S T P A Journey Through America With The Rolling Stones:

S.t.p. Robert Greenfield,2025-05-01 One of the greatest rock books ever written GQ Thirty years ago the Rolling Stones swept America taking Exile on Main Street to Main Streets across the nation Everyone held their breath to see what would happen the Stones previous U S tour had been a chaotic circus culminating in the infamous death of a fan at Altamont And this tour the Stones Touring Party was rumored to be wilder than ever bigger shows in major arenas with a far larger entourage and even more drugs Robert Greenfield went along for the ride and came away with a riveting insider s account called by Ian Rankin one of the greatest rock books ever written The reality lived up to the rumor take one part Lee Radziwill a dash of Truman Capote set the scene at Hef s Playboy mansion and toss in the county jail for good measure That was the Stones Touring Party the ultimate rock n roll band at the height of its spectacular depravity **Stones Touring Party**

Robert Greenfield,1974-01-01 **A Journey Through America with the Rolling Stones** Robert Greenfield,1974 **Ain't It Time We Said Goodbye** Robert Greenfield,2014-05-13 For ten days in March 1971 the Rolling Stones traveled by train and bus to play two shows a night in many of the small theaters and town halls where their careers began No backstage passes No security No sound checks or rehearsals And only one journalist allowed That journalist now delivers a full length account of this landmark event which marked the end of the first chapter of the Stones extraordinary career Ain t It Time We Said Goodbye is also the story of two artists on the precipice of mega stardom power and destruction For Mick and Keith and all those who traveled with them the farewell tour of England was the end of the innocence Based on Robert Greenfield s first hand account and new interviews with many of the key players this is a vibrant thrilling look at the way it once was for the Rolling Stones and their fans and the way it would never be again **A Journey through America with the Rolling Stones**

Robert Greenfield,1975 **Railfan & Railroad** ,1996 **Backpacker** ,2000-05 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured

Exile on Main Street Robert Greenfield,2008-02-12 Recorded during the blazing hot summer of 1971 at Villa Nellcote Keith Richards s seaside mansion in southern France Exile on Main Street has been hailed as one of the greatest rock records of all time Yet its improbable creation was difficult torturous and at times nothing short of dangerous In self imposed exile the Stones along with wives girlfriends and an unrivaled crew of hangers on spent their days smoking snorting and drinking whatever they could get their hands on while at night Villa Nellcote s basement studio became the crucible in which creative strife outsized egos and all the usual byproducts of the Stones legendary hedonistic excess fused into something potent volatile and enduring Here for the first time is the season in hell that produced Exile on Main Street
