The Russian Revolution Sean McMeekin, 2017-05-30 A powerful revisionist history Times UK illuminating the tensions and transformations of the Russian Revolution In The Russian Revolution acclaimed historian Sean McMeekin traces the events which ended Romanov rule ushered the Bolsheviks into power and introduced Communism to the world Between 1917 and 1922 Russia underwent a complete and irreversible transformation Taking advantage of the collapse of the Tsarist regime in the middle of World War I the Bolsheviks staged a hostile takeover of the Russian Imperial Army promoting mutinies and mass desertions of men in order to fulfill Lenin s program of turning the imperialist war into civil war By the time the Bolsheviks had snuffed out the last resistance five years later over 20 million people had died and the Russian economy had collapsed so completely that Communism had to be temporarily abandoned Still Bolshevik rule was secure owing to the new regime s monopoly on force enabled by illicit arms deals signed with capitalist neighbors such as Germany and Sweden who sought to benefit politically and economically from the revolutionary chaos in Russia Drawing on scores of previously untapped files from Russian archives and a range of other repositories in Europe Turkey and the United States McMeekin delivers exciting groundbreaking research about this turbulent era The first comprehensive history of these momentous events in two decades The Russian Revolution combines cutting edge scholarship and a fast paced narrative to shed new light on one of the most significant turning points of the twentieth century **The Johns Hopkins University Studies in Historical and Political Science** ,1922 Soviet State and Society Between Revolutions, 1918-1929 Lewis H. Siegelbaum, 1992-08-20 The evolution of the ruling Communist Party and its New Economic Policy is explored in the first book to analyze the relationship between the Soviet state and society from 1917 through the early 1930s through the changing fortunes of its peoples **Catalogue of European Books, 1918-1919** . 1920 **The Bloomsbury Handbook of the Russian Revolution** Geoffrey Swain, Charlotte Alston, Michael C. Hickey, Boris Kolonitskii, Franziska Schedewie, 2022-12-15 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia s revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the

revolution in terms of class gender age and culture      **The "Russian" Civil Wars, 1916-1926** Jonathan Smele,2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow      *US Department of State Dispatch* ,1990 Contains a diverse compilation of major speeches congressional testimony policy statements fact sheets and other foreign policy information from the State Dept

*Handbook of Research on the Global Political Economy of Work* Maurizio Atzeni,Dario Azzellini,Alessandra Mezzadri,Phoebe Moore,Ursula Apitzsch,2023-10-06 This ground breaking Handbook broadens empirical and theoretical understandings of work work relations and workers It advances a global intersectional labour studies agenda laying the foundations for the politically emancipatory project of decolonising the political economy of work      *Encyclopedia of Twentieth-Century Photography, 3-Volume Set* Lynne Warren,2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included      *Columbia University Studies in the Social Sciences* ,1923      *Columbia Studies in the Social Sciences* ,1923      **The Story of Russia** Orlando Figes,2022-09-20 This is the essential backstory the history book that you need if you want to understand modern Russia and its wars with Ukraine with its neighbors with America and with the West Anne Applebaum author of *Twilight of Democracy* and *Red Famine* Named a Most Anticipated Book of the Year by Publishers Weekly and Kirkus Reviews From the great storyteller of Russian history Financial Times a brilliant account of the national mythologies and imperial ideologies that have shaped Russia s past and politics essential reading for understanding the

country today The Story of Russia is a fresh approach to the thousand years of Russia's history concerned as much with the ideas that have shaped how Russians think about their past as it is with the events and personalities comprising it No other country has reimagined its own story so often in a perpetual effort to stay in step with the shifts of ruling ideologies From the founding of Kievan Rus in the first millennium to Putin's war against Ukraine Orlando Figes explores the ideas that have guided Russia's actions throughout its long and troubled existence Whether he's describing the crowning of Ivan the Terrible in a candlelit cathedral or the dramatic upheaval of the peasant revolution he reveals the impulses often unappreciated or misunderstood by foreigners that have driven Russian history the medieval myth of Mother Russia's holy mission to the world the imperial tendency toward autocratic rule the popular belief in a paternal tsar dispensing truth and justice the cult of sacrifice rooted in the idea of the Russian soul and always the nationalist myth of Russia's unjust treatment by the West How the Russians came to tell their story and to revise it so often as they went along is not only a vital aspect of their history it is also our best means of understanding how the country thinks and acts today Based on a lifetime of scholarship and enthrallingly written The Story of Russia is quintessential Figes sweeping revelatory and masterful The End of the Russian Imperial Army, Volume II Allan K. Wildman, 2019-10-08 Allan Wildman presents the first detailed study of the Army's collapse under the strains of war and of the front soldiers' efforts to participate in the Revolution Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Isms American Legion. National Americanism Commission, 1937 Columbia Studies in the Social Sciences Gyoju Odate, 1922 **Reconstruction in Arkansas, 1862-1874** Thomas Starling Staples, 1923 Studies the reconstruction in Arkansas from 1862-1874 when changes in the military situation had taken place and the president was more confident of his ground as far as Arkansas was concerned Oswaal NCERT One for All Book For UPSC and State PSC's History, Geography, General Science, Indian Polity and Indian Economy (Set of 5 Books) (Old and New NCERT Edition) (For 2024 Exam) Oswaal Editorial Board, 2023-07-19 Description of the book Complete coverage of NCERT Textbook Latest Edition Useful for UPSC State PSCs and other central state govt competitive exams Chapter wise summary to cover all important points Chapter wise NCERT based MCQs with difficulty levels Moderate State PSCs and other government exams Advanced UPSC and Previous years questions of all relevant exams UPSC State PSC and other government exams 100% detailed solutions Questions exactly as per exam pattern *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the

decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state     Labor and Empire Tingfu Fuller Tsiang, 1923

**Russian and Soviet Diplomacy, 1900-39** Alastair Kocho-Williams, 2011-12-13 Addressing the impact of the Russian Revolution and change and continuity in diplomacy during the transition from Empire to Soviet Union this book examines how Russia's diplomacy was conducted the diplomats behind it the establishment of the Soviet diplomatic corps and the steps taken to integrate the Soviets into the diplomatic world

## Embracing the Tune of Appearance: An Mental Symphony within **Russian Revolution 2 Volume Set**

In a global eaten by monitors and the ceaseless chatter of fast transmission, the melodic elegance and psychological symphony produced by the prepared word frequently disappear in to the backdrop, eclipsed by the persistent noise and disruptions that permeate our lives. But, located within the pages of **Russian Revolution 2 Volume Set** a charming fictional value overflowing with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that fascinating masterpiece conducts readers on a psychological journey, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously crafted phrase. Within the depths of this moving evaluation, we will explore the book is main harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
