**Manual for Noncommissioned Officers and Privates of Cavalry of the Army of the United States 1917** United States. War Department, 2023-10-05 The Manual for Noncommissioned Officers and Privates of Cavalry of the Army of the United States 1917 is a meticulously crafted guide that encapsulates the operational procedures tactical training and discipline expected of cavalry personnel during a pivotal moment in American military history This manual embodies the pragmatic and instructive style typical of military literature offering a wealth of detailed information on formations equipment and communication that underscores the evolving dynamics of cavalry warfare in the early 20th century As World War I loomed the text reflects both the historical context of American military preparedness and the desire to standardize practices among ranks to enhance effectiveness in battle Authored by the United States War Department this work draws on the extensive experiences and lessons learned from previous conflicts as military leaders recognized the necessity for structured training and the professionalization of enlisted men The War Department's commitment to fostering a well informed and disciplined cavalry force is evident reflecting the broader changes in American military doctrine during a transformative period in global conflicts For historians military enthusiasts and scholars of the early 20th century this manual serves not only as a valuable document of military protocol but also as a fascinating glimpse into the mindset of a nation poised for international engagement The clarity and specificity of its guidance make it essential reading for anyone interested in the evolution of military training and strategy Manual for Noncommissioned Officers and Privates of Cavalry of the Army of the United States. 1917. To be Also Used by Engineer Companies (mounted) for Cavalry Instruction and Training United States. War Department, 1917 The Boy Generals Adolfo Ovies, 2021-06-11 First in a trilogy a study of the strategy tactics and rivalry between two leaders of the Army of the Potomac's cavalry during the American Civil War George Armstrong Custer's career has attracted its fair share of coverage but most Custer related studies focus on his decision making and actions to the exclusion of other important factors including his relationships with his fellow officers Custer developed his tactical philosophy within the politically ridden atmosphere of the Army of the Potomac's Cavalry Corps His relationship with his immediate superior Wesley Merritt was so acrimonious that even Custer's wife Libbie described him as her husband's enemy The Boy Generals examines in detail the steadily deteriorating relationship of two cavalrymen with opposing tactical philosophies and how this relationship affected events in the field Custer was a hussar a firm believer in the shock power of the mounted saber charge while Merritt was a dragoon his tactics rooted in the belief that the purpose of the horse was to transport the trooper to the battlefield where he could fight dismounted with his carbine With these diametrically opposed belief systems it was inevitable that these officers would clash What has often been described as a spirited rivalry was in fact something much darker an association that moved from initial distaste to acrimony and finally outright insubordination on Custer's part Author Adolfo Ovies mined deeply official reports regimental histories and

contemporary newspaper accounts together with unpublished and little used primary sources of men who fought in their commands This rich and satisfying study exposes the depths of one of the most dysfunctional and influential relationships in the Army of the Potomac and how it affected cavalry operations in the Eastern Theater The Boy Generals will change the way Civil War readers think of the premier Union army's mounted arm as well as George Custer's legacy Praise for The Boy Generals A grand effort a Must Read It will be a standard bearer a marvelous book that should remain among the very best It will certainly grace my library Frederic C Wagner III author of The Strategy of Defeat at the Little Big Horn Well written thoroughly researched and entertaining This is one you cannot miss Eric J Wittenberg award winning author of The Devil's to Pay John Buford at Gettysburg A History and Walking Tour *Riding in Circles J.e.b. Burke,2022-12-29 This book tells the story of the last sword ever designed by a major power for its army to use as a weapon not as an article of a dress uniform The sword was the U S Model 1913 Cavalry Saber the designer was George S Patton then a lieutenant on the staff of the Army chief of staff Patton participated in the modern pentathlon in Stockholm in 1912 which included fencing coming fifth overall No one in the U S Army could be better suited therefore to design its last major edged weapon The Last Sword provides an illustrated overview of the history of cavalry swords and their employment on the battlefield from the end of the Renaissance through the Napoleonic Era the Mexican American War the Civil War the Spanish

American War culminating with the Patton cavalry saber and includes descriptions of a number of the more famous cavalry charges Patton's unswerving belief in the value of horse mounted cavalry and in the value of those troopers and officers being equipped with the sword he designed is described using his own words He continued to advocate horse mounted cavalry right up to the start of the Second World War Though mechanized squadrons replaced the conventional cavalry it was not quite the end of Patton's sword as some Model 1913 Cavalry Sabers were converted to fighting knives carried by GIs during the war The book is fully illustrated with images from the collections of the Smithsonian Institution Museum of American History the Library of Congress the General George S Patton Museum the National Museum of the U S Army the Connecticut Historical Society and from private collections most of which have never been published before *Confederate Veteran*, 1924 **Training Regulations** United States. War Department, **Holding the Line on the River of Death** Eric J. Wittenberg, 2018-11-19 The award winning Civil War historian examines the actions of Union Cavalry on the first day of the Battle of Chickamauga in this history and tour guide This volume provides an in depth study of the two important delaying actions conducted by mounted Union soldiers at Reed's and Alexander's bridges on the first day of Chickamauga Much like Eric J Wittenberg's *The Devil's to Pay* John Buford at Gettysburg which won the Gettysburg Civil War Roundtable's 2015 Book Award this volume combines engaging military history with a detailed walking and driving tour complete with the GPS coordinates On September 18 1863 a cavalry brigade under Col Robert H G Minty and Col John T Wilder's legendary Lightning Brigade of mounted infantry made stout stands at a pair of chokepoints crossing Chickamauga Creek Minty's small cavalry brigade held off nearly ten times its number by designing and implementing a textbook example of a delaying action Their efforts thwarted Confederate Gen Braxton Bragg's entire battle plan by delaying his army's advance for an entire day The appendices of this book include two orders of battle a discussion of the tactics employed by the Union mounted force and an epilogue on how the War Department and National Park Service have remembered these events Complete with more than 60 photos and 15 maps by master cartographer Mark Anderson Moore *Holding the Line on the River of Death* is a valuable addition to the burgeoning Chickamauga historiography *Armor*, 1985 **Trevilian Station, June 11-12, 1864** Joseph W. McKinney, 2016-03-02 In June 1864 General Ulysses Grant ordered his cavalry commander Philip Sheridan to conduct a raid to destroy the Virginia Central Railroad between Charlottesville and Richmond Sheridan fell short of his objective when he was defeated by General Wade Hampton's cavalry in a two day battle at Trevilian Station The first day's fighting saw dismounted Yankees and Rebels engaged at close range in dense forest By day's end Hampton had withdrawn to the west Advancing the next morning Sheridan found Hampton dug in behind hastily built fortifications and launched seven dismounted assaults each repulsed with heavy casualties As darkness fell the Confederates counterattacked driving the Union forces from the field Sheridan began his withdrawal that night an ordeal for his men the Union wounded and Confederate prisoners brought off the field and the hundreds of starved and exhausted horses that marked his retreat killed
