Conflict in the Former USSR Matthew Sussex,2012-10-04 Since the collapse of the Soviet Union conflict in the former USSR has been a key concern in international security This book fills a gap in the literature on violent conflict evaluating a region that contains all the modern ingredients for instability and aggression Bringing together leading experts on war and security the book addresses current debates in international relations about power interests globalisation and the politics of identity as major drivers of contemporary war Incidents such as the 2008 Russo Georgian conflict the wars in Chechnya and Russia s struggles over national identity and resources with former communist states are all thoroughly examined With new issues like energy security terrorism and transnational crime and older tensions between East and West threatening to deepen once more this is an important contribution to the international security literature

Serendipity in Anthropological Research Haim Hazan,2016-04-15 Challenging the idea that fieldwork is the only way to

gather data and that standard methods are the sole route to fruitful analysis Serendipity in Anthropological Research explores the role of fortune and happenstance in anthropology It conceives of anthropological research as a lifelong nomadic journey of discovery in which the world yields an infinite number of unexplored issues and innumerable ways of studying them each study producing its own questions and demanding its own methodologies Drawing together the latest research from a team of senior scholars from around the world to reflect on the experience of research Serendipity in Anthropological Research presents rich new case studies from Europe and the Middle East to examine both new and old questions in novel and enriching ways An engaging examination of methodology and anthropological fieldwork this book will appeal to all those concerned with writing ethnography

The Tapestry of Culture Abraham Rosman, professor emeritus, Barnard College, Columbia University, Paula G. Rubel, professor emerita, Barnard College, Columbia University, Maxine Weisgrau, Barnard College, Columbia University, 2009-06-16 The most exciting thing about anthropology is that it enables the student to become acquainted with people of different cultures The Tapestry of Culture provides the student with the basic concepts necessary to understand these different cultures while showing that cultural variations occur within certain limits Though the forces of globalization have caused cultures of the world around us to become increasingly similar the book shows that people nevertheless cling to ethnic identities and their cultural distinctiveness

The Routledge Handbook of European Criminology Sophie Body-Gendrot, Mike Hough, Klara Kerezsi, René Lévy, Sonja Snacken, 2013-08-15 This new book brings together some of the leading criminologists across Europe to showcase the best of European criminology This Handbook aims to reflect the range and depth of current work in Europe and to counterbalance the impact of the sometimes insular and ethnocentric Anglo American criminological tradition The end product is a collection of twenty eight chapters illustrating a truly comparative and interdisciplinary European criminology The editors have assembled a cast of leading voices to reflect on differences and commonalities elaborate on theoretically grounded comparisons and reflect on emerging themes in criminology in Europe After the editors introduction the book is organised in three parts five chapters offering historical theoretical and policy oriented overviews of European issues in crime and crime control seven chapters looking at different dimensions of crime in Europe including crime trends state crime gender and crime and urban safety fifteen chapters examining the variety of institutional responses exploring issues such as policing juvenile justice punishment green crime and the role of the victim This book gives some indication of the richness and scope of the emerging comparative European criminology and will be required reading for anyone who wants to understand trends in crime and its control across Europe It will also be a valuable teaching resource especially at postgraduate level as well as an important reference point for researchers and scholars of criminology across Europe

FBI Law Enforcement Bulletin ,2000 **Sexology for the Wise** Omar Zaid,2022-07-29 This essay collection applies wide ranging optics to myths of LGBT normality The author compares and contrasts biological metaphysical psychological moral and social dynamics that define and delimit normal heterosexual duality with elements of the gender confused He does this in terms that illustrate spiritual and physical absolutes that are denied yet manipulated by postmodern nihilists who serve the occult governance that institutionalizes evil The heterosexual dyad is rigorously defended as cardinal essential existential naturally hegemonic and not the least bit ambiguous Zaid s comprehensive acumen is both frightening and captivating His race through the Holocene irremediably shakes and changes the reader s world view via this careful amalgamation of Religion Theology Scripture History Science Geo Politics Human Nature Magick Philosophy and Occult Mystery Systems Sexology For The Wise is an intense dot connecting narrative that crosses all bounds of taboo to reveal much we do not wish to acknowledge **Chinese Criminal Entrepreneurs in Canada, Volume II** Alex Chung,2019-03-09

This book explores how the new Asian criminal entrepreneurs in Canada known as The Big Circle Boys BCB competitively dominated the Canadian heroin market in the 1990s without a formal organisation or explicit hierarchical structure Drawing on the market resilience framework it examines how the BCB smuggled drugs by using social capital shared resources and trust effectively through their ethnicity How did they counter external security challenges and promote internal competitive cooperation Were they able to resolve disputes peacefully by managing internal relations These questions are answered through an analysis of their networking processes and illustrated in the structural properties and dynamics of their mono ethnic criminal network For the first time the BCB players that contributed to the 2001 Canadian and Australian heroin

droughts are revealed through intercepted telephone calls and court testimonies It shows how the BCB collectively switched from heroin to ecstasy since the year 2000 The operation logistics of drug importation and local trafficking are scrutinised This book speaks to those interested in how a collective of ethnic Chinese career criminals succeeded and failed in the international drugs trade particularly for scholars and students of social sciences disciplines
