Sacred Pabion:

The Philosopher's Index, 1979 Vols for 1969 include a section of abstracts Diario oficial Mexico, 1910 **Dels fons a la superfície** Nuria Rius Vernet, 2008 **Peinture italienne, Musée du Petit Palais, Avignon** Michel Laclotte, Musée du Petit Palais (Avignon, France), 2005 Collection d'oeuvres d'art grecques trusques et romaines ainsi que de toiles de primitifs constituée par le marquis Giampietro Campana di Cavelli Rome 1807 Naples 1880 *The Glories of the Sacred Heart* Henry Edward Manning, 1876 The Sacred Heart is as Simeon prophesied of Jesus Himself Signum cui contradicetur Like the title of His Blessed Mother who is in very truth Mother of God it has drawn to itself all the assaults of heresy For it is a divine test of faith in the mystery of the Word made Flesh ut revelentur ex multis cordibus cogitationes Those who have trusted with a yearning hope that the faith of Englishmen in the Incarnation at least was firm and clear were saddened and silenced when the pilgrimage to Paray le Monial elicited from some of the highest sources of the established religion a profession of simple Nestorianism It was then that the first fifty pages in this book were published Having been out of print for some time they are now reprinted as the doctrinal foundation of all that follows The devotion of the Sacred Heart has two aspects the one as the centre of all dogma the other as the source of the deepest devotion In this latter aspect it reveals to us the personal love of our Divine Redeemer towards each and every one for whom He died It is a manifestation of His pity tenderness compassion and mercy to sinners and to penitents Nevertheless its chief characteristic and its dominant note is His disappointment at the returns we make to Him for His love and above all His divine displeasure at the faults and sins of those who are specially consecrated at His service He seems to be sadly upbraiding us with the three doubting questions which He put to Peter Lovest thou Me and to be looking upon us as He turned and looked on him when he had thrice denied his Master Into this part of the devotion of the Sacred Heart I have not ventured It has already been treated so profusely by others and by many of whom I have only to learn it is in itself so deep and intimately related to the personal life and mind of each that I have always felt it better to use but few suggestive words rather than to draw out devotional acts which to the writer are no doubt spontaneous natural and real but to the reader may be a burden like Saul's armour to David In the following pages therefore I have intentionally confined myself to the dogmatic side of the devotion and for the following reasons I believe firmly that when divine truth is fully and duly apprehended it generates devotion that one cause of shallowness in the spiritual life is a superficial apprehension of the dogma of the Incarnation and that one divine purpose in the institution and diffusion of the devotion of the Sacred Heart in these last times is to reawaken in the minds of men the consciousness of their personal relation to a Divine Master He has foretold the dimness and coldness of these latter days The Son of Man when He cometh shall He find think you faith on the earth S Luke xviii 8 Because iniquity hath abounded the charity of many shall grow cold S Matt xxiv 12 In that day the disciples of the Sacred Heart at least will know whom they have believed Sacred Places and the Pilgrimage of Life Lawrence A.
