Stephen K. Wegren

Russian Politics Under Putin:

Russian Politics Under Putin Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

Understanding Russian Politics Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic crisis and Russia's place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives

Russian Politics Under Putin Cameron Ross, In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

Russian Regional Politics under Putin and Medvedev Cameron Ross, 2014-06-03 Many authors have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition still far from completed that is of no less importance the need to reconfigure central regional relations and to create a stable and viable form of federalism There are vast economic demographic and political variations across the Russian federation Therefore an understanding of regions and the causes and consequences of cross regional diversity is a vitally important dimension of Russian politics that should not be overlooked It is only by studying regional level politics that we can gain a full understanding of the complexities of Russia's protracted transition This edited volume examines regional politics and centre

regional relations over the period 2000 2010 including the most recent developments which have taken place under the new dual leadership of Medvedev and Putin All eight chapters have been written by leading experts in the field of Russian politics In addition to chapters on regional elections parties regional governors and local politics there are three chapters devoted to the important developments which are currently taking place in the Caucasus This book was published as a special issue of Europe Asia Studies Russian Regional Politics under Putin and Medvedev Cameron Ross,2014-06-03 Many authors have alluded to the unique nature of Russia s dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition still far from completed that is of no less importance the need to reconfigure central regional relations and to create a stable and viable form of federalism There are vast economic demographic and political variations across the Russian federation Therefore an understanding of regions and the causes and consequences of cross regional diversity is a vitally important dimension of Russian politics that should not be overlooked It is only by studying regional level politics that we can gain a full understanding of the complexities of Russia s protracted transition This edited volume examines regional politics and centre regional relations over the period 2000 2010 including the most recent developments which have taken place under the new dual leadership of Medvedev and Putin All eight chapters have been written by leading experts in the field of Russian politics In addition to chapters on regional elections parties regional governors and local politics there are three chapters devoted to the important developments which are currently taking place in the Caucasus This book was published as a special issue of Europe Asia Studies **Russia Under Putin** Andrew Natsios,2025-07-08 This book fills a gap in the public s understanding of Putin s Russia by answering the question Is Russia under Putin a revisionist power that seeks to undermine or destroy the existing international order or is it a fragile state with profound dysfunctions The essays in this book argue that Russia is both These essays took a more ominous view of Russia under Putin s leadership at the time they were published a position criticized by some scholars and analysts who saw Putin as a pragmatist Russia's Security Policy under Putin Aglaya Snetkov,2014-11-27 This book examines the evolution of Russia s security policy under Putin in the 21st century using a critical security studies approach Drawing on critical approaches to security the book investigates the interrelationship between the internal external nexus and the politics of in security and regime building in Putin s Russia In so doing it evaluates the way that this evolving relationship between state identities and security discourses framed the construction of individual security policies and how in turn individual issues can impact on the meta discourses of state and security agendas To this end the de securitisation discourses and practices towards the issue of Chechnya are examined as a case study In so doing this study has wider implications for how we read Russia as a security actor through an approach that emphasises the importance of taking into account its security culture the interconnection between internal external security priorities and the dramatic changes that have taken place in Russia s conceptions of itself national and security priorities and conceptualisation of key security issues in this case Chechnya These aspects of Russia s

security agenda remain somewhat of a neglected area of research but as argued in this book offer structuring and framing implications for how we understand Russia's position towards security issues and perhaps those of rising powers more broadly This book will be of much interest to students of Russian security critical security studies and IR

Youth Politics in Putin's Russia Julie Hemment, 2015-09-14 Julie Hemment provides a fresh perspective on the controversial nationalist youth projects that have proliferated in Russia in the Putin era examining them from the point of view of their participants and offering provocative insights into their origins and significance The pro Kremlin organization Nashi Ours and other state run initiatives to mobilize Russian youth have been widely reviled in the West seen as Soviet throwbacks and evidence of Russia's authoritarian turn By contrast Hemment's detailed ethnographic analysis finds an astute global awareness and a paradoxical kinship with the international democracy promoting interventions of the 1990s Drawing on Soviet political forms but responding to 21st century disenchantments with the neoliberal state these projects seek to produce not only patriots but also volunteers entrepreneurs and activists

Media, Culture and Society in Putin's Russia S. White, 2008-04-09 An international collection of papers focused on media culture and society in postcommunist Russia Contributors deploy a wealth of primary data in examining the kinds of issues that are central to our understanding of the kind of system that has been established in the world's largest country after a period of far reaching change

Return to Putin's Russia Stephen K. Wegren, 2013 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of the challenges facing Putin as he resumes the presidency Leading scholars explore the daunting domestic and international problems confronting Russia today Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse the contributors consider a comprehensive array of economic political foreign policy and social issues Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today

Putin's Russia Dale Roy Herspring, 2007 A fifth edition of this book is now available This thoroughly revised and updated edition of the classic text provides the most current and authoritative assessment of Russia available Distinguished scholars offer a full scale assessment of Putin's leadership exploring the daunting domestic and international problems facing Russia today Evaluating the regime's continued efforts to rebuild a country in shambles the contributors consider a comprehensive array of economic political and social issues In addition to updated core chapters the book includes new essays on Putin's leadership law foreign policy and the decline of democracy The book concludes that Putin will continue to address his country's problems in an incremental and centralized manner as he moves toward his goal of restoring Russia to the status of a world power

Russian Politics Today Susanne A. Wengle, 2022-10-27 Russian Politics Today Stability and Fragility provides an accessible and nuanced introduction to contemporary Russian politics at a time of increasing uncertainty Using the theme of stability versus fragility as its overarching framework this innovative textbook explores the forces that shape Russia's politics economy and society The volume provides up to date coverage of core themes Russia's

strong presidency its weak party system the role of civil society and its dependence on oil and gas revenues alongside path breaking chapters on the politics of race class gender sexuality and the environment An international and diverse team of experts presents the most comprehensive available account of the evolution of Russian politics in the post Soviet era providing the tools for interpreting the past and the present while also offering a template for understanding future developments

Federalism and Local Politics in Russia Cameron Ross, Adrian Campbell, 2008-10-27 This book examines federalism and regional and local politics in Russia Many commentators have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition under way in Russia that is of no less importance the need to reconfigure central local relations and to create a stable and viable form of federalism Federal states are much more difficult to set up than unitary ones and forging a new federal system at the same time as privatising the economy and trying to radically overhaul the political system has clearly made Russia's transition triply difficult The book discusses how Vladimir Putin has re asserted the power of the centre in Russia and tightened the federal government's control of the regions It shows how contrary to his rhetoric about developing Russia as a free and democratic state authoritarianism has been extended through his reorganisation of the Federation Council his usurpation of powers to dismiss regional assemblies and chief executives and his creation of seven unelected super governors The book explores a wide range of issues related to these developments including a comparative study of Russian federalism and local politics ethnic federalism the merging of federal units regional governors electoral and party reforms and regional and local politics It also includes case studies of local and regional politics in specific regions

Political Legitimacy and Traditional Values in Putin's Russia Pal Kolsto, Helge Blakkisrud, 2025-01-31 Since Vladimir Putin's return to the Russian presidency in 2012 protection and promotion of so called traditional values has played a prominent role in the Kremlin's propaganda campaigns From the large scale demonstrations in 2011 2012 to the full scale invasion of Ukraine in 2022 conservative social values have been mobilised to justify the Kremlin's policy choices In the case of the invasion for example Putin argued that the allegedly decadent western world was using Ukraine as a springboard to export its pseudo values into Russia Drawing on a series of case studies spanning elite level political rhetoric the work of various ideological values entrepreneurs such as the Russian Orthodox Church and not least of grassroots sentiments *Political Legitimacy and Traditional Values in Putin's Russia* explores authoritarian regime legitimation in today's Russia

Contemporary Russia as a Feudal Society V. Shlapentokh, Joshau Woods, 2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and

economic characteristics of contemporary Russian society Tax Politics in Eastern Europe Hilary Appel, 2011-07-28 This is the first book to systematically examine the variation in policies of Eastern European countries There is a theoretical contribution to understandings of variation in tax policies but just as impressive is the in depth empirical analysis and in particular the data from interviews with key players in the process Yoshiko Herrera University of Wisconsin Madison Post Communist tax reform like institutional reform in other areas of the post Communist transition holds tremendous material consequences for different groups in society Consequently one would expect the allocation of resources and the distribution of the financial burden of that allocation to be highly sensitive to domestic politics Indeed the political stakes should be especially high since post Communist tax reform requires not merely a simple adjustment at the margin but the fundamental reallocation of the responsibility for government revenue In Eastern Europe however important areas of tax policy do not reflect traditional domestic variables e g interest groups and partisanship so much as the international imperatives associated with regional and global economic integration In Tax Politics in Eastern Europe Hilary Appel analyzes the domestic and international factors that drive tax policy She begins with a review of the greatest challenges in the initial creation of the capitalist tax systems in former Communist states and then turns to the evolution of specific forms of taxation in order to gauge the relative impact of domestic politics on tax policy Appel concludes that although some tax areas such as personal income taxes remain politicized most other taxes such as corporate income taxes and all forms of consumption taxes have been less subject to domestic political pressures because of powerful constraints resulting from regional and global economic integration Media Politics in China Maria Repnikova, 2017-06-15 Who watches over the party state In this engaging analysis Maria Repnikova reveals the webs of an uneasy partnership between critical journalists and the state in China More than merely a passive mouthpiece or a dissident voice the media in China also plays a critical oversight role one more frequently associated with liberal democracies than with authoritarian systems Chinese central officials cautiously endorse media supervision as a feedback mechanism as journalists carve out space for critical reporting by positioning themselves as aiding the agenda of the central state Drawing on rare access in the field Media Politics in China examines the process of guarded improvisation that has defined this volatile partnership over the past decade on a routine basis and in the aftermath of major crisis events Combined with a comparative analysis of media politics in the Soviet Union and contemporary Russia the book highlights the distinctiveness of Chinese journalist state relations as well as the renewed pressures facing them in the Xi era **Putin's Russia** Stephen K. Wegren, 2015-07-16 Now in a thoroughly revised expanded and updated sixth edition this classic text provides the most authoritative and current analysis available of the challenges facing Russia today Leading scholars explore the daunting domestic and international problems confronting Putin Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political foreign policy and social issues Putin has his own approach for dealing with the myriad problems

facing Russia emphasizing recentralization of power and a strong state He has returned to power amid unresolved policy issues both domestically and from the international community Only by understanding these concerns and previous efforts to deal with them will it be possible to understand the country's trajectory Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia Contributions by Alfred Evans Kathleen J Hancock Timothy Heleniak Kathryn Hendley Dale R Herspring Janet Elise Johnson Taylor Ren Lane Maria Lipman Jeffrey Mankoff Alexander M Nikulin Alexandra Novitskaya Nikolai Petrov Thomas F Remington Richard Sakwa Louise Shelley Darrell Slider Pekka Sutela Andrei P Tsygankov Stephen K Wegren Russia and Europe in the Twenty-First Century Jackie Gower, Graham Timmins, 2009-02-01 There has never been a more important time to understand Russia's relationship with Europe and it is the subsequent sense of unease both in Russia and Europe which provides the focus for this investigation and which will make it of use to specialist and general readers alike The Politics of Sub-National Authoritarianism in Russia Cameron Ross, 2016-02-24 By the end of the 2000s Russia had become an increasingly authoritarian state which was characterised by the following features outrageously unfair and fraudulent elections the existence of weak and impotent political parties a heavily censored often self censored media weak rubber stamping legislatures at the national and sub national levels politically subordinated courts the arbitrary use of the economic powers of the state and widespread corruption However this picture would be incomplete without taking into account the sub national dimension of these subversive institutions and practices across the regions of the Russian Federation After the collapse of the Soviet Union sub national political developments in Russia became highly diversified and the political map of Russia's regions became multifaceted The period of 2000s demonstrated a drive on the part of the Kremlin to re centralise politics and governance to the demise of newly emerging democratic institutions at both the national and sub national levels Yet federalism and regionalism remain key elements of the research agenda in Russian politics and the overall political map of Russia's regions is far from being monotonic Rather it is similar to a complex multi piece puzzle which can only be put together through skilful crafting The 12 chapters in this collection are oriented towards the generation of more theoretically and empirically solid inferences and provide critical evaluations of the multiple deficiencies in Russia's sub national authoritarianism including principal agent problems in the relations between the layers of the power vertical unresolved issues of regime legitimacy that have resulted from manipulative electoral practices and the inefficient performance of regional and local governments The volume brings together a team of international experts on Russian regional politics which includes top scholars from Britain Canada Russia and the USA

Russian Politics Under Putin Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Politics Under Putin PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Politics Under Putin PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Russian Politics Under Putin free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Politics Under Putin Books

What is a Russian Politics Under Putin PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Politics Under Putin PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Politics Under Putin PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Politics Under Putin PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Politics Under Putin PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator,

such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
