

# RUSSIA'S PLATO

Plato and the Platonic tradition in  
Russian education, science and  
ideology (1840–1930)

FRANCES NETHERCOTT

# Russias Plato Plato The Platonic Tradi

**Arthur James Wells**

## **Russias Plato Plato The Platonic Tradi:**

*Russia's Plato* Frances Nethercott, 2019-07-31 This title was first published in 2000 This work identifies the differences between the Russian intellectual approach to reading Plato and that of other European countries This study offers a complex perspective on Russian philosophical learnings up to 1930 The book contains five chapters with the first aiming to provide the general institutional context in which Russian 19th century Plato scholarship developed caught as it were between the rise of the historical sciences and the heavy hand of state interference in standardizing the educational system in the name of nation building and modernization The second chapter attempts to illustrate how Plato served as a reference in Russian philosophical culture and the third deals with aspects of Russian philosophy of law In the fourth chapter the author shifts his approach to compare and contrast a number of reactions to a single dialogue the Republic and in the final concluding chapter addresses the question of whether it is legitimate to speak of a Russian Platonism **Goncharov in the Twenty-First**

**Century** Ingrid Kleespies, Lyudmila Parts, 2021-11-23 Goncharov in the Twenty First Century brings together a range of international scholars for a reexamination of Ivan Goncharov s life and work through a twenty first century critical lens Contributions to the volume highlight Goncharov s service career the complex and understudied manifestation of Realism in his work the diverse philosophical threads that shape his novels and the often colliding contexts of writer and imperial bureaucrat in the 1858 travel text *Frigate Pallada* Chapters engage with approaches from post colonial and queer studies theories of genre and the novel desire laughter technology and mobility and travel *The Later Solov'ev* Thomas Nemeth, 2019-07-24 This volume offers a critical examination of the later philosophical views of Vladimir Solov v arguably Russia s most famous and most systematic philosopher It offers a philosophically informed approach to this pivotal figure and to his era Inside readers will discover a detailed portrait of the often overlooked evolution of the philosopher s views during the final two decades of his life The author explores Solov v s still evolving aesthetic philosophy and his entry into the lively Russian discussion of free will The work then turns to the philosopher s mature statements on many figures from within the history of philosophy This includes Kant and Hegel Next readers will learn about his disagreements with several contemporaries as well as contemporaneous movements These include positivism and materialism In addition the coverage includes an elucidation and examination of Solov v s final expression of his ethical philosophy as set forth in his major ethical treatise *Justification of the Moral Good* The overall picture that emerges is of a much more vibrant and heated philosophical community than typically portrayed in Western secondary literature The book ends with a reflection on the rise of Solov v as a religious mystic at the expense of a critical evaluation of his thought *Socrates in Russia* , 2022-10-04 This volume explores the influence of the Socratic legacy in the Russian East European and Soviet contexts For writers philosophers and artists Socrates has served as a potent symbol of the human capacity for philosophical reflection as well as the tumultuous and often dangerous reality in which Russian speaking and Soviet intellectuals found themselves The thirteen chapters

include surveys of historical periods and movements the 18th century Nietzscheanism and the Greek Renaissance of Russian culture studies of individual writers and philosophers Skovoroda Herzen Dostoevsky Rozanov Bely Narbut and many others and investigations of Socratic subtexts e g in Bulgakov's Master and Margarita and Nosov's Neznaika series for children The volume concludes with a Socratic Texts section of new translations The plurality of these topics demonstrates the continued relevance of the Socratic myth not only for Russian speaking culture but for the world **In Marx's Shadow** Costica

Bradatan, Serguei Oushakine, 2010-03-19 Despite its key role in the intellectual shaping of state socialism Communist ideas are often dismissed as mere propaganda or as a rhetorical exercise aimed at advancing socialist intellectuals on their way to power By drawing attention to unknown and unexplored areas trends and ways of thinking under socialism the volume examines Eastern Europe and Russian histories of intellectual movements inspired negatively as well as positively by Communist arguments and dogmas Through an interdisciplinary dialogue the collection demonstrates how various bodies of theoretical knowledge philosophical social political aesthetic even theological were used not only to justify dominant political views but also to frame oppositional and nonofficial discourses and practices The examination of the underlying structures of Communism as an intellectual project provides convincing evidence for questioning a dominant approach that routinely frames the post Communist intellectual development as a revival or at least as a return of the repressed intellectual traditions As the book shows the logic of a radical break suggested by this approach is in contradiction with historical evidence a significant number of philosophical theoretical and ideological debates in post Communist world are in fact the logical continuation of intellectual conversations and confrontations initiated long before 1989 **Vladimir Solov'ev**

William Peter van den Bercken, Manon de Courten, Evert van der Zweerde, 2000 Vladimir Solov'ev 1853 1900 is regarded as the most original and systematic of the Russian philosophers in the 19th century He has once again become the subject of international scholarly attention both in Slavic countries and the West This volume contains selected papers presented at the international conference on Vladimir Solov'ev held at Nijmegen University the Netherlands in September 1998 The scope of this conference was wide ranging dealing with theological metaphysical philosophical and historical themes Though Solov'ev's broad intellectual activity defies any strict attempt at categorisation the editors have classified its major themes under the dual characteristic of reconciliation and polemics Solov'ev was passionately committed to the reconciliation of all beings under the idea of all unity which he attempted to achieve by engaging in uncompromising polemics with his contemporaries The thirty contributors to this volume are specialists from Russia Ukraine Bulgaria Western Europe and the United States The volume makes a significant contribution to the intellectual reassessment of Vladimir Solov'ev since the rediscovery of his philosophical heritage in his own homeland in the 1980s *A History of Russian Philosophy 1830-1930* G. M.

Hamburg, Randall A. Poole, 2010-04-22 The great age of Russian philosophy spans the century between 1830 and 1930 from the famous Slavophile Westernizer controversy of the 1830s and 1840s through the Silver Age of Russian culture at the

beginning of the twentieth century to the formation of a Russian philosophical emigration in the wake of the Russian Revolution This volume is a major history and interpretation of Russian philosophy in this period Eighteen chapters plus a substantial introduction and afterword discuss Russian philosophy's main figures schools and controversies while simultaneously pursuing a common central theme the development of a distinctive Russian tradition of philosophical humanism focused on the defence of human dignity As this volume shows the century long debate over the meaning and grounds of human dignity freedom and the just society involved thinkers of all backgrounds and positions transcending easy classification as religious or secular The debate still resonates strongly today     *Philosophical Thought in Russia in the Second Half of the Twentieth Century* Vladislav Lektorsky, Marina F. Bykova, 2019-01-10 Philosophical Thought in Russia in the Second Half of the 20th Century is the first book of its kind that offers a systematic overview of an often misrepresented period in Russia's philosophy Focusing on philosophical ideas produced during the late 1950s early 1990s it reconstructs the development of genuine philosophical thought in the Soviet period and introduces those non dogmatic Russian thinkers who saw in philosophy a means of reforming social and intellectual life Covering such areas of philosophical inquiry as philosophy of science philosophical anthropology the history of philosophy activity approach as well as communication and dialogue studies the volume presents and thoroughly discusses central topics and concepts developed by Soviet thinkers in that particular fields Written by a team of internationally recognized scholars from Russia and abroad it examines the work of well known Soviet philosophers such as Mikhail Bakhtin Evald Ilyenkov and Merab Mamardashvili as well as those important figures such as Vladimir Bibler Alexander Zinoviev Yury Lotman Georgy Shchedrovitsky Genrich Batishchev Sergey Rubinstein and others who have often been overlooked By introducing and examining original philosophical ideas that evolved in the Soviet period the book confirms that not all Soviet philosophy was dogmatic and tied to orthodox Marxism and the ideology of Marxism Leninism It shows Russian philosophical development of the Soviet period in a new light as a philosophy defined by a genuine discourse of exploration and intellectual progress rather than stagnation and dogmatism In addition to providing the historical and cultural background that explains the development of the 20th century Russian philosophy the book also puts the discussed ideas and theories in the context of contemporary philosophical discussions showing their relevance to nowadays debates in Western philosophy With short biographies of key thinkers an extensive current bibliography and a detailed chronology of Soviet philosophy this research resource provides a new understanding of the Soviet period and its intellectual legacy 100 years after the Russian Revolution     *Russian Legal Culture Before and After Communism* Frances Nethercott, 2007-12-03 Following the emancipation of the serfs in 1861 and again during the 1990s individual legal rights occupied a central place in the drive to modernize criminal justice This book explores these debates focusing particularly on the work of Vladimir Solov'ev a leading philosopher of law writing in the 1890s     **Kant in Imperial Russia** Thomas Nemeth, 2017-02-15 This book presents a comprehensive study of the influence of Immanuel Kant's

Critical Philosophy in the Russian Empire spanning the period from the late 19th century to the Bolshevik Revolution It systematically details the reception bestowed on Kant's ideas during his lifetime and up to and through the era of the First World War The book traces the tensions arising in the early 19th century between the imported German scholars who were often bristling with the latest philosophical developments in their homeland and the more conservative Russian professors and administrators The book goes on to examine the frequently neglected criticism of Kant in the theological institutions throughout the Russian Empire as well as the last remaining though virtually unknown embers of Kantianism during the reign of Nicholas I With the political activities of many young radicals during the subsequent decades having been amply studied this book focuses on their largely ignored attempts to grapple with Kant's transcendental idealism It also presents a complete account of the resurgence of interest in Kant in the last two decades of that century and the growing attempts to graft a transcendental idealism onto popular social and political movements The book draws attention to the young and budding Russian neo Kantian movement that mirrored developments in Germany before being overtaken by political events

**Political Thought From Machiavelli to Stalin** E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition **Slavic Review**, 2002 American quarterly of Soviet and East European studies varies **The Handbook of Global Interventions in Communication Theory** Yoshitaka Miike, Jing Yin, 2022-03-11 Moving beyond the US Eurocentric paradigm of communication theory this handbook broadens the intellectual horizons of the discipline by highlighting underrepresented especially non Western theorists and theories and identifies key issues and challenges for future scholarship Showcasing diverse perspectives the handbook facilitates active engagement in different cultural traditions and theoretical orientations that are global in scope but local in effect It begins by exploring past efforts to diversify the field continuing on to examine theoretical concepts models and principles rooted in local cumulative wisdom It does not limit itself to the mass interpersonal communication divide but rather seeks to frame theory as global and inclusive in scope The book is intended for communication researchers and advanced students with relevance to scholars with an interest in theory within information science library science social and cross cultural psychology multicultural education social justice and social ethics international relations development studies and political science *Heidegger in Russia and Eastern Europe* Jeff Love, 2017-07-17 Heidegger's influence in the twentieth century probably outstrips that of any other philosopher at least in the so called Continental tradition The revolution Heidegger brought about with his compelling readings of the broader philosophical tradition transformed German philosophy and spread quickly to most of Europe the

United States and Japan This volume examines Heidegger's influence in a region where his reception has had a remarkable and largely hidden history Eastern Europe and Russia The book begins by addressing two important literary influences on Heidegger Dostoevsky and Tolstoy It goes on to examine Heidegger's philosophical influence and features three crucial figures in the reception of Heidegger's thought in Eastern Europe and Russia Vladimir Bibikhin Krzysztof Michalski and Jan Patočka Finally the volume deals with an often vexed issue in current treatments of Heidegger the importance of Heidegger's philosophy for politics The book includes essays by an international team of contributors including leading representatives of Heideggerian thought in Russia today Heidegger's thought plays a key role in debates over Russian identity and the geopolitical role Russia has to play in the world The volume surveys the complicated landscape of post-Soviet philosophy and how the rise of widely differing appropriations of Heidegger exploit familiar fault lines in the Russian reception of Western thinkers that date back to the first stirrings of a distinctively Russian philosophical tradition

**Divine Sophia** Vladimir Sergeyevich Solovyov, 2009 This personification of wisdom with golden hair and a radiant aura echoes both the eternal feminine and the world soul Rooted in Christian and Jewish mysticism Eastern Orthodox iconography Greek philosophy and European romanticism the Sophiology that suffuses Solovyov's philosophical and artistic works is both intellectually sophisticated and profoundly inspiring Judith Deutsch Kornblatt brings together key texts from Solovyov's writings about Sophia poetry fiction drama and philosophy all extensively annotated and some available in English for the first time with assistance from the translators Boris Jakim and Laury Magnus Amazon website

**Essays on Ayn Rand's "We the Living"** Robert Mayhew, 2012-02-16 Ayn Rand remains a truly significant figure of modern philosophy Her unique vision of a world in which man relying on reason acts wholly for his own good is skillfully developed and illustrated in her most famous novels Atlas Shrugged and The Fountainhead But Rand's first novel We the Living a lesser known but no less important book offers an early form of the author's nascent philosophy the philosophy Rand later called Objectivism In the second edition Robert Mayhew once again brings together pre-eminent scholars of Rand's writing The edition includes three new chapters as well as an epilogue by renowned Rand scholar Leonard Peikoff In part a history of We the Living from its earliest drafts to the Italian film later based upon it Mayhew's collection goes on to explore the enduring significance of Rand's first novel as a work both of philosophy and of literature For Ayn Rand scholars and fans alike this enhanced second edition is a compelling examination of a novel that set the tone for some of the most influential philosophical literature to follow

**The British National Bibliography** Arthur James Wells, 2001 Civil Society, Religion, and the Nation, 2022-05-20 Japan Russia and Turkey are major examples of countries with different ethnic religious and cultural background that embarked on the path of modernization without having been colonized by a Western country In all three cases national consciousness has played a significant role in this context The project of Modernity is obviously of European origin but is it essentially European Does modernization imply loss of a country's cultural or national identity If so what is the fate of the modernization process in

these cases The presence of the idea and reality of civil society can be considered a real marker of Modernity in this respect because it presupposes the development of liberalism individualism and human rights But are these compatible with nationalism and with the idea of a national religion These questions are the more pressing as Japan is considered part of the Western world in many respects and Russia and Turkey are defining their relation to the European Union in different ways An investigation of these three countries set off against more general reflections sheds light on the possibilities or limitations of modernization in a non European context Canadian-American Slavic Studies ,2001 A quarterly journal devoted to Russia and East Europe Russische Sophiologie zwischen orthodoxer Tradition und moderner Philosophie Georgios D. Panagopoulos,2021 Die vorliegende Arbeit stellt zum einen das Ergebnis eines Forschungsprojekts zur russischen sophiologischen Theologie im Zusammenhang mit ihrem philosophischen Milieu zum anderen Erkenntnisse aus meiner Lehrtätigkeit als Lehrbeauftragter Professor an der Universität München während des Sommersemesters 2020 dar im Rahmen derer das Denken Solovievs Florenskys und Bulgakovs im Vergleich zur Theologie Florovskys dargelegt werden sollte und deren Ziel es war die Hauptunterschiede beider von einander abweichenden Paradigmen zutage zu bringen

If you ally need such a referred **Russias Plato Plato The Platonic Tradi** books that will offer you worth, acquire the no question best seller from us currently from several preferred authors. ## Russias Plato Plato The Platonic Tradi Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russias Plato Plato The Platonic Tradi free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russias Plato Plato The Platonic Tradi free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russias Plato Plato The Platonic Tradi free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russias Plato Plato The Platonic Tradi. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russias Plato Plato The Platonic Tradi any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Russias Plato Plato The Platonic Tradi Books

**What is a Russias Plato Plato The Platonic Tradi PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russias Plato Plato The Platonic Tradi PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russias Plato Plato The Platonic Tradi PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russias Plato Plato The Platonic Tradi PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russias Plato Plato The Platonic Tradi PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
