Ford,2022-06-10 Gidon is a big lad at sixteen years It is time for him to be betrothed to a young woman whom his father approves of And he longs for a wife he can love forever There is no shortage of candidates who would like to have him as their husband His father is one of the wealthiest men in the village of Eastwatch by the Rising of the Little Dan and Gidon is considered not only strong but handsome as well Except for a gap of three hundred years Gidon s family has a long history in the village The forefathers of Gidon had traditionally been foresters and he wished for nothing else for himself His dream was of a loving wife and a life spent enjoying the forests which would also provide his living But this was not to be An event that happened the year before our story begins would change his life It would draw the attention of the chief of the Long Knives and he would promise Gidon nothing more than an interesting life provided he lived long enough What would follow would be a series of events that proved the value of the education he had received from Bishop Elisha during the snowed in winters of his brief childhood He would encounter the leviathan and the sabretooth the giant and the witch all the while increasingly seeing the superiority of the Invisible God over the pagan beliefs that once ruled Aleman his native land Gidon s deeds will affect the lives of many people but always his unfulfilled desire is to get back to Getrudis the girl whose protector he had become when they met      **Get Well Soon** Nick Duerden,2018-02-08 If you were diagnosed with a condition for which there was no known cure what would you do Nick Duerden is a writer and

journalist This is his memoir about a long period of ill health and how he was forced to plunge like it or not into the often bewildering but increasingly blossoming world of alternative therapy in pursuit of a cure He followed strictly regimented vitamin rich diets and swallowed all manner of supplements He smeared himself in coarse mineral salts and grew tepid in Epsom salt baths He visited energy practitioners and spiritual gurus He learned yoga how to meditate to breathe properly to face his fears and manage the new anxieties those very fears had done so well to engender Over the course of three years Nick s lifelong cynicism is gradually replaced by an open eagerness to try anything if not quite everything and in doing so he starts on the road back to health Get Well Soon is a memoir that focuses on the journey all of us will at some point have to face the abrupt obligation to start living better wiser healthier to be kinder to our minds and bodies by realising that minds and bodies do require care It s about what happens to life when you become ill because everyday life is never going to stop going about its chaotic business This is not a self help book But it is in its own candid unflinching and stumbling way a mapless guide to belatedly learning to live well to negotiating a very particular and all too common midlife crisis It is honest and funny and ultimately optimistic And it might just offer proof that self discovery even when it is enforced self discovery is no bad thing

**Fossil Hunters** Richard Spilsbury, 2017-08-25 Amazing creatures have roamed our planet for millions of years Many species from long ago have since become extinct However thanks to the adventurous work of some amazing fossil hunters we can study the fossils of these ancient species Learn all about archeologists and their incredible discoveries from the past from tiny insects to giant sharks
