**Prophecy** Wayne J. Bentley, 2022-08-25 Prophecy Now through End Times starts with the Great Apostasy a falling away and continues to explain the events of Revelation in order up to the Return of Jesus If Jesus did not return the events explained in this text would lead to the extinction of humanity Jesus said No flesh shall be saved Humanity ends it is an extinction event The events leading up to Jesus s return have the days shortened and the Earth tilting four times killing off most of humanity Everyone in Asia dies except the two hundred million man army that is attacking Israel when Jesus returns Here in the United States the coastlines will be destroyed by an object from outer space that hits the Earth and sends tidal waves around the globe The heartland will survive with the help of the Church of Philadelphia There is little to zero trade between the countries of the world because the object from space destroys the ships The Antichrist rules in the revived Holy Roman Empire and declares himself god He kills every Catholic in his empire and attacks Israel Jesus said Watch that you may be accounted worthy to escape all these things <https://www.prophecynowtoendtimes.com> **Russia's Hawaiian**

**Russia's Final Destination** Abraham DeAlmeida PhD, 2023-11-06 You may be wondering why Russia invaded Ukraine and whether it has anything to do with the prophecies in the Bible concerning Israel Abraham DeAlmeida PhD a pastor with three doctorates in theology tackles that question and many others in this book He details references the Bible makes about Gog which is the nation now known as Russia and argues that current events are definitely tied to prophecies in the Bible He also observes how the Russians and Palestinians have taken advantage of America s flight from Afghanistan The book also zeroes in on Israel in detail noting that having withstood so much persecution the Israelis are once again home with more Jews returning there due to the current war causing widespread opposition and hatred toward them Lastly the author examines and explains the End Times including the Rapture of the Church the world government first beast

the Antichrist second beast identified by 666 Great Tribulation Millennium New Jerusalem and the glorious eternity with God Join the author as he explores the significance of Israel how current events connect to prophecies in the Bible how it will all end and what we can surmise about Russia's Final Destination Russia; its plans of conquest revealed. Smith,2022-03-15 This firsthand account of contemporary history is key to understanding Russia's latest assault on its neighbor USA Today An eyewitness account by a U S diplomat of Russia's brazen attempt to undo the democratic revolution in Ukraine Told from the perspective of a U S diplomat in Kyiv this book is the true story of Ukraine's anti corruption revolution in 2013-14 Russia's intervention and invasion of that nation and the limited role played by the United States It puts into a readable narrative the previously unpublished reporting by seasoned U S diplomatic and military professionals a wealth of information on Ukrainian high level and street level politics a broad analysis of the international context and vivid descriptions of people and places in Ukraine during the EuroMaidan Revolution The book also counters Russia's disinformation narratives about the revolution and America's role in it While focusing on a single country during a dramatic three year period the book's universal themes among them truth versus lies democracy versus autocracy possess a broader urgency for our times That urgency burns particularly hot for the United States and all other countries that are the targets of Russia's cyber warfare and other forms of political skullduggery From his posting in U S Embassy Kyiv 2012-14 the author observed and reported first hand on the EuroMaidan Revolution that wrested power from corrupt pro Kremlin Ukrainian autocrat Viktor Yanukovich The book also details Russia's attempt to abort the Ukrainian revolution through threats economic pressure lies and intimidation When all of that failed the Kremlin exacted revenge by annexing Ukraine's territory of Crimea and fomenting and sustaining a hybrid war in eastern Ukraine that has killed more than 13 000 people and continues to this day Ukraine's Revolt Russia's Revenge is based on the author's own observations and the multitude of reports of his Embassy colleagues who were eyewitnesses to a crucial event in contemporary history The Complete Black Book of Russian Jewry Vasily Grossman,2017-07-12 The Complete Black Book of Russian Jewry is a collection of eyewitness

Nothing is as it seems* Cinzia Palmacci,2024-03-20 I wanted to title this book Russia and Ukraina Nothing is as it seems because of this crisis which involves two Eastern European territories so much tormented and threatened you will never have a clear and truthful picture especially by the mainstream media In truth in addition to the official narrative and compliant with the single thought to which the mainstream has always accustomed us it is there something in the history of these two territories involved in the crisis that escapes even to large networks The key to everything is the story Few know that current Ukraine was the ancient kingdom of Khazaria because the history of the people Kazaro was deliberately erased from the news so that it would not appear in any history textbook And there s a reason From the Khazar people descends the Zionism which even from a genetic point of view has nothing to do with lineage Jewish native of Palestine The Zionists have become the rulers of the world through methods that are questionable to say the least They are the masters of finance world and political and media power belongs to them pharmaceutical and military Zionists are the architects of the most unbridled globalism of which the Great Reset or Great Reset is the most hateful expression and controversial They are behind the most repressive and cruel ideologies in history communism Bolshevism Nazism etc But in this historical context increasingly tumultuous world a part of the global axis of power has become through the diabolical plan implemented by the Zionists and cherished for centuries The hatred of the West that orbits and serves American interests has identified an enemy Russia *Make Russia Great Again* Christopher Buckley,2021-06-15 Herb Nutterman a long time Trump Organization employee unexpectedly becomes President Trump s White House chief of staff and finds himself entangled in Russian intrigue and leading the president s reelection campaign **From Russia with Lunch** Bruce Hale,2009 Detectives Chet Gecko and his partner Natalie Attired try to solve the mystery of why Emerson Hicky Elementary school students have suddenly started acting strangely **New Word Volume 2** Lela Kakulia,2013-01-25 Hereinafter is my book New word the work unique by its contents and in essence This is a book of prediction Years beforehand I described all those necessary expected political events or natural phenomenon related to the whole world Most of them have already precisely come true some of them are now being fulfilled and the rest will come true in future This is a live cosmic information new word that I Georgian prophet Lela Kakulia pronounce by Gods will I was sent to the earth in order to let countries states particular politicians or humankind in general know their future By this means cosmos gave a chance to the universe to soften destined blows and avoid destruction I predict all my life from birth and will predict till I am on the earth A prophet is sent by cosmos once in few centuries when the earth faces a special danger when it is on the edge of the existence I Georgian prophet am sent with the mission to save the world I bring enormous protecting energy for people and countries and hand it out with no regret I often drawcosmis information and my drawings are the source of colossal energy that full people with hope and peace This is the book that would live for ages and

**Democracy or Demon-Crazy?** Rev. Patrick E. Quainoo,2016-10-14 Democracy has seemingly outward appeal but inward characteristics of evil and deception because God Yahweh has no place in it It is about the rule of man s laws and not God s law therefore there is no absolute truth that exists in democracy but absolute truth in God s law In a democratic view since no one possesses absolute truth all side to an argument or discussion must be given free expression because no truth is so certain that it may not be challenged not even the truth of democracy itself In the end when tension looms then there is an unending appeal for tolerance With time democracy has developed from a largely northern European style of governance to a worldwide phenomenon in the 21st century Consequently almost everybody today consider democracy to be the ideal form of government under a widely accepted consensus that it is a government of choice in the global market place of social systems but how true is it As you read this book I pray that you will be enlightened in the knowledge of God so as you are not tossed about by any wind of doctrines of men but by God **Alexander Bestuzhev-Marlinsky and Russian Byronism** Lewis Bagby,2010-11-01 *The Jews in Poland and Russia* Antony Polonsky,2012-02-09 A comprehensive socio political economic and religious history an important story whose relevance extends beyond the Jewish world or the bounds of east central Europe
