Maria Harris

Sacred Ground Reflections On Lakota Spirituality And The Gospel:

Sacred Ground Ron Zeilinger, 1987 **Path of the Sacred Pipe** Jay Cleve, 2012-11-27 In these days of global crisis thoughtful seekers increasingly turn to Native Americans for healing wisdom The Sacred Pipe is the medicine says Jay Cleve in this informative and practical guide to a key practice of Native American spirituality The Hopi and other ancient cultures predicted our present age as one of transition into a New World The galactic alignment ending the Mayan calendar on December 21 2012 occurs only every 26 000 years and is thought to be a critical time for raising consciousness to align with the radical expansion of Earth energies Cleve shows how the Pipe can facilitate transformation on both the personal and planetary levels He explains its use in rituals such as the sweat lodge the vision quest and the sun dance and in relation to the Medicine Wheel He also provides practical information on obtaining and caring for a Pipe and on preparing for and performing the Pipe ceremony *When the Dead Speak* S. D. Tooley, 2000 Sam investigates the discovery of the body of a supposedly AWOL Korean War soldier encased in a concrete pillar [Resources for Outdoor Retreats](#) Bob Grgic, 1994 Filled with well chosen resources to help you design your own outdoor retreats and prayer experiences You will find clearly outlined directions imaginative suggestions and handouts for retreatants participation The activities prayers and handouts can be combined in ways to meet the unique and changing circumstances that you might face in providing outdoor retreat experiences for you young people **Aboriginal Spirituality and Biblical Theology** John W. Friesen, 2000 The dawning of the twenty first century has witnessed a more global philosophical outlook among North Americans A healthy curiosity has motivated investigations into wider parameters of philosophical thought including Aboriginal spirituality This book not only offers an in depth look at First Nations theology but parallels its key themes with Old Testament Hebraic thought which comprises the roots of Christianity The first chapters of the book outline the common tribal histories of North American Indians and Old Testament Jews Key doctrines central to both Aboriginal and Biblical theology are then compared and contrasted in language readily understood by the layman These include the doctrine of God anthropology epistemology soteriology deontology and eschatology Parallels in the way spiritual leadership is viewed by Aboriginal Peoples Hebrews and Christians are drawn and the final chapter features a special case study of the Stoney Nation **Kansas Working Papers in Linguistics**, 1990 *People of the Circle, People of the Four Directions* Scott McCarthy, 1999 Publisher Marketing A Gathering of Native American Prayers Rituals and Traditions People of the Circle People of the Four Directions explores the common spiritual symbols of the Native People of North and South America Drawing on poems stories ceremonies and ethnological writings Scott McCarthy gives examples of the use of circles the four directions and the number four both individually and in combination as common themes that run through all the Native cultures of the Americas The ceremonies and lifeways presented here will encourage a sharing and understanding between cultures as cultures meet sometimes colliding sometimes entwining Contributor Bio Born in London England Scott McCarthy received a Master of

Divinity and a Master of Arts from St Patrick s Seminary in Menlo Park California and was ordained a Catholic priest in 1974 Over the years he has attended numerous Native ceremonies throughout North and South America He currently serves as pastor of Our Lady of Mount Carmel in Carmel Valley California and as director of the diocesan Native American ministry

Where the Two Roads Meet Christopher Vecsey,1999 Vecsey a professor of religion and Native American studies at Colgate University concludes his trilogy on Native American Catholicism with a study of how Indian Catholics have tried to follow the route of two separate traditions each with its own expectations and identities He examines the lives of American Indian Catholics who have been leaders in their communities and in the Church and considers how these men and women have brought together their Indian and Catholic identities to accomplish a cultural and religious syncretism within themselves

Roots in Print Paula Matta,1992 **To Seek & to Serve** Anne Rowthorn,1991 *Celebrating the Earth* Scott McCarthy,1991 **Pipe, Bible, and Peyote among the Oglala Lakota** Paul B. Steinmetz, S.J.,1998-12-01 When Paul B Steinmetz worked among the Oglala Lakota in South Dakota he prayed with the Sacred Pipe conversed with medicine men and participated in their religious ceremonies Steinmetz describes the history belief systems and contemporary ceremonies of three religious groups among the Oglala Lakota traditional Lakota religion the Native American Church and the Body of Christ Independent Church a small Pentecostal group On the basis of these descriptions Steinmetz discusses the interdynamics of Pipe Bible and Peyote and offers a model for understanding Oglala religious identity Steinmetz maintains that a sense of sacramentalism is essential in understanding Native American religions and that the mutual influence between Lakota religion and Christianity has been far more extensive than most scholars have suggested *Subject Guide to Children's Books in Print* 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Subject Guide to Books in Print* ,1997 **Reference Encyclopedia of the American Indian** Barry T. Klein,2000 **Sacred Land, Sacred Sex** Dolores LaChapelle,1988

Proclaim Jubilee! Maria Harris,1996-01-01 The biblical Jubilee that was celebrated once every fifty years is referred to in Leviticus 25 as the Sabbath of Sabbaths Its requirements included that the land lie fallow all debts be forgiven captives be freed and a celebration held Maria Harris considers the implications of a living Jubilee for today and for the next century She offers a compelling argument that a living Jubilee is a comprehensive spirituality that would have a positive political economic and moral impact on individuals families religious congregations institutions and nations

Religion, Culture and Politics in the Twentieth-Century United States Mark Hulsether,2007-05-31 Anyone who seeks to understand the dynamics of culture and politics in the United States must grapple with the importance of religion in its many diverse and contentious manifestations With conservative evangelicals forming the base of the Republican Party racial ethnic communities often organised along religious lines and social political movements on the left including major religious components many of the country s key cultural political debates are carried out through religious discourse Thus it is misleading either to think of the US as a secular society in which religion is marginal or to work with overly narrow

understandings of religion which treat it as monolithically conservative or concerned primarily with otherworldly issues In this volume Mark Hulsether introduces the key players and offers a select group of case studies that explore how these players have interacted with major themes and events in US cultural history Students in American Studies and Cultural Studies will appreciate how he frames his analysis using categories such as cultural hegemony race and gender contestation popular culture and empire Key Features Provides a concise introduction to the field Balances a stress on religious diversity with attention to power conflicts within multiculturalism Dramatizes the internal complexity and dynamism of religious communities Brings religious issues into the field of cultural studies building bridges that can enable more informed and constructive discussion of religion in these fields Provides an integrated view of religion and its importance in recent US history Encyclopedia of Religion and Nature Bron Taylor,Jeffrey Kaplan,2005-01-01 No Marketing Blurb *Every Day Is a Good Day* Wilma Mankiller,Gloria Steinem,2016-11-16 A rare and often intimate glimpse at the resilience and perserverance of Native women who face each day positively and see the richnes in their lives

Right here, we have countless books **Sacred Ground Reflections On Lakota Spirituality And The Gospel** and collections to check out. We additionally pay for variant types and then type of the books to browse.
