

RUSSIA'S GREAT REFORMS, 1855-1881

Edited by BEN EKLOF,
JOHN BUSHNELL, and
LARISSA ZAKHAROVA

Russias Great Reforms 1855 1881

Sally Stocksdales

Russias Great Reforms 1855 1881:

Russia's Great Reforms, 1855-1881 Ben Eklof, John Bushnell, Larissa Zakharova, 1994-06-22 The Great Reforms undertaken during the reign of Alexander II represented a unique attempt by the tsarist government to restructure virtually every aspect of Russian life beginning with the emancipation of the serfs and continuing through reforms of local government the judiciary the military education the financial system censorship and other domains This volume the work of an international group of scholars that includes historians from Russia maps out the major landmarks in the conceptualization and implementation of the Great Reforms during the reign of Alexander II and proposes a variety of perspectives from which to view them From publisher s description *Russia in the Nineteenth Century* Polunov, This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides detailed portraits of many tsarist bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy *A History of Russia and Its Empire* Kees Boterbloem, 2018-06-26 This clear and focused text provides an introduction to imperial Russian and Soviet history from the crowning of Mikhail Romanov in 1613 to Vladimir Putin s new term Through a consistent chronological narrative Kees Boterbloem considers the political military economic social religious and cultural developments and crucial turning points that led Russia from an exotic backwater to superpower stature in the twentieth century The author assesses the tremendous price paid by those who made Russia and the Soviet Union into such a hegemonic power both locally and globally He considers the complex and varied interactions between Russians and non Russians and investigates the reasons for the remarkable longevity of this last of the colonial powers whose dependencies were not granted independence until 1991 He explores the ongoing legacies of this fraught decolonization process on the Russian Federation itself and on the other states that succeeded the Soviet Union The only text designed and written specifically for a one semester course on this four hundred year period it will appeal to all readers interested in learning more about the history of the people who have inhabited one sixth of the earth s landmass for centuries **The Emancipation of the Serfs in Russia** Roxanne Easley, 2008-08-28 In the wake of the disastrous Crimean War the Russian autocracy completely renovated its most basic

social political and economic systems by emancipating 23 million privately owned serfs This book examines the emancipation describing how the reforms were instituted in practice and exploring the profound implications for Russian politics and society

Agrarian Reform in Russia Carol S. Leonard, 2010-12-06 This book examines the history of reforms and major state interventions affecting Russian agriculture the abolition of serfdom in 1861 the Stolypin reforms the NEP the Collectivization Khrushchev reforms and finally farm enterprise privatization in the early 1990s It shows a pattern emerging from a political imperative in imperial Soviet and post Soviet regimes and it describes how these reforms were justified in the name of the national interest during severe crises rapid inflation military defeat mass strikes rural unrest and or political turmoil It looks at the consequences of adversity in the economic environment for rural behavior after reform and at long run trends It has chapters on property rights rural organization and technological change It provides a new database for measuring agricultural productivity from 1861 to 1913 and updates these estimates to the present This book is a study of the policies aimed at reorganizing rural production and their effectiveness in transforming institutions

Russia at War Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia's military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

Laboratory of Modernity Serhiy Bilenky, 2023-10-15 When the powers of Europe were at their prime present day Ukraine was divided between the Austrian and Russian empires each imposing different political social and cultural models on its subjects This inevitably led to great diversity in the lives of its inhabitants shaping modern Ukraine into the multiethnic country it is today Making innovative use of methods of social and cultural history gender studies literary theory and sociology Laboratory of Modernity explores the history of Ukraine throughout the long nineteenth century and offers a unique study of its pluralistic society culture and political scene Despite being subjected to different and conflicting power models during the nineteenth and early twentieth centuries Ukraine was not only imagined as a distinct entity with a unique culture and history but was also realized as a set of social and political institutions The story of modern Ukraine is geopolitically complex encompassing the historical narratives of several major

communities including ethnic Ukrainians Poles Jews and Russians who for centuries lived side by side The first comprehensive study of nineteenth century Ukraine in English Laboratory of Modernity traces the historical origins of some of the most pressing issues facing Ukraine and the international community today **The Mass Deportation of Poles to Siberia, 1863-1880** Andrew A. Gentes, 2017-10-20 This book concerns the mass deportation of Poles and others to Siberia following the failed 1863 Polish Insurrection The imperial Russian government fell back upon using exile to punish the insurrectionists and to cleanse Russia's Western Provinces of ethnic Poles It conveyed some 20 000 inhabitants of the Kingdom of Poland and the Western Provinces across the Urals to locations as far away as Yakutsk and assigned them to penal labor or forced settlement Yet the government's lack of infrastructure and planning doomed this operation from the start and the exiles found ways to resist their subjugation Based upon archival documents from Siberia and the former Western Provinces this book offers an unparalleled exploration of the mass deportation Combining social history with an analysis of statecraft it is a unique contribution to scholarship on the history of Poland and the Russian Empire *Reforming Justice in Russia, 1864-1996* Peter H. Solomon, 1997 Based on a set of papers prepared for a spring 1995 conference held at Massey College University of Toronto reflecting collaboration and discussion among specialists in law and justice in tsarist Russia and their counterparts working on the subject in the USSR and post Soviet Russia Organized in sections on varieties of justice in imperial Russia courts and Soviet power and justice and the Russian transition papers examine areas such as rural arson in European Russia in the late imperial era sexual harassment claims of the 1920s criminal justice under Stalin and trials in modern Russia Annotation copyrighted by Book News Inc Portland OR Imperial Russia's Muslims Mustafa Tuna, 2015-06-04 Investigates the entangled transformations of Russia's Muslim communities from the late eighteenth century through to the First World War Drawing from a wealth of Russian and Turkish sources Mustafa Tuna surveys the transformation of Imperial Russia's oldest Muslim community the Volga Ural Muslims Educational Reform in Post-Soviet Russia Ben Eklof, Larry Eugene Holmes, Vera Kaplan, 2005 A collection of essays which examine the reform of the educational system in post Soviet Russia in historical and comparative perspective Revolution and Reform in Russia and Iran Ghoncheh Tazmini, 2012-03-30 The Russian Revolutions of 1917 and the Iranian Revolution of 1979 are two examples of dramatic sudden and extraordinary political upheaval that significantly altered the nature of the state and society in the modern age Here Ghoncheh Tazmini provides an unprecedented comparative study of these two major revolutions of the twentieth century which although removed from each other both spatially and temporally have striking similarities Examining the roots events and impact of these two defining upheavals Tazmini analyses how they resemble each other stressing the continuity of the dilemma of modernisation for the Romanov Pahlavi Communist and Islamist rulers alike This book is a significant contribution to both historical and contemporary debates concerning Russian and Iranian politics and to the discourse on the origins and consequences of modernisation and revolution themselves When Emancipation Came

Sally Stocksdale,2022-09-21 Linked by declarations of emancipation within the same five year period two countries shared human rights issues on two distinct continents In this book readers will find a case study comparison of the emancipation of Russian serfs on the Yazykovo Selo estate and American slaves at the Palmyra Plantation Although state policies and reactions may not follow the same paths in each area there were striking thematic parallels These findings add to our understanding of what happens throughout an emancipation process in which the state grants freedom and therefore speaks to the universality of the human experience Despite the political and economic differences between the two countries as well as their geographic and cultural distances this book re conceptualizes emancipation and its aftermath in each country from a history that treats each as a separate self contained story to one with a unified global framework **The Cambridge**

History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie,D. C. B. Lieven,Ronald Grigor

Suny,2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union **Feliks Volkhovskii**

Michael Hughes,2024-06-28 Feliks Volkhovskii 1846 1914 was a significant figure in the Russian revolutionary movement of the nineteenth and early twentieth centuries He lived through pivotal changes ranging from the rise of nihilism in the 1860s and the growth of populism in the 1870s through to the creation of the Socialist Revolutionary Party in the early 1900s Imprisoned three times before he turned thirty he spent ten years in Siberian exile before fleeing abroad to join the fight against tsarist autocracy from western Europe Following Volkhovskii s arrival in Britain in 1890 he played a central role in the campaign to win sympathy for the Russian revolutionary movement editing newspapers and journals including Free Russia He also helped to smuggle propaganda into Russia as well as becoming one of the most prominent figures in the migr leadership of the Socialist Revolutionaries Throughout his life Volkhovskii was also a prolific writer of poetry and short stories and was on good terms with many leading literary figures of the time including Ford Maddox Ford and Edward and Constance Garnett Michael Hughes s groundbreaking new biography provides a vivid history of this notable but hitherto neglected figure of both the political and literary worlds Based on ten years of research in archives across the world and drawing on sources in multiple languages this masterful biography explores how Volkhovskii s life illuminates broader intellectual and historical questions about the Russian revolutionary movement It is essential reading for anyone interested in late Imperial Russia and the Russian revolution *Imperial Russia* Jane Burbank,David L. Ransel,1998-09-22

On the basis of the work presented here one can say that the future of American scholarship on imperial Russia is in good hands American Historial Review innovative and substantive research The Russian Review Anyone wishing to understand the state of the field in Imperial Russian history would do well to start with this collection Theodore W Weeks H Net Reviews The essays are impressive in terms of research conceptualization and analysis Slavic Review Presenting the results of new research and fresh approaches the historians whose work is highlighted here seek to extend new thinking about the way imperial Russian history is studied and taught Populating their essays are a varied lot of ordinary Russians of the 18th and 19th centuries from

a luxury loving merchant and his extended family to reform minded clerics and soldiers on the frontier In contrast to much of traditional historical writing on Imperial Russia which focused heavily on the causes of its demise the contributors to this volume investigate the people and institutions that kept Imperial Russia functioning over a long period of time *Vodka Politics* Mark Schrad,2014-03 Alcohol and alcoholism have long been prominent features in Russian life and culture But as Mark Schrad vividly shows in *Vodka Politics* it has also been central to Russian politics Not simply a chronicle of drinking in Russia this book shows how alcohol has been a key shaping force in Russian political history **Universities Under Dictatorship** John Connelly,Michael Grüttner,2010-11-01 **Modernizing Europe's Imperial Monarchies** Heidi Hein-Kircher,Frederik Frank Sterkenburgh,2025-05-28 Up until recently Europe's three imperial monarchies the German Austrian and Russian Empires were seen as moribund political entities unable to accommodate the forces of political social economic and cultural modernization and as a result collapsed collectively during or shortly after the First World War More recently scholars have underlined the viability of these polities including as frameworks for democratic experiments and fixed points for supra national identification notwithstanding the suppression of minorities and colonial undertakings of these empires This book takes a different approach it demonstrates that these three imperial monarchies were capable of and willing to initiate and steer the modernization of their institutions and polities Rather than understanding modernization as a linear and teleological process this contributed volume draws instead on Samuel Eisenstadt's notion of multiple modernities to demonstrate how these empires sought to modernize on their own terms By drawing on this concept it becomes possible to challenge notions of inevitable decline and instead demonstrate how these imperial monarchies sought to forge modernization on their own terms in the nineteenth and early twentieth century *Greek Maritime History* ,2022-05-02 This volume presents Greek Maritime History and unravels the historical trajectory of a maritime nation par excellence in the Eastern Mediterranean At the core of the book lies the rise of the Greek merchant fleet and its transformation from a peripheral to an international carrier Following the evolution of Greek shipping for more than three centuries 17th 20th century the book traces a maritime nation in its making and provides proof of a different yet successful pattern of maritime development compared to other European maritime nations The chapters adopt a multidimensional and interdisciplinary approach spanning from shipping fishing and trade to piracy technology human resources and entrepreneurship and reflect the main directions of Greek maritime historiography over the last thirty years Contributors are Apostolos Delis Dimitris Dimitropoulos Zisis Fotakis Katerina Galani Gelina Harlaftis Evdokia Olympitou Gerassimos D Pagratis Alexandra Papadopoulou Socrates Petmezas Evrydiki Sifneos Anna Sydorenko Ioannis Theotokas and Katerina Vourkatioti

This is likewise one of the factors by obtaining the soft documents of this **Russias Great Reforms 1855 1881** by online. You might not require more get older to spend to go to the books start as competently as search for them. In some cases, you likewise reach not discover the revelation Russias Great Reforms 1855 1881 that you are looking for. It will categorically squander the time.
