Price, 2019-09-04 Robert M Price a former Evangelical Christian examines the confusing intersection of Christianity and superstition by asking questions Is practicing the presence of God actually a variety of paranoia Is having a personal relationship with Jesus Christ really akin to a child playing with an imaginary friend At what point does a religious belief become an obsessive neurosis Price finds that the source of superstition in Christianity is the objectification of the transcendent As a result he argues many of the most destructive superstitions within Christianity are inessential accretions to the faith interfering with life transforming piety to the glad benefit of many of Christianity s adherents Christians who believe that an unexamined faith is not worth having will profit from struggling with Jesus Christ Superstition Working with Dreams and PTSD Nightmares Jacquie E. Peter John Cameron, O.P.,2012-12-10 Enter into one of the treasured spiritual practices of the Church Since the seventh century Catholics the world over have used the novena as a means of deepening their spiritual life expressing devotion to a saint or as an avenue for petitioning the Lord for a particular grace The novena from the Latin novem nine and noveni nine at a time is a period of public or private prayer lasting nine days symbolizing the time between Christ s Ascension and Pentecost during which Mary and the Apostles awaited the coming of the Holy Spirit At the heart of *Novenas for the Church Year* is a collection of nearly 60 original novenas that you can use to feed your soul as you commemorate an

Gerald W. Miller,2011-10-05 There are numerous books and documents on spiritual life and the authors of these are long on the journey with God However a consolidation of the elements of a spiritual life and how they can affect one s life are both interesting and helpful as they have been to me These INSIGHTS are most useful in beginning as well as enhancing one s own spiritual formation Over 100 separate views which are threaded among seven chapters speak to a practical approach to carrying out the Lord s will in the spiritual life **On Bits And Pieces** Mark A. Escobar,2009-03-03 As discipleship demands new perspectives and priorities these homilies articulate relationships in a variety of settings images and lifestyles of being in the world with others Though they help us understand the presence of God in our lives living with our own mystery and spirituality becomes like a dependable compass that is always there to guide us God sees what is in each human heart and we give ourselves the space and the time to nourish it with the mystery of his love for us It is our road map as we walk by faith and not by sight alone Jesus life teaching and ministry in a particular place time and culture have great significance to our journey as far as our mission is concerned He identifies himself with the people across cultures and he enters into solidarity with those in need St Augustine once said Faith is to believe what we do not see and the reward of this faith is to see what we believe We may not know where our journey takes us because there is not much of a plan but it is our faith that sustains us to complete a journey through thick and thin It provides us with the opportunity to let the mind wander and watch and listen to God in prayer Hence whether it is a daily walk or the journey through daily life these homilies are offered to help us continue with confidence with enthusiasm to move on and in every sense be men and women of the Gospel After all as the late Mother Teresa of Calcutta once wrote We cannot all do great things but can do small things with great love **As I Have Loved You** Deacon Dominic Cerrato, Ph.D.,2025-05-12 To carry on the mission of the Church we must be unified which Jesus himself prayed for This unity begins first of all with the clergy who share in the Sacrament of Holy Orders As I Have Loved You explores the concept of clerical unity which is a way of living out one s vocation to holy orders with a sense of oneness cohesion and harmony without divisions or fragmentation Bishops priests and deacons form a single complete brotherhood while maintaining in whole each order s distinctive and particular contribution to the mission of the Church Clerical unity signifies the interconnectedness collaboration and shared purpose among bishops priests and deacons Despite their distinctive roles they form a unified ordained ministry committed to advancing the mission of the Church by

serving the People of God while upholding the teachings and traditions of the Catholic Faith *Encounter Jesus in Genesis*

(4) Samuel J. Kim, 2023-10-22 In Genesis we encounter the same Jesus that Abraham met As a result we've received the remission of sins and experienced being born again Through our belief in the Gospel of Truth we've transformed into righteous individuals the holy saints with circumcised hearts and as such we are God's children blessed with eternal life By walking alongside God throughout our lives we too can bask in the rapture's glory mirroring Enoch's experience As God proclaimed The imagination of man's heart is evil from his youth Genesis 8:21 In response we should set aside our own perceptions placing trust in and adhering to God's Word Such genuine faith truly pleases Him Among believers two distinct groups emerge those solely devoted to God and those who balance their worship between God and idols The former group's faith lies in the God of Abraham while the latter places trust in the God of Nahor It's worth noting that Nahor's lineage revered both the teraphim and God In present times numerous Christians find themselves serving both God and wealth Such a faith aligned with the God of Nahor can be termed as a pseudo belief Abraham pursued the Word undeterred by uncertainties of his path It's my genuine wish for each of us to lead lives of faith reminiscent of Abraham which resonate with God's pleasure *Dreaming in Church* Geoffrey G. Nelson, 2016-02-10 Humans are created as dreaming creatures and have been interested in the meaning of their dreams for thousands of years This book offers tools and guidelines to help you work with your dreams as a practice of your Christian faith Drawing on biblical and historical references as well as modern research the book outlines ways to better understand your own dreams and gives practical advice for beginning and leading a dream group The book also discusses how other contemporary spiritual practices such as lectio divina journaling and meditation can inform your dream work and vice versa Dreams are not a secret code and will not necessarily improve your life forever but they can serve as a valuable source of insights and inspiration in your life This book will help you reach a deeper understanding of yourself and your faith through working with your dreams *Jesus Christ as Ancestor* Reuben Turbi Luka, 2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophecies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the church in Africa and elsewhere to avoid repeating the dangerous christological heresies of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ *Into the Mess and Other Jesus Stories* Debie Thomas, 2022-05-17 He was a disrupter and a peacemaker a rebel and a rabbi His friends were the riffraff and his enemies

the religious elite He was the wounded man who healed the sick the homeless man who fed the hungry the convicted criminal who released the captives and the dead man who conquered the grave The stories he told were scandalous and the stories he lived changed the world To reflect on the Jesus of the Gospels is to reflect on paradox mystery wonder and messiness It is to find God in the shadows the tensions and the ambiguities of life on earth as it is These essays on the stories of Jesus are invitations to faith in all its complexity and untidiness The Jesus who emerges here is not the sanitized Christ of piety and platitude but the Christ of complicated joys and transcendent sorrows The Christ who weeps wonders loses learns and seeks These are the stories of the Incarnate God who finds and loves us in the messiness of our lives
