**John J. Mueller**

## **Sacraments The Values Of Jesus:**

**Sacraments** Ray Robert Noll,1999 Firmly rooted in the tradition of the Church and some of the best scholarship of the past 40 years Noll explores the sign meaning and experience of each of the seven sacraments in the church Included is a CD ROM containing articles and passages by some of today s key sacramental theologians **Sacraments: the Values of Jesus** ,1979 Sacraments & Sacramentality Bernard J. Cooke,1994 Identifies sacramentality as the essence of life how life s meaning reveals and makes present the saving love of God For the author the totality of Jesus mission is the root of each Christian s ability and calling to transform and sanctify the human experience of living Religious Values in the Sacraments Henry Johnstone Wotherspoon,1928 **The Sacraments** Garabed Kochakian,1983 *Sacraments* David R. Kennedy,1979 *Values in Philippine Culture and Education* Manuel B. Dy,1994 Theological Foundations John J. Mueller,2007 Here a team of award winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies This first book provides students of any religious tradition with the foundational skills vocabulary conceptual understanding and research abilities that they need to succeed in theology and religious studies Theological Foundations provides the following Ten chapters that introduce the major sub disciplines of theology creating a well rounded source for understanding the discipline as a whole Contributions that are clear accessible and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one of a kind integrated library research component From the Reference Librarian which teaches students the foundational skills needed for successful study in theology and in any academic discipline An Ideology of Revolt Jerome H. Neyrey SJ,2007-05-01 Behind the triumphant proclamation of Jesus as God in the Fourth Gospel stands a history of alienation intense conflict and crisis Jerome Neyrey unearths that history by showing how the Gospel s Christology functions as a cipher for the Johannine community s estrangement and eventual revolt from its roots in the synagogue In Part One Neyrey offers a fresh full exegesis of the controversies over Jesus s eschatological and divine powers which underlay the Gospel s confession of Jesus as equal to God Part Two deftly employs social science modeling for a rigorous and enlightening reconstruction of the worldview of John s community as it evolved through stages of controversy that propelled Christians into an exaltation of Christ and a radical devaluation of this world an ideology of revolt A paradigm of interdisciplinary biblical research An Ideology of Revolt discloses the irony and scandal of John s community and of John s Christ The sacraments explained, according to the teaching... of the Catholic Church Arthur Devine,1899 **People's Journey with God II Tm' 2007 Ed. (church Renewed & Her Sacraments)** , **Teaching Sacraments to Youth** Richard Reichert,1975 **Understanding the Divide** Lyle K. Weiss,Thomas M. Tasselmyer,2018-05-09 In Understanding the Divide A Presbyterian Elder a Roman Catholic Theologian and Basic Questions of the Christian Faith a Presbyterian Elder and a Roman Catholic theologian reflect

in dialogical fashion on basic but critical dimensions of contemporary Christian faith How should we interpret the Bible How do we get to heaven What are sacraments and what is their function Who are the saints and what role if any do they continue to play in the life of the Christian community Tom Tasselmyer a Ruling Elder in the Presbyterian Church in America and Lyle K Weiss a Roman Catholic theologian respond to these and other questions offering two distinct contemporary visions of an ancient faith In alternating chapters Tom and Lyle engage in dialogue concerning basic questions of Christian faith from Reformed and Roman Catholic perspectives providing readable intelligible and accessible answers to questions believers are asking while simultaneously stimulating ongoing thought and fostering mutual respect between two rich traditions within the broader Christian family     The Sacraments in the New Testament John Chisholm Lambert,1903     **Sacraments After**

**Christendom** Andrew Francis,Janet Sutton,2022-10-27 In contemporary Western society the church has been pushed to the margins leading experts to describe the current era as a time after Christendom Many traditional churches and congregations are struggling a condition worsened by the COVID 19 pandemic regulations As the practice of churchgoing wanes the performance of the sacrament is called into question How can we bring the traditional communal experience of sacrament into the modern world In *Sacraments after Christendom* Andrew Francis and Janet Sutton tackle this question head on exploring and discussing the enactment of the sacrament in the context of church decline and an increasingly isolated world In doing so they deconstruct traditional perceptions and broaden our understanding of ritual and community in order to rediscover the truth of the sacrament     *Catholic Neurotheology* Andrew Newberg,Mary Clare Smith,2024-07-02

The topic of neurotheology has garnered increasing attention in the academic religious scientific and popular worlds It is the field of study that explores the intersection between the brain and religious and spiritual phenomena However there have been no extensive attempts at exploring specifically how Catholic religious thought and experience may intersect with neurotheology The purpose of *Catholic Neurotheology* is to fully engage this groundbreaking area Topics are related to a neurotheological approach to the foundational Catholic beliefs derived from Scripture and Tradition an exploration of the various elements of Catholicism and of Catholic rituals and practices and a review of Catholic spiritualities and mysticism Specific Catholic scholars are considered in terms of the relationships among their ideas teachings and different brain processes *Catholic Neurotheology* engages these topics in an easy to read style and incorporates scientific religious philosophical and theological aspects of the emerging field of neurotheology By reviewing the concepts in a stepwise simple yet thorough discussion readers regardless of their background will be able to understand the complexities and breadth of neurotheology from a Catholic perspective More broadly issues include a review of the neurosciences and neuroscientific techniques religious and spiritual experiences theological development and analysis liturgy and ritual philosophy epistemology and ethics and social implications all from a Catholic perspective     **Journey with Jesus/god Builds &**
