Russian Village Prose The Radiant Past:

Russian Village Prose Kathleen F. Parthé,1992-07-28 Kathleen Parth offers the first comprehensive examination of the controversial literary movement Russian Village Prose From the 1950s to the decline of the movement in the 1970s Valentin Rasputin Fedor Abramov and other writers drew on luminous memories of their rural childhoods to evoke a thousand year old pattern of life that was disappearing as they wrote In their lyrical descriptions of a vanishing world they expressed nostalgia for Russia s past and fears for the nation s future they opposed collectivized agriculture and fought to preserve traditional art and architecture and to protect the environment Assessing the place of Village Prose in the newly revised canon of twentieth century Russian literature Parth maintains that these writers consciously ignored and undermined Socialist Realism and created the most aesthetically coherent and ideologically important body of published writings to appear in the Soviet Union between Stalin s death and Gorbachev s ascendancy In the 1970s Village Prose was seen as moderately nationalist and conservative in spirit After 1985 however statements by several of its practitioners caused the movement to be reread as a possible stimulus for chauvinistic anti Semitic groups like Pamyat This important development is treated here with a thorough discussion of all the political implications of these rural narratives Nevertheless the center of Parth s work remains her exploration of the parameters that constitute a code of reading for works of Village Prose The appendixes contain a translation and analysis of a particularly fine example of Russian Village Prose Aleksei Leonov s Kondyr

Russian Village Prose Kathleen F Parthe,1992-01-01 Kathleen Parth offers the first comprehensive examination of the controversial literary movement Russian Village Prose From the 1950s to the decline of the movement in the 1970s Valentin Rasputin Fedor Abramov and other writers drew on luminous memories of their rural childhoods to evoke a thousand year old pattern of life that was disappearing as they wrote In their lyrical descriptions of a vanishing world they expressed nostalgia for Russia s past and fears for the nation s future they opposed collectivized agriculture and fought to preserve traditional art and architecture and to protect the environment Assessing the place of Village Prose in the newly revised canon of twentieth century Russian literature Parth maintains that these writers consciously ignored and undermined Socialist Realism and created the most aesthetically coherent and ideologically important body of published writings to appear in the Soviet Union between Stalin s death and Gorbachev s ascendancy In the 1970s Village Prose was seen as moderately nationalist and conservative in spirit After 1985 however statements by several of its practitioners caused the movement to be reread as a possible stimulus for chauvinistic anti Semitic groups like Pamyat This important development is treated here with a thorough discussion of all the political implications of these rural narratives Nevertheless the center of Parth s work remains her exploration of the parameters that constitute a code of reading for works of Village Prose The appendixes contain a translation and analysis of a particularly fine example of Russian Village Prose Aleksei Leonov s Kondyr

Solovyovo Margaret Paxson,2005-12-13 In a small village beside a reed lined lake in the Russian north a cluster of

farmers has lived for centuries in the time of tsars and feudal landlords Bolsheviks and civil wars collectivization and socialism perestroika and open markets Solovyovo is about the place and power of social memory Based on extensive anthropological fieldwork in that single village it shows how villagers configure transmit and enact social memory through narrative genres religious practice social organization commemoration and the symbolism of space Margaret Paxson relates present day beliefs rituals and practices to the remembered traditions articulated by her informants She brings to life the everyday social and agricultural routines of the villagers as well as holiday observances religious practices cosmology beliefs and practices surrounding health and illness the melding of Orthodox and communist traditions and their post Soviet evolution and the role of the yearly calendar in regulating village lives The result is a compelling ethnography of a Russian village the first of its kind in modern North American anthropology

The Soviet Novel Katerina Clark, 2000 In its sure grasp of a huge subject and in its speculative boldness Professor Clark's study represents a major breakthrough It sends one back to the original texts with a whole host of new questions And it also helps us to understand the place of the official writer in that peculiar mixture of ideology collective pressure and inspiration which is the Soviet literary process Times Literary Supplement The Soviet Novel has had an enormous impact on the way Stalinist culture is studied in a range of disciplines literature scholarship history cultural studies even anthropology and political science Slavic Review Those readers who have come to realize that history is a branch of mythology will find Clark's book a stimulating and rewarding account of Soviet mythopoesis American Historical Review A dynamic account of the socialist realist novel's evolution as seen in the context of Soviet culture A new Afterword brings the history of Socialist Realism to its end at the close of the 20th century

The Image of Christ in Russian Literature John Givens, 2018-05-29 Vladimir Nabokov complained about the number of Dostoevsky's characters sinning their way to Jesus In truth Christ is an elusive figure not only in Dostoevsky's novels but in Russian literature as a whole The rise of the historical critical method of biblical criticism in the nineteenth century and the growth of secularism it stimulated made an earnest affirmation of Jesus in literature highly problematic If they affirmed Jesus too directly writers paradoxically risked diminishing him either by deploying faith explanations that no longer persuade in an age of skepticism or by reducing Christ to a mere argument in an ideological dispute The writers at the heart of this study understood that to reimage Christ for their age they had to make him known through indirect even negative ways lest what they say about him be mistaken for cliché doctrine or naïve apologetics The Christology of Dostoevsky Leo Tolstoy Mikhail Bulgakov and Boris Pasternak is thus apophatic because they deploy negative formulations saying what God is not in their writings about Jesus Professions of atheism in Dostoevsky and Tolstoy's non-divine Jesus are but separate negative paths toward truer discernment of Christ This first study in English of the image of Christ in Russian literature highlights the importance of apophaticism as a theological practice and a literary method in understanding the Russian Christ It also emphasizes the importance of skepticism in Russian literary attitudes toward Jesus on the part of writers whose private

crucibles of doubt produced some of the most provocative and enduring images of Christ in world literature This important study will appeal to scholars and students of Orthodox Christianity and Russian literature as well as educated general readers interested in religion and nineteenth century Russian novels Russian Literature, 1995-2002 N. N.

Shneidman,2004-01-01 Despite the many challenges besetting it Shneidman argues convincingly that literary activity in Russia continues to be dynamic and vibrant **The Routledge Companion to Russian Literature** Neil

Cornwell,2002-06-01 The Routledge Companion to Russian Literature is an engaging and accessible guide to Russian writing of the past thousand years The volume covers the entire span of Russian literature from the Middle Ages to the post Soviet period and explores all the forms that have made it so famous poetry drama and of course the Russian novel A particular emphasis is given to the nineteenth and twentieth centuries when Russian literature achieved world wide recognition through the works of writers such as Pushkin Dostoevsky Tolstoy Chekhov Nabokov and Solzhenitsyn Covering a range of subjects including women s writing Russian literary theory socialist realism and migr writing leading international scholars open up the wonderful diversity of Russian literature With recommended lists of further reading and an excellent up to date general bibliography The Routledge Companion to Russian Literature is the perfect guide for students and general readers alike

The Geopolitics of Culture John Van Oudenaren,2024-06-15 Through the lens of James Billington and the institution he led as Librarian of Congress during a key period of US Russian relations The Geopolitics of Culture examines culture as a neglected area of US foreign policy Billington advised presidents and members of Congress and mobilized the resources of the Library of Congress to promote reform in Russia He believed that rather than preaching to the Russians the United States should expose the rising generation of Russian leaders to what was best in America and encourage them to rediscover positive elements in pre Bolshevik Russian culture The Geopolitics of Culture is the first book to chronicle Billington s influence on US engagement with Russia as it transitioned from communism to democracy under Gorbachev and Yeltsin and back to authoritarianism under Yeltsin and Putin Drawing on published and archival sources including recently released papers and interviews with current and retired Library of Congress staff members John Van Oudenaren casts new light on this era Billington s efforts led to a remarkable degree of cooperation between the Library of Congress and Russian cultural and political institutions Yet these efforts ultimately failed as Putin turned back toward authoritarianism The experience of the Library of Congress during this period nonetheless holds important lessons for today Billington believed that a transition to democracy in Russia was essential if the United States was to head off the geopolitical nightmare of a Eurasia dominated by an alliance of hostile authoritarian powers The geopolitics of culture thus remains a challenge for US foreign policy *Genders* 22 Ellen E. Berry,1995-07 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among

cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to recontain them representations of the body especially the female body and the larger cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website

Revolution Rekindled Polly Jones, 2019-08-14 Towards the end of the Khrushchev era a major Soviet initiative was launched to rekindle popular enthusiasm for the revolution which eventually gave rise to over 150 biographies and historical novels The Fiery Revolutionaries Plamennye revoliutsionery series authored by many key post Stalinist writers and published throughout late socialism until the Soviet collapse What new meanings did revolution take on as it was reimagined by writers including dissidents leading historians and popular historical novelists How did their millions of readers engage with these highly varied texts To what extent does this Brezhnev era publishing phenomenon challenge the notion of late socialism as a time of stagnation and how does it confirm it By exploring the complex processes of writing editing censorship and reading of late Soviet literature *Revolution Rekindled* highlights the dynamic negotiations that continued within Soviet culture well past the apparent turning point of 1968 through to the late Gorbachev era It also complicates the opposition between official and underground post Stalinist culture by showing how Soviet writers and readers engaged with both as they sought answers to key questions of revolutionary history ethics and ideology Polly Jones reveals the enormous breadth and vitality of the historical turn amongst the late Soviet population *Revolution Rekindled* is the first archival oral history and literary study of this unique late socialist publishing experiment from its beginnings in the early 1960s to its collapse in the early 1990s It draws on a wide range of previously untapped archives including those of the publisher Politizdat of Soviet institutions in charge of propaganda publishing and literature and of many individual writers It also uses in depth interviews with Brezhnev era writers editors and publishers and assesses the generic and stylistic innovations within the series biographies and novels

Russia in Search of Itself James H. Billington, 2004-03-19 Billington describes the contentious discussion occurring all over Russia and across the political spectrum He finds conflicts raging among individuals as much as between organized groups and finds a deep underlying tension between the Russians attempts to legitimize their new nominally democratic identity and their efforts to craft a new version of their old authoritarian tradition After showing how the problem of Russian identity was framed in the past Billington asks whether Russians will now look more to the West for a place in the common

European home or to the East for a new Eurasian identity *The Life and Work of Fedor Abramov* David C. Gillespie,1997

Fedor Aleksandrovich Abramov 1920 83 was one of the leading representatives of the Russian village prose movement of the 1960s and 1970s In *The Life and Work of Fedor Abramov* scholars from the United States and abroad draw on Abramov s works his diaries and his private writings as sources for examining his place within the village prose movement and within Anglo American theories of cultural reception *The Russian Peasantry 1600-1930* David Moon,2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant s traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable *Prodigal Son* John Givens,2000 A wildly prolific director actor and writer Vasilii Shukshin 1929 74 reached more Soviets in more media than perhaps any other artist in the post Stalinist USSR This first English language study of Shukshin and his work is thus a portrait of the culture of Soviet Russia after Stalin John Givens begins with Shukshin s position between cultural realms and social strata his abandoned peasant heritage in Siberia as the son of a purged kulak on the one hand and his life as a successful artist in Moscow on the other Givens shows how this clash of cultures and identities was both a burden and the driving force of Shukshin s art and how it represents a central dichotomy between rural and urban culture in Soviet Russia This work provides new terms for rereading the culture of Shukshin s time terms that take up notions of demographic displacement class difference and blurred boundaries among genres audiences and arts **New Myth, New World** Bernice Glatzer Rosenthal,2010-11-01 The Nazis use and misuse of Nietzsche is well known The Superman the will to power Nietzsche s equation of bourgeois democracy and decadence and his denigration of reason were staples of Nazi propaganda Communists also used and misused Nietzsche but that fact is largely unknown because Soviet propagandists invoked reason and labeled Nietzsche the philosopher of fascism even while covertly appropriating his ideas In this pioneering book Bernice Glatzer Rosenthal excavates the trail of long obscured Nietzschean ideas that took root in late Imperial Russia intertwining with other elements in the culture to become a vital ingredient of Bolshevism and Stalinism Nietzsche made a difference He furnished intellectual ammunition for a prolonged conflict about culture society and politics that began around the turn of the century His first Russian admirers were poets philosophers and political activists They responded to the changes transforming their society by espousing new values and seeking a new faith by which to live and work This response resulted in new aesthetic and political amalgams such as Symbolism Futurism Nietzschean Christianity and Nietzschean Marxism The ensuing debates between and among their partisans reverberated throughout the wider culture and therefore also into Bolshevism becoming the subject of an

uninterrupted polemic between Bolsheviks and non Bolsheviks and among Bolsheviks that continued into the 1930s In Stalin s time unacknowledged Nietzschean ideas were used to mobilize the masses for the great tasks of the first Five Year Plan and the Cultural Revolution which was intended to eradicate bourgeois values and attitudes from Soviet life and to construct a distinctly Socialist culture Nietzsche s belief that people need illusions to shield them from reality underlay Socialist Realism the official Soviet aesthetic from 1934 on In the aftermath of de Stalinization the government cast Nietzsche as the personification of bourgeois nihilism and bourgeois individualism Soviet intellectuals wishing to reappropriate their lost cultural heritage discovered the Nietzsche influenced intellectuals of late Imperial Russia and reopened discussion on the issues they had posed More than an exercise in historical rediscovery *New Myth New World* offers a new interpretation of modern Russian history By uncovering the buried influence of Nietzschean ideas on Soviet culture and politics Rosenthal opens new avenues for understanding Soviet ideology and its influence on the twentieth century **Women and Russian**

Culture Rosalind Marsh,1998-11-01 The image of women in Russian culture has undergone profound changes from the origins of modern Russian literature in the eighteenth century until the Revolution of 1917 when women were a source of fascination for Russian writers to the socialist realism period during which public discussion of the representation of women in literature rapidly declined and the woman question was declared to have been resolved to a reappraisal of the position of women since the 1980s This collection of essays by leading western and Russian specialists contains new insights and updates previous research into the role of women in Russian culture in the last two centuries and contributes to two exciting and growing research areas the feminist critique of work by Russian male authors and the study of Russian women writers Moreover whereas most previous studies have concentrated on the aesthetic qualities of works by women writers this collection includes both close textual analysis and the discussion of biographical historical and political questions relating both to the representation of women and women s culture The aim is not to present a unified manifesto but rather to bring together a spectrum of approaches and positions within their common focus on the relationship between women and culture in Russia Contributors R Marsh A Barker J Andrew D Greene I Kazakova C Schuler S Graham K Hodgson N Kolchevska N Cornwell J Curtis M Katz M Ledkovsky P I Barta A Darmodekhina D Gillespie N Zhuravkina B Lanin S Carsten A Tait

Post-Soviet Nostalgia Otto Boele,Boris Noordenbos,Ksenia Robbe,2019-07-24 Bringing together scholars from Russia the United States and Europe this collection of essays is the first to explore the slippery phenomenon of post Soviet nostalgia by studying it as a discursive practice serving a wide variety of ideological agendas The authors demonstrate how feelings of loss and displacement in post Soviet Russia are turned into effective tools of state building and national mobilization as well as into weapons for local resistance and the assertion of individual autonomy Drawing on novels memoirs documentaries photographs and Soviet commodities *Post Soviet Nostalgia* is an invaluable resource for historians literary scholars and anthropologists interested in how Russia comes to terms with its Soviet past Contemporary Russian Conservatism

Mikhail Suslov, Dmitry Uzlaner, 2019-10-14 This volume is the first comprehensive study of the conservative turn in Russia under Putin Its fifteen chapters written by renowned specialists in the field provide a focused examination of what Russian conservatism is and how it works The book features in depth discussions of the historical dimensions of conservatism the contemporary international context the theoretical conceptualization of conservatism and empirical case studies Among various issues covered by the volume are the geopolitical and religious dimensions of conservatism and the conservative perspective on Russian history and the politics of memory The authors show that conservative ideology condenses and reworks a number of discussions about Russia s identity and its place in the world Contributors include Katharina Bluhm Per Arne Bodin Alicja Curanovi Ekaterina Grishaeva Caroline Hill Irina Karlsohn Marlene Laruelle Mikhail N Lukianov K re Johan Mj r Alexander Pavlov Susanna Rabow Edling Andrey Shishkov Victor Shnirelman Mikhail Suslov and Dmitry Uzlaner

Russian Nationalism Marlene Laruelle, 2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia s distinctive national character based on the country s geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia s ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin s political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond 1993 Patt Leonard, Rebecca Routh, 1996 Journal articles books book chapters book reviews dissertations and selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada

Russian Village Prose The Radiant Past Introduction

In today's digital age, the availability of Russian Village Prose The Radiant Past books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Village Prose The Radiant Past books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Village Prose The Radiant Past books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Village Prose The Radiant Past versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Village Prose The Radiant Past books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Village Prose The Radiant Past books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Village Prose The Radiant Past books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Village Prose The Radiant Past books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Village Prose The Radiant Past books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Village Prose The Radiant Past Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Village Prose The Radiant Past is one of the best book in our library for free trial. We provide copy of Russian Village Prose The Radiant Past in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Village Prose The Radiant Past. Where to download Russian Village Prose The Radiant Past online for free? Are you looking for Russian Village Prose The Radiant Past PDF? This is definitely going to save you time and cash in something you should think about.
