of lexicography On this background even though the volume of the lexicographic material is ample the English Latvian
lexicographic tradition looks rather traditional and even somewhat stagnant Thus there is an urgent need for a detailed
analytical inventory of English Latvian dictionaries in order to facilitate new dictionary projects This book provides a
comprehensive survey of the development of the English Latvian lexicographic tradition considering the various extra
linguistic factors which have influenced it It studies the typical features of English Latvian dictionaries traced throughout the
tradition at the levels of their mega macro and microstructure pinpoints the problematic aspects of English Latvian
lexicography and offers theoretically grounded solutions for improving the quality of future English Latvian dictionaries
