Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War:

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

European Dictatorships 1918-1945 Stephen J. Nation Melissa Kirschke Stockdale, 2016-12-13 The First World War had a devastating impact on the Russian state yet relatively little is known about the ways in which ordinary Russians experienced and viewed this conflict Melissa Kirschke Stockdale presents the first comprehensive study of the Great War's influence on Russian notions of national identity and citizenship Drawing on a vast array of sources the book examines the patriotic and nationalist organizations which emerged

during the war the role of the Russian Orthodox Church the press and the intelligentsia in mobilizing Russian society the war's impact on the rights of citizens and the new democratized ideas of Russian nationhood which emerged both as a result of the war and of the 1917 revolution Russia's war experience is revealed as a process that helped consolidate in the Russian population a sense of membership in a great national community rather than being a test of patriotism which they failed

Intelligentsia and Revolution Jane Burbank, 1989-01-12 Over the five years following the Russian revolution of 1917 there occurred a brilliant outburst of theory and criticism among Russian intellectuals struggling to comprehend their country's vast social upheaval Much of their intense speculation focused on issues that are still hotly debated Was this socialism Why had the revolution happened in Russia What did Bolshevik power mean for Russia and the Western world This compelling study recovers these early responses to 1917 and analyzes the specific ideological context out of which they emerged Jane Burbank explores the ideas and experiences of diverse prominent intellectuals ranging from the monarchists on the right to the Mensheviks Socialist revolutionaries and Anarchists on the left Following these thinkers through the turbulent years of civil war and rebuilding of state power Burbank shows how revolution both revitalized their political culture and exposed the fragile basis of its existence Historical Dictionary of United States-Russian/Soviet Relations

Norman E. Saul, 2008-11-18 For more than 200 years the United States and Russia have shared a multi-faceted relationship Because of the rise of power the two countries enjoyed in the late 19th and through the 20th century Russian American relations have dominated much of recent world history Prior to World War II the two countries had relatively friendly contacts in culture commerce and diplomacy however as they contested for supremacy during the Cold War relations turned hostile and competitive With the apparent end of the Cold War with the collapse of the Soviet Union and of communism in 1991 the relationship continues to evolve and the future looks uncertain but promising The Historical Dictionary of United States Russian Soviet Relations identifies the key issues individuals and events in the history of U S Russian Soviet relations and places them in the context of the complex and dynamic regional strategic political and economic processes that have fashioned the American relationship with Russia This is done through a chronology a bibliography an introductory essay and several hundred cross-referenced dictionary entries on key persons places events institutions and organizations

European Communism Ronald Kowalski, 2017-09-16 The course of modern European History has been influenced greatly by the challenge of Communism In theory it promised equality and freedom for all In practice it spawned inegalitarian authoritarian and in some instances monstrous regimes in the former Soviet Union and East Europe This study re-examines the history of European Communism from its theoretical origins in the work of Marx and Engels in the mid-nineteenth century until the dramatic collapse of the Soviet Union in 1991 Ronald Kowalski reappraises Marx's thinking and points out that his intellectual legacy was open to a variety of interpretations often at odds with his own views Kowalski also questions Lenin's professed Marxist credentials and the extent to which his additions to Marxist theory were central to the

key issue in the history of Communism why did the egalitarian and libertarian dreams raised by the Russian Revolution degenerate into Stalinist authoritarianism and terror Furthermore why did Communism fail in West Europe while it was able to come to power in East Europe Concluding with an analysis of the revolutions which swept away the Communist regimes in East Europe and two years later in the Soviet Union itself this is an essential introduction to the history of a political force that dominated parts of Europe until the end of the twentieth century The White Generals Richard Lockett,2017-03-31 This account of the Russian Civil War originally published in 1971 combines a vivid narrative of the military events with a biographical discussion of the White Generals figures of the former Imperial Russian Army offices who led the separate campaigns against the Red Soviets men such as Kornilov Alekseev Kolchak Denikin Wrangel Yudenich and the Finnish Yudeniol Marshal Mannerheim Despite their shared designation the White Generals had no common programme Their tragedy was that Lenin s dogmatism intransigence and ruthlessness all essential qualities in a country which had never known anything other than autocracy were alien to their characters **Russia** Mauricio Borrero,2009 A reference guide to the world s largest country Covering influential individuals significant places and important policies it provides readers with a greater understanding of Russian history A narrative history chronology and A Z entries are included 1917: Stories and Poems from the Russian Revolution ,2016-12-13 1917 Stories and Poems from the Russian Revolution is a collection of literary responses to one of the most cataclysmic events in modern world history which exposes the immense conflictedness and doubt conviction and hope pessimism and optimism which political events provoked among contemporary writers sometimes at the same time even in the same person This dazzling panorama of thought language and form includes work by authors who are already well known to the English speaking world Bulgakov Pasternak Akhmatova Mayakovsky as well as others whose work we have the pleasure of encountering here for the very first time in English Edited by Boris Dralyuk the acclaimed translator of Isaac Babel s Red Cavalry also published by Pushkin Press 1917 includes works by some of the best Russian writers some already famous in the English speaking world some published here for the very first time It is an anthology for everyone those who are coming to Russian literature for the first time those who are already experienced students of it and those who simply want to know how it felt to live through this extreme period in history POETRY Marina Tsvetaeva You stepped from a stately cathedral Night Northeaster Roar of soldiers Roar of waves Zinaida Gippius Now What have we done to it 14 December 1917 Osip Mandelstam In public and behind closed doors Osip Mandelstam Let s praise O brothers liberty s dim light Anna Akhmatova When the nation suicidal Boris Pasternak Spring Rain Mikhail Kuzmin Russian Revolution Sergey Esenin Wake me tomorrow at break of day Mikhail Gerasimov I forged my iron flowers Vladimir Kirillov We Aleksey Kraysky Decrees Andrey Bely Russia Alexander Blok The Twelve Titsian Tabidze Petersburg Pavlo Tychyna Golden Humming Vladimir Mayakovsky Revolution A Poem Chronicle To Russia Our March PROSE Alexander Kuprin Sashka and Yashka Valentin Kataev The Drum Aleksandr Serafimovich How He Died Dovid Bergelson Pictures of the Revolution Teffi
