fashioned a new liberal internationalism distinct from both Woodrow Wilson's progressive internationalism and Franklin D Roosevelt's liberal pragmatism which still shapes our politics Truman deserves greater credit for understanding the challenges of his time and for being America's first cold warrior This reconsideration of Truman's overlooked statesmanship provides a model for interpreting the international crises facing the United States in this new era of ideological conflict

The Rise of Nations in the Soviet Union Council on Foreign Relations, 1991 In this collection of essays five experts on the Soviet Union describe the disintegration of the Soviet empire and its implications for American policy It begins with a historical overview of the multinational character of Russia and the Soviet Union with special attention to the similarities and differences between the present moment and the years immediately following the revolution of 1917 Other essays assess the strength of nationalism in the Soviet West the Baltics the Slavic republics of Belorussia Ukraine and Russia and Moldova and the Soviet South including Armenia Azerbaijan Georgia and the five largely Muslim republics of Central Asia Kazakhstan Uzbekistan Tajikistan Turkmenistan and Kirghizia The volume concludes with a

look at the issues that the upheaval in the 15 republics presents for U S foreign and security policy ISBN 0 87609 100 1 pbk 14 95 Historical Dictionary of U.S. Diplomacy during the Cold War Martin Folly,2014-11-13 This Historical Dictionary of U S Diplomacy during the Cold War offers readers a comprehensive accessible survey of the principal actors and events involved in the making of United States foreign policy during a crucial period in the nation s history The Cold War saw the United States acquire superpower status and to be closely involved in events around the globe Foreign policy became a central issue in domestic politics The confrontations with the Union of Soviet Socialist Republics and its allies and satellites and with the forces of international communism dominated U S interactions with the world throughout this period This book covers this turbulent period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on key persons policies events institutions and organizations along with issues such as the division of Germany after World War II the creation of the People s Republic of China European economic recovery communist movements in the third worlds decolonization the Vietnam War and the nuclear arms race This book is an excellent access point for students researchers and anyone wanting to know more about U S diplomacy during the cold war *A History of Russia Volume 1* Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists *The Oxford Encyclopedia of American Military and Diplomatic History* Timothy J. Lynch,2013 Entries written by renowned diplomatic and military historians as well as key scholars in international relations Provides assessments and analyses of key episodes issues and actors in the military and diplomatic history of the United States Based on the award winning Oxford Companion to United States History Comprehensive collection of entries that span the founding of the U S to its present state Offers a wide range of perspectives to provide an encompassing context of the United States military and diplomatic legacies Expansive bibliographies and suggested readings for each article to aid in research The Oxford Encyclopedia of American Military and Diplomatic History a two volume set will offer both assessment and analysis of the key episodes issues and actors in the military and diplomatic history of the United States At a time of war in which ongoing efforts to recalibrate American diplomacy are as imperative as they are perilous the Oxford Encyclopedia will present itself as the first recourse for scholars wishing to deepen their understanding of the crucial features of the historical and contemporary foreign policy landscape and its perennially martial components Entries will be written by the top diplomatic and military historians and key scholars of international relations from within the American academy supplemented as is appropriate for an encyclopedia

of diplomacy with entries from foreign based academics in the United Kingdom and elsewhere The crucial importance of the subject is reflected in the popularity of university courses dedicated to diplomatic and military history and the enduring appeal of international relations IR as a political science discipline drawing on both The Oxford Encyclopedia will be a basic reference tool across both disciplines a potentially very significant market Readership University level undergraduate and graduate students in History

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

FDR and the Soviet Union Mary E. Glantz, 2005 Throughout his presidency Franklin Roosevelt was determined to pursue a peaceful accommodation with an increasingly powerful Soviet Union an inclination reinforced by the onset of world war Roosevelt knew that defeating the Axis powers would require major contributions by the Soviets and their Red Army and so despite his misgivings about Stalin's expansionist motives he pushed for friendlier relations Yet almost from the moment he was inaugurated lower level officials challenged FDR's ability to carry out this policy Mary Glantz analyzes tensions shaping the policy stance of the United States toward the Soviet Union before during and immediately after World War II Focusing on the conflicts between a president who sought close relations between the two nations and the diplomatic and military officers who opposed them she shows how these career officers were able to resist and shape presidential policy and how their critical views helped shape the parameters of the subsequent Cold War Venturing into the largely uncharted waters of bureaucratic politics Glantz examines overlooked aspects of wartime relations between Washington and Moscow to highlight the roles played by U S personnel in the U S S R in formulating and implementing policies governing the American Soviet relationship She takes readers into the American embassy in Moscow to show how individuals like Ambassadors Joseph Davies Lawrence Steinhardt and Averell Harriman and U S military attaches like Joseph Michela influenced policy and reveals how private resistance sometimes turned into public dispute She also presents new material on the controversial military attach lend lease director Phillip Faymonville a largely neglected officer who understood the Soviet system and supported Roosevelt's policy Deftly combining military with diplomatic history Glantz traces these philosophical and policy battles to show how difficult it was for even a highly popular president like Roosevelt to overcome such entrenched and determined opposition Although he reorganized federal offices and appointed ambassadors who shared his views in the end he was unable to outlast his bureaucratic opponents or change their minds With his death

anti Soviet factions rushed into the policymaking vacuum to become the primary architects of Truman's Cold War containment policy. A case study in foreign relations, high level policymaking and civil military relations, FDR and the Soviet Union enlarges our understanding of the ideologies and events that set the stage for the Cold War. It adds a new dimension to our understanding of Soviet-American relations as it sheds new light on the surprising power of those in low places. Guide to U.S. Foreign Policy Robert J. McMahon, Thomas W. Zeiler, 2012-08-02. At no time in American history has an understanding of the role and the art of diplomacy in international relations been more essential than it is today. Both the history of U.S. diplomatic relations and the current U.S. foreign policy in the twenty-first century are major topics of study and interest across the nation and around the world. Spanning the entire history of American diplomacy from the First Continental Congress to the war on terrorism to the foreign policy goals of the twenty-first century, Guide to U.S. Foreign Policy traces not only the growth and development of diplomatic policies and traditions but also the shifts in public opinion that shape diplomatic trends. This comprehensive two-volume reference shows how the United States gained the strength of a giant and also analyzes key world events that have determined the United States' changing relations with other nations. The two volumes' structure makes the key concepts and issues accessible to researchers. The set is broken up into seven parts that feature 40 topical and historical chapters in which expert writers cover the diplomatic initiatives of the United States from colonial times through the present day. Volume II's appendix showcases an A to Z handbook of diplomatic terms and concepts, organizations, events, and issues in American foreign policy. The appendix also includes a master bibliography and a list of presidents, secretaries of state, war and defense, and national security advisers and their terms of service. This unique reference highlights the changes in U.S. diplomatic policy as government administrations and world events influenced national decisions. Topics include imperialism, economic diplomacy, environmental diplomacy, foreign aid, wartime negotiations, presidential influence, NATO and its role in the twenty-first century, and the response to terrorism. Additional featured topics include the influence of the American two-party system, the impact of U.S. elections, and the role of the United States in international organizations. Guide to U.S. Foreign Policy is the first comprehensive reference work in this field that is both historical and thematic. This work is of immense value for researchers, students, and others studying foreign policy, international relations, and U.S. history.

ABOUT THE EDITORS Robert J. McMahon is the Ralph D. Merison Professor of History in the Merison Center for International Security Studies at The Ohio State University. He is a leading historian of American diplomatic history and is author of several books on U.S. foreign relations. Thomas W. Zeiler is professor of history and international affairs at the University of Colorado at Boulder and is the executive editor of the journal *Diplomatic History*.

Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989. Imagining America Alan M. Ball, 2004-09-09. In *Imagining America*, historian Alan M. Ball explores American influence in two newborn Russian states: the young Soviet Union and the modern Russian Republic. Ball deftly illustrates how in each era Russians have approached the United States with a

conflicting mix of ideas as a land to admire from afar to shun at all costs to emulate as quickly as possible or to surpass on the way to a superior society Drawing on a wide variety of sources including contemporary journals newspapers films and popular songs Ball traces the shifting Russian perceptions of American cultural social and political life As he clearly demonstrates throughout their history Russian imaginations featured a United States that political figures and intellectuals might embrace exploit or attack but could not ignore

Crucible of Power Howard Jones, 2009 Employing a narrative approach that uncovers the tangled and often confusing nature of foreign affairs *Crucible of Power* focuses on the personalities security interests and post war Cold War tendencies behind the formulation and implementation of U S foreign policy since 1945 The book includes updated coverage of the Bush administration s foreign policy with particular emphasis on the Middle East Selections from key foreign policy documents appear in each chapter

The United States and the End of the Cold War John Lewis Gaddis, 1992 Provides new interpretations of American style in foreign policy

Massacres and Morality Alex J. Bellamy, 2012-09-27 Most cultural and legal codes agree that the intentional killing of civilians whether in peacetime or war is prohibited Yet despite this fact the deliberate killing of large numbers of civilians remains a persistent feature of global political life

Russian-American Dialogue on Cultural Relations, 1776-1914 Norman E. Saul, Richard D. McKinzie, 1997 Russian American Dialogue on Cultural Relations 1776 1914 the third volume in the Russian American Dialogues series provides English translations of the best Russian scholarship on cultural relations Each essay originally appeared as an article in the former Soviet Union Five issues are discussed the contributions that each country made to the cultural life of the other the correspondence and interactions between scientists writers and others from the two nations the development of public perceptions and how these changed over time the American focus in Russian periodicals during the nineteenth century and the significant roles of Russians and the Russian presence in American history The Russian articles on each of these subjects are followed by comments from American historians The articles by the Russian scholars make extensive use of and liberally cite material from Russian archives and publications As a result they provide American readers with new scientific exchanges personalities and points of view The result is a plethora of new material for Western historians of Russia as well as of the United States The book provides an opportunity for scholars to examine more thoroughly the relevant issues of Russian American cultural relations An important scholarly contribution *Russian American Dialogue on Cultural Relations 1776 1914* brings a new dimension to the relationship between the United States and Russia before 1914 It will be of interest not only to historians of this period but to all historians and students of international cultural relations

Entangled East and West Simo Mikkonen, Giles Scott-Smith, Jari Parkkinen, 2018-12-17 Despite increasing scholarship on the cultural Cold War focus has been persistently been fixed on superpowers and their actions missing the important role played by individuals and organizations all over Europe during the Cold War years This volume focuses on cultural diplomacy and artistic interaction between Eastern and Western Europe after 1945 It aims at

providing an essentially European point of view on the cultural Cold War providing fresh insight into little known connections and cooperation in different artistic fields Chapters of the volume address photography and architecture popular as well as classical music theatre and film and fine arts By examining different actors ranging from individuals to organizations such as universities the volume brings new perspective on the mechanisms and workings of the cultural Cold War Finally the volume estimates the pertinence of the Cold War and its influence in post 1991 world The volume offers an overview on the role culture played in international politics as well as its role in the Cold War more generally through interesting examples and case studies

Russia The Soviet Union And The United States An Interpretive History Introduction

In today's digital age, the availability of Russia The Soviet Union And The United States An Interpretive History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia The Soviet Union And The United States An Interpretive History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia The Soviet Union And The United States An Interpretive History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia The Soviet Union And The United States An Interpretive History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia The Soviet Union And The United States An Interpretive History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia The Soviet Union And The United States An Interpretive History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia The Soviet Union And The United States An Interpretive History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia The Soviet Union And The United States An Interpretive History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia The Soviet Union And The United States An Interpretive History books and manuals for download and embark on your journey of knowledge?
