Schaeffer, 2019 Sacred Intimacy Rocco Romeo, 2009-11-01 This is a book that changes lives and relationships for the better It creates an unbreakable spiritual and physical bond between married and single couples forever If you are experiencing infidelity uncertainty or just a relationship that s missing that certain something begin now to experience more

playfulness more joy and more intimacy than you've ever thought possible **Religion and Its Monsters** Timothy Beal, 2022-11-24 Religious encounters with mystery can be fascinating but also terrifying. So too when it comes to encounters with the monsters that haunt Jewish and Christian traditions. Religion has a lot to do with horror and horror has a lot to do with religion. Religion has its monsters and monsters have their religion. In this unusual and provocative book Timothy Beal explores how religion, horror, and the monstrous are deeply intertwined. This new edition has been thoughtfully updated, reflecting on developments in the field over the past two decades and highlighting its contributions to emerging conversations. It also features a new chapter, *Gods, Monsters, and Machines*, which engages cultural fascinations and anxieties about technologies of artificial intelligence and machine learning as they relate to religion and the monstrous at the dawn of the Anthropocene. *Religion and Its Monsters* is essential reading for students and scholars of religion and popular culture as well as for any readers with an interest in horror theory or monster theory **(Extra)Ordinary Presence** Markus

Gottwald, Kay Kirchmann, Heike Paul, 2017-08-15 Taking its cue from contemporary western debates on presence in the social sciences and the humanities, this volume focuses on presence both as everyday experience and as an experience of intense moments. It raises questions about diverse social configurations of presence as well as about the specific cultural repertoires which encode, articulate, and shape discourses of presence. The contributions take as a premise that phenomena of presence are connected to particular forms of knowledge. Especially tacit knowledge pre-determines experiences of individual and collective presence and becomes tangible in moments of presence or presentification **Your Soulmate Called God**

Ivonne Delaflor, 2005-03 You cannot help but to be impacted by this remarkable woman, a powerful model of love in action. Now she has produced the book you hold in your hands that puts into words her deeply felt personal experience and relationship with God. She describes how the first part was written following a conversation with a friend which inspired her to write for hours in a beautiful reverie of poetic expression. The second was scribed during an emotional valley, a period of sorrow and depression. Each of these experiences demonstrated that the source of enduring love and joy is not to be found in another person or in materiality but instead through discovering your true soulmate, God. Be sure to savor these writings, sipping a little here and there like a fine wine. Breathe slowly as you read each piece. Let the words permeate your consciousness and open your physical senses to the ecstatic experience of the Divine. Doing so will allow you to remember the eternal being that you are, and your heart will sing as you find union with your one and only true Soulmate called God. Dr. Steven Farmer, Ph.D., author of *Sacred Ceremony* and *Power Animals*. Excerpt from the foreword to *Your Soulmate Called God*.

Sacred Intimacy C. Suzanne Deakins, 2010-09-30 This is a book about intimacy and the part it plays in our longing for love, our sexuality, and desire for spiritual love and a sacred space. It is about a desire that we often mistake for physical love. It is our desire for survival that pushes us to seek intimacy. The desire to be known by our lovers and loved in a spiritual space pushes us toward intimacy. This writing is about what I have learned and know to be so about the nature of reality of
