1941-1945 John H. Buchsbaum, 1953 **The Russian Front, 1941-1945** Bob Carruthers, John Erickson, 1999 This tragic and bloody story of the war on the Eastern Front during the Second World War the titanic struggle between Hitler and Stalin which became an epic fight to the death cover **War on the Eastern Front** James Lucas, 2014-10-30 This classic WWII

history presents a comprehensive yet vividly detailed account of the Third Reich s epic and bitter clash with the Red Army The opening onslaughts of Operation Barbarossa began on June 22nd 1941 as German forces stormed into the Soviet Union Few of them were to survive the five long years of bitter struggle A posting to the Eastern Front during the Second World War was rightly regarded with dread by the German soldiers They faced the unremitting hostility of the climate the people and even at times their own leadership There were epic conflicts such as the battles of Stalingrad and Kursk But surrounding these famous events was a daily war of attrition which ultimately ground Hitler s war machine to a halt In this classic account military historian James Lucas examines the Eastern Front from trench warfare to a bicycle mounted antitank unit fighting against the oncoming Russian hordes Told through the experiences of the German soldiers who endured these nightmarish years of warfare War on the Eastern Front is a unique record of this cataclysmic campaign The Eastern Front, 1941-45, German Troops and the Barbarisation of Warfare O. Bartov, 2001-07-30 Based largely upon unpublished sources Omer Bartov s study looks closely at the background of the German army on the Eastern Front during the Second World War He describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the German army Only with these factors in mind together with the knowledge of the extent of National Socialist indoctrination can we begin to explain the criminal activities of the German army in Russia and the extent of involvement of the army in the execution of Hitler s brutal policies The Second World War Geoffrey Jukes, 2002 In 1940 fresh from the success in France Hitler turned his attention to the East In this volume Geoffrey Jukes explains what led to Hitler s decision to instigate the invasion of the Soviet Union Operation
