Gupta,2020-10-07 An indispensable map to the often intimidating world of biblical commentaries For many beginning students of the New Testament looking for a commentary seems like a simple process identify the book you re studying search for a commentary and pick one However the reality is far from simple With new commentaries being published every year on every book of the Bible the student of Scripture can quickly become overwhelmed with an inexhaustible amount of resources What is the student to do In this short accessible resource Nijay Gupta helps beginning Bible students understand the various available commentaries their strengths unique contributions and ultimately how to use them Through The New Testament Commentary Guide readers will understand how to incorporate commentaries into their learning and be enriched in their study of the Bible The Priest and Levite as Temple Representatives Michael Blythe,2023-07-07 The parable of the good Samaritan is well known yet scholarship has not plumbed the depths of its meaning within its first century Palestinian context For the majority of Christian history the parable has suffered either from extreme allegorical treatments or from unimaginative readings limiting the parable to a single point example story of virtue A creative reading employing social and historical methods generates a refreshing telling of the story within Jesus s context whereby each variable from the Samaritan to the priest and even the innkeeper takes on representative forms not only indicative of widespread concerns from Jesus s audience but also becoming symbols of the eschatological age when the new temple supplants the old

Garland,2017-09-19 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching

units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture.
