Russian Poets and Poems Nadine Jarintzov,1917      Russia Under the Last Tsar Theofanis G. Stavrou,1969 The reign of Russia's last tsar Nicholas II from 1894 to 1917 constitutes a period of continuing controversy among historians. **Penguin Book of Russian Poetry** Robert Chandler, Irina Mashinski, Boris Dralyuk, 2015-02-26 An enchanting collection of the very best of Russian poetry edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski. In the late eighteenth and early nineteenth centuries poetry's pre-eminence in Russia was unchallenged with Pushkin and his contemporaries ushering in the Golden Age of Russian literature. Prose briefly gained the high ground in the second half of the nineteenth century but poetry again became dominant in the Silver Age of the early twentieth century when belief in reason and progress yielded once more to a more magical view of the world. During the Soviet era poetry became a dangerous subversive activity; nevertheless poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors. This anthology traces Russian poetry from its Golden Age to the modern era, including work by several great poets: Georgy Ivanov and Varlam Shalamov among them, in captivating modern translations by Robert Chandler and others. The volume also includes a general introduction, chronology, and individual introductions to each poet. Robert Chandler is an acclaimed poet and translator. His many translations from Russian include works by Aleksandr Pushkin, Nikolay Leskov, Vasily Grossman, and Andrey Platonov, while his anthologies of Russian Short Stories from Pushkin to Bulgakov and Russian Magic Tales are both published in Penguin Classics. Irina Mashinski is a bilingual poet and co-founder of the StoSvet literary project. Her most recent collection is 2013's *Ophelia's Masterstroke*. Ophelia and the Trowel. Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian, including most recently Isaac Babel's *Red Cavalry*. 2014

Maximilian Voloshin's Poetic Legacy and the Post-Soviet Russian Identity M. Landa, 2015-06-10 Famed and outspoken Russian poet Maximilian Voloshin's notoriety has grown steadily since his slow release from Soviet censorship. For the first time, Landa showcases his vast poetic contributions, proving his words to be an overlooked solution both to the political and cultural turmoil engulfing the Soviet Union in the early twentieth century. *Rereading Russian Poetry* Stephanie

Sandler, 1999-01-01 Russia's poets hold a special place in Russian culture, perhaps revealing more about their country than poets within any other nation. In this unique and wide-ranging collection of writings on poets and poetic trends in Russia, contributors from the United States, Britain, and Russia examine the place of poetry in Russian culture. Through a variety of critical approaches, these scholars, translators, and poets consider a broad cross-section of Russian poets from Pushkin to Brodsky, Shvarts, and Kibirov. **By Authors Possessed** Adam Weiner, 1998 *By Authors Possessed* examines the

development of the demonic in key Russian novels from the last two centuries. Defining the demonic novel as one that takes

as its theme an evil presence incarnated in the protagonists and attributed to the Judeo Christian Devil Adam Weiner investigates the way the content of such a book can compromise the moral integrity of its narration and its sense of authorship Weiner contends that the theme of demonism increasingly infects the narrative point of view from Gogol's *Dead Souls* to Dostoevsky's *The Devils* and Bely's *Petersburg* until Nabokov exorcised the demonic novel through his fiction and his criticism Starting from the premise that artistic creation has always been enshrouded in a haze of moral dilemma and religious doubt Weiner's study of the demonic novel is an attempt to illuminate the potential ethical perils and aesthetic gains of great art

*Islam, Nationalism, and 1000 Years of European Poetry* David Aberbach, 2025-08-29 *Islam Nationalism and 1000 Years of European Poetry* considers the long history of Islam and European poetry and its central importance in the development of European culture David Aberbach offers a panoramic history of European poetry as it was affected by the centuries long conflict between Islam and Christianity from the early medieval Old French *chanson de geste* *The Song of Roland* set against the Muslim invasion of France in the eighth century to *Fishta's The Highland Lute* the early twentieth century Albanian epic of the struggle for independence from Ottoman rule achieved in 1912 Aberbach surveys some of the outstanding poetry set against Islamic conquests and domination particularly in Spain and the Balkans The book includes detailed comparisons between medieval and modern Arabic and Hebrew poetry closely linked in technique and subject matter but moving apart after 1789 A result of constant religious warfare in Europe was disillusionment with religion increasing focus on humanistic concerns and the evolution of a secular State separate from religion This captivating history of Islam and European poetry will be of great interest to any scholars of nationalism Jewish and Islamic Studies history comparative literature and cultural studies

*Russian Heroic Poetry*, 1932 *Publishing in Tsarist Russia* Yukiko Tatsumi, Taro Tsurumi, 2020-02-20 According to Benedict Anderson the rapid expansion of print media during the late 1700s popularised national history and standardised national languages thus helping create nation states and national identities at the expense of the old empires *Publishing in Tsarist Russia* challenges this theory and by examining the history of Russian publishing through a transnational lens reveals how the popular press played an important and complex Imperial role while providing a soft infrastructure which the subjects could access to change Imperial order As this volume convincingly argues this is because the Russian language at this time was a *lingua franca* it crossed borders and boundaries reaching speakers of varying nationalities Russian publications then were able to effectively operate within the structure of Imperialism but as a public space they went beyond the control of the Tsar and ethnic Russians This exciting international team of scholars provide a much needed fresh take on the history of Russian publishing and contribute significantly to our understanding of print media language and empire from the 18th to 20th centuries *Publishing in Tsarist Russia* is therefore a vital resource for scholars of Russian history comparative nationalism and publishing studies

*National Poetry, Empires and War* David Aberbach, 2016-09-13 Nationalism has given the world a genre of poetry bright with ideals of justice freedom and the brotherhood of man but also at times burning with humiliation and grievance hatred and lust for revenge driving human kind as the Austrian poet Grillparzer put it From humanity via nationality to bestiality National Poetry Empires and War considers national poetry and its glorification of war from ancient to modern times in a series of historical social and political perspectives Starting with the Hebrew Bible and Homer and moving through the Crusades and examples of subsequent empires this book has much on pre modern national poetry but focuses chiefly on post 1789 poetry which emerged from the weakening and collapse of empires as the idealistic liberalism of nationalism in the age of Byron Whitman D Annunzio Yeats Bialik and Kipling was replaced by darker purposes culminating in World War I and the rise of fascism Many national poets are the subject of countless critical and biographical studies but this book aims to give a panoramic view of national poetry as a whole It will be of great interest to any scholars of nationalism Jewish Studies history comparative literature and general cultural studies

*Silver Age and After: Repressed Russian Poets, Artists and Philosophers during the Soviet Period* Roberto Echavarren, 2024-09-17 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin s and Stalin s reign of terror are far less known because they took place behind a wall of secrecy and because survivors have been loath to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of poets artists musicians and philosophers and intellectual actors implicated in different aspects of Russian life roughly through the period 1900 1960 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG I deal with the poets in several chapters then theater directors then composers then philosophers these both in the introduction and in the play at the end of the book Besides the Prologue and Introduction the reader will find an Index of historical names plus an extensive Bibliography The work can be used for reference for classroom adoption for researchers practitioners of Russian Literature Political Studies Slavic Studies and Russian History

*Bialik, the Hebrew Bible and the Literature of Nationalism* David Aberbach, 2023-05-25 This book explores the life and poetry of Chaim Nachman Bialik 1873 1934 in the context of European national literature between the French Revolution and World War I showing how he helped create a modern

Hebrew national culture spurring the revival of Hebrew as a spoken language The author begins with Bialik's background in the Tsarist Empire contextualizing Jewish powerlessness in Eastern Europe in the late nineteenth century As European anti-Semitism grew Bialik emerged at the vanguard of a modern Hebrew national movement building on ancient biblical and rabbinic tradition and speaking to Jewish concerns in neo prophetic poems love poems poems for children and folk poems This book makes accessible a broad but representative selection of Bialik's poetry in translation Alongside this a variety of national poets are considered from across Europe including Solomos in Greece Mickiewicz in Poland Shevchenko in Ukraine Njego in Serbia Pet fi in Hungary and Yeats in Ireland Aberbach argues that Bialik as Jewish national poet cannot be understood except in the dual context of ancient Jewish nationalism and modern European nationalism both political and cultural Written in clear and accessible prose this book will interest those studying modern European nationalism Hebrew literature Jewish history and anti-Semitism

**The Russian Mind Since Stalin's Death** Yuri Glazov, 2012-12-06 I have been working on this book since leaving Russia in April of 1972 It was my wish to write this book in English and there were what seemed to me to be serious reasons for doing so In recent years there has appeared a wealth of literature in Russian about Russia As a rule this literature has been published outside the USSR by authors who still live in the Soviet Union or who have only recently left it A fair amount of important literature is being translated into English but I believe it will be read mainly by specialists in Russian studies or by those who have a great interest in the subject already The majority of Russian authors write of course for the Russian reader or for an imagined Western public It is my feeling that Russian authors have serious difficulties in understanding the mentality of Westerners and that there still exists a gap between the visions of Russians and non Russians I have made my humble attempt to bridge this gap and I will be happy if I am even partly successful The Russian world is indeed fascinating Many people who visit Russia for a few days or weeks find it a country full of historical charm fantastic architecture and infinite mystery For many inside the country especially for those in conflict with the Soviet authorities

*Recollections* Ivan Bunin, 2024-07-15 In this edited translation of famed writer Ivan Bunin's *Recollections* translator Thomas Gaiton Marullo provides an intimate look at leading political social cultural and literary figures from late imperial Russia through the First World War and the revolutions of 1905 and 1917 to the birth of the Russian diaspora and the rise of the Soviet state Through engaging colorful and often idiosyncratic vignettes Bunin 1870-1953 details his admiration for Leo Tolstoy Anton Chekhov Sergei Rachmaninov and Fyodor Chaliapin He shares his love hate relationships with Maxim Gorky Alexei Tolstoy and Alexander Kuprin In addition Marullo's translation reveals Bunin's hatred of avant gardists particularly Vladimir Mayakovsky as well as his thoughts and experiences on war revolution and exile Bunin's work led in the end to his bittersweet reception of the Nobel Prize in Literature 1933 in Stockholm making him the first Russian and the first writer in exile ever to receive this award *Recollections* reveals the author's feelings toward this unprecedented event Bunin's *Recollections* stands not only as a stark summa of his passage through literature and life but

also as an equally bold apologia as to his place in both
