

An abstract line drawing in white on a black background. It depicts a woman with long, wavy hair and a man in a romantic pose. The woman is on the left, looking towards the man on the right. They are connected by a green line that forms a heart shape. There are also some red and orange scribbles. The overall style is minimalist and artistic.

Lust Or No Harm Done:

Who Created God? Thomas Shine, 2011 This book contains 101 questions that every Christian should know but never thought to ask from who created God to what happens if someone lives in a remote region that has never heard about God and why can't we have multiple wives when people in the Old Testament did Other questions answered in this book Why is there suffering What is wrong with drugs Why would God let someone be mentally or physically challenged How did people live so long in the Bible Are there Aliens from Outer space Are Angels real

Masculinity in Contemporary Science Fiction by Men Sara Martín, 2025-05-30 Masculinity in Contemporary Science Fiction by Men No Plans for the Future is the first comprehensive study of the self representation of men in SF novels published in the twenty first century by male authors Exploring a broad selection of writers and works the fourteen chapters present a panoramic overview of men's contributions to current SF and explore their slow but noticeable progress in the representation of gender The impact of feminism and gender studies and the demands of readers have profoundly transformed men's SF which now presents far more caring and vulnerable male characters The old stereotypes are being replaced by a collective reflection on how men and masculinity are changing though the lack of a common agenda results in novels that while exciting and often challenging sometimes miss the chance to imagine a better anti patriarchal pro feminist future for men and for all human beings The authors analysed include Robert Charles Wilson Geoff Ryman Samuel R Delany Richard K Morgan John Scalzi Iain M Banks Ernest Cline James S A Corey Colson Whitehead Andy Weir Daniel H Wilson Ian McDonald Yoon Ha Lee Tade Thompson Neal Stephenson and Kim Stanley Robinson

Wentworth Dilke,1814 *Historical Dictionary of Science Fiction in Literature* M. Keith Booker,2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject The Moral Treatises St.

Augustine of Hippo,2018 The moral treatises contain much that will instruct and interest the reader while some views will appear strange to those who fail to distinguish between different ages and different types of virtue and piety Augustine shared with the Greek and Latin fathers the ascetic preference for voluntary celibacy and poverty He accepted the distinction which dates from the second century between two kinds of morality a lower morality of the common people which consists in keeping the ten commandments and a higher sanctity of the elect few which observes in addition the evangelical counsels so called or the monastic virtues He practiced this doctrine after his conversion He ought to have married the mother of his son but in devoting himself to the priesthood he felt it his duty to remain unmarried according to the prevailing spirit of the

church in his age His teacher Ambrose and his older contemporary Jerome went still further in the enthusiastic praise of single life We must admire their power of self denial and undivided consecration though we may dissent from their theory
