Russia's Road from Peace to War Louis Fischer,1969 A History Of Russia Volume 2 Walter G. Moss,2004-10-01
Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Russia's Road from Peace to War Louis Fischer,1969 *Russian and Soviet Diplomacy, 1900-39* Alastair Kocho-Williams,2011-12-13 Addressing the impact of the Russian Revolution and change and continuity in diplomacy during the transition from Empire to Soviet Union this book examines how Russia s diplomacy was conducted the diplomats behind it the establishment of the Soviet diplomatic corps and the steps taken to integrate the Soviets into the diplomatic world

Soviet Foreign Policy, 1930-33 J. Haslam,1983-09-01 **The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance** Dieter Heinzig,2015-06-18 Drawing on a wealth of new sources this work documents the evolving relationship between Moscow and Peking in the twentieth century Using newly available Russian and Chinese archival documents memoirs written in the 1980s and 1990s and interviews with high ranking Soviet and Chinese eyewitnesses the book provides the basis for a new interpretation of this relationship and a glimpse of previously unknown events that shaped the Sino Soviet alliance An appendix contains translated Chinese and Soviet documents many of which are being published for the first time The book focuses mainly on Communist China s relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945 up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950 It also looks at China s relationship with Moscow from 1920 to 1945 as well as developments from 1950 to the present The author reevaluates existing sources and literature on the topic and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion He also shows that the relationship between the two Communist parties was based on national interest politics and not on similar ideological convictions **America's Secret War against Bolshevism** David S. Foglesong,2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson s administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson s ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid to anti Bolshevik forces established

clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington World Communism, 1964-1969, a Selected Bibliography United States. Evans,Jeanie M. prosper if the Russians could restore order to their beleaguered land In this book Linda Killen examines a hitherto neglected instrument of American policy in Russia the Russian Bureau of the War Trade Board With support from the administration the bureau was established by Congress in October 1918 as a public corporation with a fund of 5 million to facilitate trade between Russia and America for government and business leaders thought that the Russians could be helped to resolve their problems with the income from trade The bureau was also to assist in two areas essential to trade stabilizing the currency and restoring the transportation system With the signing of the peace treaty however the bureau as a wartime agency was dissolved in June 1919 and its work assigned to the State Department As one of the first American attempts at foreign aid the bureau s program was necessarily tentative but Linda Killen shows that as a specific case the bureau offers an instructive example It reveals a widespread ignorance of Russian affairs both in government and in business circles More importantly it demonstrates the fatal weakness of an idealistic policy that was blind to political realities Perhaps the bureau s most tangible accomplishment came when its 5 million were finally transferred to the Trans Siberian Railroad to purchase new equipment Yet ironically it was the hated Bolsheviks who benefitted from this aid when they seized Siberia and used the new equipment to restore the rail line to efficient operation This detailed study of the Russian Bureau sheds new light on a turbulent and tragic area of American diplomacy Unfortunately the democratic Russia that Wilson sought to help may never have existed except in his mind and never came to be Newsletter United States.
