A History of British, Irish and American Literature Hans-Peter Wagner, 2021-10-04. The third revised and enlarged edition contains discussions of British, Irish, and American literary works up to 2020. Focussing on outstanding writings in prose, poetry, drama, and non-fiction, the book covers the time from the Anglo-Saxon period to the 21st century. The feature that makes this literary history unique among its rivals is the coverage of television, web series as a particular form of postmodern drama. The chapters on recent drama now contain detailed analyses of the development of TV and web series from Britain, Ireland, and America, with extensive discussions of those series now considered classics. In addition, there are several major innovative features. To begin with, each century is introduced by a survey of the socio-political and cultural backgrounds in which the literary works are embedded. Furthermore, extensive visual material, more than 160 engravings, cartoons, and paintings, has been integrated. This visual aspect, as well as the introductory sections on art for each century, give the reader an excellent idea of the symbiosis between visual and literary representations. Further innovative aspects include discussions of non-fictional works from literary criticism and theory, travel writing, historiography, and the social sciences; analyses of such popular genres as crime fiction, science fiction, fantasy, the Western, horror fiction, and children's literature; footnotes explaining technical and historical terms and events; a detailed glossary of literary terms; chronological tables for British, Anglo-Irish, and American literatures; an updated cut-off date 2020; extensive bibliography containing suggestions for further reading.

Book Prices: Used and Rare, 1994 Edward N. Zempel, 1994 **IRIS MURDOCH'S THOUGHTS ON**

MARXISM AND BUDDHISM Dr. Rajabhau Chhaganrao Korde, 2019-08-13 Iris Murdoch was a British writer. She studied all religions, their concepts, ideologies, and philosophies. Mostly her novels are concerned with the humanity, man, women, relationships, society, and their problems. Iris Murdoch studied Buddhist literature and finally she decided to accept the Buddhism. In fact, Iris Murdoch was a Marxist by birth, but she left the Marxism and converted to Buddhism. This is a chief concern of this study: a social political background of Ireland. At that time, Ireland was governed by the parliament of the United Kingdom in London. It was formed a constituent part of Great Britain. Ireland was facing many problems like great famine, vigorous campaign for Irish Home Rule. This movement was led by Robert Emmet in 1803. **Iris Murdoch** Hilda D. Spear, 2006-10-23 Iris Murdoch produced twenty-six novels in forty years. The last of these, *Jackson's Dilemma*, was published in 1995, four years before her death. Murdoch's interest in moral problems inclined her towards what could be seen as an unusual view of human character and human life, leading her to create bizarre situations and offer unsettling solutions which frequently challenge and intrigue the reader. This essential introduction to one of Britain's best-known writers guides the reader through the full range of Murdoch's fictional output, tracing basic patterns which run throughout Murdoch's work and showing how the novels help to elucidate one another. The revised, updated, and expanded new edition takes into account certain details which have emerged following Murdoch's death in 1999, incorporates the latest scholarship, and offers fuller treatment of a number of novels. The second edition also gives more weight to the development of the moral discourse which is predominant in Murdoch's work. From the mid-sixties onwards, Murdoch was intensely concerned with the problems of Good and Evil in a godless world. In the later novels, particularly those of the eighties and nineties, she posited the possibility of mystic personalities who influence others from a position beyond the normal parameters of our world. Hilda D. Spear examines these mystic and mysterious fictions in the later chapters of her study and argues that *Jackson's Dilemma* should be viewed as Murdoch's unfinished novel. **Bold, Brilliant and Bad** Marian Broderick, 2018-09-10 From every county in Ireland, *Bold, Brilliant and Bad* draws together the stories of over 120 amazing Irish women. Marian Broderick is back to explore the histories of remarkable Irish women in history. From creative craftswomen to singing sensations, poets to sporting champions. From Lilian Bland to Maeve Binchy and from Anne O'Brien to Professor Sheila Tinney, these women paved the way for the future and made massive changes in their various fields. Meet the women from history who went against the grain and challenged the expectations of the world. There were and are a force to be reckoned with.
