A Book of Russian Idioms Illustrated M. I. Dubrovin, 2014-05-23 A Book of Russian Idioms Illustrated highlights the role of Russian idioms in the historical development of the Russian language and how mastery of these idioms can bring about deeper understanding of the language The book identifies the types of idioms that are discussed and then states that phraseological fusions are word combinations whose meaning cannot be deduced from the meaning of their elements while phraseological unities are word combinations whose meaning are partly dependent on the connotation of their individual words The idioms are arranged alphabetically as units and each entry is composed of a Russian idiom with its transliteration literal translation and explanation English equivalents are also provided The text underscores the use of pictures to depict the meaning of idioms and to illustrate their real meanings The illustrations are presented in a humorous manner showing the influence of humor in Russian idioms The manuscript notes that Russian idioms are greatly of popular origin hence they practically deal with human relations The book is a vital reference for English speaking students of the Russian language who are familiar with the essentials of Russian grammar and basic Russian vocabulary Russian-English Dictionary of Idioms, Revised Edition Sophia Lubensky, 2013-01-01 This is the most innovative comprehensive and scholarly bilingual dictionary of Russian idioms available today It includes close to 14 000 idioms set expressions and sayings found in contemporary colloquial Russian and in literature from the nineteenth century to the present The Russian idioms are provided with many English equivalents to render idioms in various contexts Illustrative examples are cited to show how the idioms are used in context Each entry also contains a grammatical description of the idiom a definition an innovative feature for a bilingual dictionary and stylistic and usage information A most notable part of the work is the alphanumeric index that makes finding the right expression very easy

Proceedings of the 2024 3rd International Conference on Social Sciences and Humanities and Arts (SSHA 2024) Mohd Fauzi bin Sedon, Intakhab Alam Khan, Mehmet Cüneyt Birkök, KinSun Chan, 2024-06-20 This is an open access book With the progress of social civilization social science and its research are becoming more and more important Theoretically and practically the study of social phenomena and social problems and the development of prosperous social sciences are the eternal themes of human beings At present social science research and its results can hardly meet the needs of social development especially the unscientific evaluation of social science results which has aroused great concern from all walks of life and has produced dirt and questions on social science thus affecting the proper development of social science Max Weber once said that the most important function of social science in modern times is to keep people clear headed and to resist the delusions of prophetic legislators Humanities and arts are the process of perceiving realizing thinking manipulating and expressing objective or subjective objects through capturing and excavating feeling and analyzing integrating and applying or displaying the stage results in the form obtained through feeling seeing hearing smelling

touching The social sciences and humanities and arts contain content that will directly affect our lives and the way society functions And by reacting to today s increasingly intricate problems and situations through systematic and professional discussions they will further contribute to the improvement of institutions and the development of society By thinking about issues and looking at problems and the world from different perspectives by putting the two together it may be possible to have more comprehensive appropriate and better responses for example the development of laws requires a deeper understanding of the environment in which they are implemented international trade requires a certain understanding of the customs of different countries and the development of tax and economic policies requires a certain understanding of the population consumer demand etc
