A Woman Rides the Beast Dave Hunt, 1994-08-15 Are you missing half the story about the last days Virtually all attention these days is focused on the coming Antichrist but he is only half the story Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy a woman who rides the beast Who is this woman Tradition says she is connected with the church of Rome But isn't such a view outdated After all today's Vatican is eager to join hands with Protestants worldwide The Catholic church has changed is what we hear Or has it In *A Woman Rides the Beast* prophecy expert Dave Hunt sifts through biblical truth and global events to present a well defined portrait of the woman and her powerful place in the Antichrist's future empire Eight remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt A provocative account of what the Bible tells us is to come

Prophecy Unveiled John Buckley, 2007-09 Dr Buckley skillfully explores many of the hidden but powerful prophecies in the Bible For example he points to a prophecy in Isaiah 18 that states that a third temple will be built in Jerusalem Referring to the story in the Book of Esther he points to a prophecy about hanging the ten sons of Haman after they had already been killed He believes that the execution of ten top Nazis following the Nuremberg trials fulfilled that prophecy On another subject did you know that Satan before his alienation from God had a home on the planet Rahab which was the fifth planet from the Sun in our solar system As a result of the war in heaven God destroyed this planet and its remains form the asteroid belt that circles that region of the heavens The destruction of Rahab is recorded in the Bible His very clear Biblical exposition defangs some cherished doctrinal issues such as dispensationalism dual covenant restoration of Israel to its homeland and the rapture This book offers a fresh perspective on the Bible John W Buckley attended the University of Washington where he received an MBA 1962 and Ph D 1964 He then served as a professor at the University of California Los Angeles UCLA for thirty five years During those years he authored fourteen books and monographs His father Edward Alexander Buckley was a deeply spiritual man who instilled in John an abiding belief in the Bible as being the inspired Word of God So John studied the Bible and other religious writings in depth and began to formulate the views expressed in this book With the encouragement of relatives and friends he has now put his thoughts in writing

Revelation Jeff Ferguson, 2021-11-03 Social injustice social distancing and masks the coronavirus

pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told **Creation and the Second Coming** Henry M. Morris, 1991 To understand the end you must understand the beginning God's plan for the Second Coming of Jesus Christ began in the Book of Genesis with the events of Creation and the rebellious Fall of Man God's great plan of redemption and salvation through Christ is still underway and will culminate with His triumphant return but before this event the Bible tells of a clear set of signs that will mark the final days The political upheaval in the Middle East the New Age movement and the call for a one world government were all foretold in God's Word The Bible's prophetic writers give key signs of the return of Christ and in this classic work from renowned author and creation scientist Dr Henry M Morris he reveals how each sign is an outgrowth of evolutionary humanism or pantheism
