exclude them From these women of agency and adventure those who find themselves excluded from power can find encouragement to stand up and be the persons of agency and adventure that God created them to be no matter what restrictions others have placed upon them *Ruth, Esther* Marion Ann Taylor, 2020-09-08 A new commentary for today's world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story-centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy-to-use sections designed to help readers live out God's story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible's grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students Ruth Esther The book of Ruth presents a compelling account of how most of us experience God in our everyday lives We see God working indirectly behind the scenes giving us a theology of divine and human cooperation as those who pray for God's blessings participate in answering their own petitions as well as the prayers of others In Esther's story we recognize our own world today often experiencing it as a place where God seems hidden Her book challenges us in unique ways Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear-minded theological insight to any biblical education or ministry *Daughters of Faith: The Untold Stories of Women of Power and Strength in the Bible* Anthea Peries, Daughters of Faith The Untold Stories of Women of Power and Strength in the Bible Rediscovering the Courage Resilience Belief And Trust of Females In Scripture Women's contributions to society go back to the dawn of human history By being leaders warriors prophets and caretakers they have influenced their communities and paved the way for future generations The Bible is filled with examples of strong independent women who broke barriers and changed the world These women of faith from the courageous and crafty Deborah who led the Israelites to victory in battle to the fearless Queen Esther who risked her life to save her people continue to inspire and challenge us today Get this book now [Faith 1st - Grade 3, Legacy Edition](#) ,2006-06-30 **The Faith Lives of Women and Girls** Nicola Slee, Fran Porter, Anne Phillips, 2016-03-16 Identifying illuminating and enhancing understanding of key aspects of women and girls faith lives The Faith Lives of Women and Girls represents a significant body of original qualitative research from practitioners and researchers across the UK Contributors include new and upcoming researchers as well as more established feminist practical theologians Chapters provide perspectives on different ages and stages of faith across the life cycle from a range of different cultural and religious contexts Diverse spiritual practices beliefs and attachments are explored including a variety of experiences of liminality in women's faith lives A range of approaches

Women of the Bible and Contemporary Women of Faith Jacqueline George, 2017-09-22 This book focuses on a selected sample of women of faith from the Bible to contemporary times. It addresses how these women have been change agents in multiple facets of life including in the family, in politics, and in the wider society. While their underlying connection can be seen as their faith in God and their willingness to serve, their vulnerability has also been evident. For the reader seeking to increase his or her faith in God and develop a closer spiritual walk, and for any whose interest lies in recognizing the similarities between biblical times and the present, this review that ranges from Eve through Mother Teresa through Oprah and Malala should be a must read.
