Russian Presidency Society And Politics In The Second Russian Republic

Zoltan D. Barany, Robert G. Moser

Russian Presidency Society And Politics In The Second Russian Republic:

The Russian Presidency T. Nichols, 2015-12-22 Why has Russian democracy apparently survived and even strengthened under a presidential system when so many other presidential regimes have decayed into authoritarian rule And what are the origins of presidential power in modern Russia Thomas M Nichols argues that the answer lies in the relationship between political institutions and trust where society and consequently politics is fractious and divided structural safeguards inherent in presidentialism actually serve to strengthen democratic behavior The Russian presidency is not the cause of social turmoil in Russia but rather a successful response to it This book s emphasis on the social origins of Russian politics explains not only the unexpected survival of Russian democracy but encourages a reconsideration of the relationship between institutions social conditions and democracy *The Russian Presidency* Thomas M. Nichols, 1999 Why has Russian democracy apparently survived and even strengthened under a presidential system when so many other presidential regimes have decayed into authoritarian rule And what are the origins of presidential power in modern Russia Thomas M Nichols argues that the answer lies in the relationship between political institutions and trust where society and consequently politics is fractious and divided structural safeguards inherent in presidentialism actually serve to strengthen democratic behaviour The Russian presidency is not the cause of social turmoil in Russia but rather a successful response to it This book s emphasis on the social origins of Russian politics explains not only the unexpected survival of Russian democracy but encourages a reconsideration of the relationship between institutions social conditions and democracy [Russian Politics and Presidential Power](#) Donald R. Kelley, 2016-10-05 [Russian Politics and Presidential Power](#) takes an in depth look at the Russian presidency and uses it as a key to understanding Russian politics Donald R Kelley looks at presidents from Gorbachev to Putin as authoritarian transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place And by setting the presidency within a longer historical context Kelley shows how the future of the presidency is dependent on other features of the political system *Russian Politics and Society* Richard Sakwa, 2020-08-16 Fully revised and updated to reflect the considerable changes in Russia over the last decade the fifth edition of this classic text builds on the strengths of previous editions to provide a comprehensive and sophisticated analysis of Russian politics and society The new edition incorporates the latest debates about Russian politics analysing recent institutional and political developments and examines the electoral cycle and prospects of the president elected at the end of the process New to this edition an evaluation of Putin s leadership and the country s political performance under him updated election results and demographic social ethnic national statistics to include results of the 2010 census changes in the party system to electoral legislation and to the composition of parliament as well as the relationship between the executive and legislature coverage of the constitutional changes and governmental

appointments under the various prime ministers more analysis of economic performance including discussion of the energy sector and pipeline politics changes in Russian foreign policy since EU enlargement its relationship with NATO since the reset as well as its relations with post Soviet states assessment of the military reforms and security and defence policy debates over the question of democracy in Russia today the nature of the system and its future prospects Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation An unrivalled textbook on the subject it is essential reading for all those concerned with the fate of Russia and with the future of international society **Routledge Handbook of Russian Politics and Society** Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook of Russian Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

Developments in Russian Politics 5 Stephen White, Alex Pravda, Zvi Y. Gitelman, 2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to *Developments in Russian Politics 5* describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia's continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world's largest country *The State After Communism* Timothy J. Colton, Stephen Holmes, 2006 The Soviet dictatorship was a strong state committed to dominating and transforming society in the name of a utopian ideology When the communist regime crumbled and the post Soviet countries committed to democracy most observers took for granted that their state structures would be effective agents of the popular will Russia's experience

demonstrates that this assumption was overly optimistic This book based on a major collaborative research project with American and Russian scholars shows that state capacity strength and coherence were highly problematic after communism which had major consequences for particular functions of government and for the entire process of regime change Eleven respected contributors examine governance in post Soviet Russia in comparative context investigating the roots characteristics and consequences of the crisis as a whole and its manifestations in the specific realms of tax collection statistics federalism social policy regulation of the banks currency exchange energy policy and parliamentary oversight of the bureaucracy Slavic Review ,2002 American quarterly of Soviet and East European studies varies *The 1999-2000 Elections in Russia* Vicki L. Hesli,William M. Reisinger,2003-08-18 Sample Text Private and Civil Law in the Russian Federation William Bradford Simons,2009 The chapters in this volume are from two Leiden conferences There distinguished scholars and practitioners from Russia and the Far Abroad measured the winds of change in the field of private law in post Soviet Russia enormous differences from the Soviet period crucial in supporting post Soviet changes toward freedom of choice in the marketplaces of goods services ideas and political institutions This volume will enable the reader to further chart the progress made in Russia and the region in the revitalization of private and civil law and its impact upon practice and comparative legal studies and to appreciate the role which the distinction between the public and private sectors is seen as playing in the process **The Transition to National Armies in the Former Soviet Republics, 1988-2005** Jesse Paul Lehrke,2013-01-03 This book looks at the militaries of the late Soviet and post Soviet republics Beginning with the end of the Soviet era it recognises that the successor states did not spring from nowhere but inherited a legacy that influenced all that followed The book discusses how politicians control the instruments that are the manifestation of the state s monopoly on violence and how society views and supports the military By taking a bottom up empirical approach that examines the personnel leaders organisations and institutions and their outlook and attitudes the book presents a comprehensive picture of the armed forces showing how the armed forces are very significantly shaped by the surrounding political and social environment The book goes on to examine the armed forces in action and highlights that to truly understand the militaries studies need to go beyond looking at the static structures **Russia's Regions and Comparative Subnational Politics** William Mark Reisinger,2013 Subnational political units are growing in influence in national and international affairs drawing increasing scholarly attention to politics beyond national capitals In this book leading Russian and Western political scientists contribute to debates in comparative politics by examining Russia s subnational politics Beginning with a chapter that reviews major debates in theory and method this book continues to examine Russia s 83 regions exploring a wide range of topics including the nature and stability of authoritarian regimes federal politics political parties ethnic conflict governance and inequality in a comparative perspective Providing both qualitative and quantitative data from 20 years of original research the book draws on elite interaction public opinion and the role of institutions regionally in the post Soviet

years The regions vary on a number of theoretically interesting dimensions while their federal membership provides control for other dimensions that are challenging for globally comparative studies The authors demonstrate the utility of subnational analyses and show how regional research can help answer a variety of political questions providing evidence from Russia that can be used by specialists on other large countries or world regions in cross national scholarship Situated within broader theoretical and methodological political science debates this book will be of interest to students and scholars of Russian politics comparative politics regionalism and subnational politics

Global Studies: Russia, the Eurasian Republics and Central/Eastern Europe Minton Goldman, 2007-03-13 Our GLOBAL STUDIES Series provides students with comprehensive background and current information shaping regional cultures and countries of the world today Each volume features country report essays and maps as well as relevant articles from world wide publications Visit our website for more information and a complete listing of titles www.mhcls.com/globalstudies

Russian Politics Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia's decade old post communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era elections executive legislative relations interactions between the central state and the regions economic reforms and civil military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites failure to develop robust political institutions has been a central problem of Russia's post communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature the frail infrastructure for successful market reform and the absence of proper civilian control over the armed forces

Television and Presidential Power in Putin's Russia Tina Burrett, 2010-12-14 As a new president takes power in Russia this book provides an analysis of the changing relationship between control of Russian television media and presidential power during the tenure of President Vladimir Putin It argues that the conflicts within Russia's political and economic elites and President Putin's attempts to rebuild the Russian state after its fragmentation during the Yeltsin administration are the most significant causes of changes in Russian media Tina Burrett demonstrates that President Putin sought to increase state control over television as part of a larger programme aimed at strengthening the power of the state and the position of the presidency at its apex and that such control over the media was instrumental to the success of the president's wider systemic changes that have redefined the Russian polity The book also highlights the ways in which oligarchic media owners in Russia used television for their own political purposes and that media manipulation was not the exclusive preserve of the Kremlin but a common pattern of behaviour in elite struggles in the post Soviet era Basing its analysis predominately on interviews with key players in the Moscow media and political elites and on secondary sources

drawn from the Russian and Western media the book examines broad themes that have been the subject of constant media interest and have relevance beyond the confines of Russian politics *Modernisation in Russia since 1900* Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial problems and the challenges and prospects for contemporary Russia **Russia, America and the Islamic World** Mike

Bowker, 2016-04-08 During the Soviet period Islam was largely ignored in Moscow and viewed as a bourgeois phenomenon which would fade over time Nowadays from the ongoing conflict in Chechnya to recent upheavals in Kyrgyzstan and Uzbekistan Islamic militancy has become a major security threat to Russia Mike Bowker examines the newly emerging relationship between Russia and the United States and their struggle against the common threat of international terrorism He looks at the difficulties of such a relationship by analyzing the lingering mutual suspicion differing views on the nature of the global terrorist threat and how each side has continued to pursue their own national interests Students and scholars of international relations and Russian foreign policy will find this book particularly useful **Russia's Bitter Path to**

Modernity Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia *The Fragile Empire* One of the key factors to Russia s distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia s Soviet development within Russia s own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist

and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states **IBSS** Compiled by the British Library of Political and Economic Science,2001 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences Russia and Ukraine Maria Popova,Oxana Shevel,2023-11-08 In February 2022 Russian missiles rained on Ukrainian cities and tanks rolled towards Kyiv to end Ukrainian independent statehood President Zelensky declined a Western evacuation offer and Ukrainians rallied to defend their country What are the roots of this war which has upended the international legal order and brought back the spectre of nuclear escalation How did these supposedly brotherly peoples become each other's worst nightmare In *Russia and Ukraine Entangled Histories Diverging States* Maria Popova and Oxana Shevel explain how since 1991 Russia and Ukraine diverged politically ending up on a collision course Russia slid back into authoritarianism and imperialism while Ukraine consolidated a competitive political system and pro European identity As Ukraine built a democratic nation state Russia refused to accept it and came to see it as an anti Russia project After political and economic pressure proved ineffective and even counterproductive Putin went to war to force Ukraine back into the fold of the Russian world Ukraine resisted determined to pursue European integration as a sovereign state These irreconcilable goals rather than geopolitical wrangling between Russia and the West over NATO expansion are the authors argue essential to understanding Russia's war on Ukraine

Russian Presidency Society And Politics In The Second Russian Republic Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Presidency Society And Politics In The Second Russian Republic free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Presidency Society And Politics In The Second Russian Republic free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Presidency Society And Politics In The Second Russian Republic free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Presidency Society And Politics In The Second Russian

Republic. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Presidency Society And Politics In The Second Russian Republic any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Presidency Society And Politics In The Second Russian Republic Books
