Sacred Waters A Pilgrimage To The Many Sources Of The Ganga:

Sacred Waters Stephen Alter, 2009-02-10 A spiritual journey up India's most sacred river This is an account of a journey taken in India The destination is the origin of the Ganga the holiest and most famous of Indian rivers It is a physical journey involving months of trekking through forested valleys and snow covered mountains It is also a journey of the spirit taking a man deep into the heart and soul of India's ancient religion Stephen Alter who was born in the Himalayan foothills crosses many miles and several millennia to search for the source of Hindu religion Along the way as he reaches one holy spot after another meeting grounds for pilgrims remote towns and forgotten temples he delves into the myths and traditions of ancient temples He explores tales from the epics the intimate connection between natural history and mystical experience and the sacred wisdom that animates the religious legacy of India As every pilgrim learns a spiritual search involves travel but ultimately returns to the inner self *Sacred Waters* is a richly told compelling narrative of a whole civilization and of a man's interior journey

Sacred Waters Stephen Alter, 2001 Alter crosses many miles and several millennia to search for the source of Indian religion Along the way he delves into the myths and traditions of an antique land *Sacred Waters* is a richly told narrative of a beautiful land and of a man's interior journey and is for readers everywhere who seek to plumb their own spiritual sources

Sacred Waters Celeste Ray, 2020-02-18 Describing sacred waters and their associated traditions in over thirty countries and across multiple time periods this book identifies patterns in panhuman hydrolatry Supplying life's most basic daily need freshwater sources were likely the earliest sacred sites and the first protected and contested resource Guarded by taboos rites and supermundane forces freshwater sources have also been considered thresholds to otherworlds Often associated also with venerated stones trees and healing flora sacred water sources are sites of biocultural diversity Addressing themes that will shape future water research this volume examines cultural perceptions of water's sacrality that can be employed to foster resilient human environmental relationships in the growing water crises of the twenty first century The work combines perspectives from anthropology archaeology classics folklore geography geology history literature and religious studies
