Man into Wolf Robert Eisler, 2023-03-08 First published in 1951 Man into Wolf attempts to suggest the possibility of historical or rather prehistorical evolutionist derivation of all crimes of violence from the individual attack on life known as murder or manslaughter to the collective organized killing which we call war The author has tried to show that the evidence from prehistory can be made intelligible on the theory of Jung's archetypes surviving in the collective conscience and revealing themselves all over the world in legends myths and rites He discusses in the notes on the lecture every possible aspect of the subject ranging from the perverseness of the Marquis de Sade to the Grecian Bacchantes and from the Green Men and the agricultural ceremonies to a case study of John George Haigh This book will be of interest to students of anthropology gender studies and psychology

American Deadvolution At Hand Worx, **Between Kings** W.R. Gingell, 2021-12-31 G day I m Pet Heirling Biter of fae lords Trouble I have a lot of names these days including my own real name Unfortunately for me someone else knows that name too not to mention the names of my other heirling friends Now those heirling friends have disappeared stolen by the current King Behind for a fight to the death where only one contender to the throne remains The rules say there's no way in and only one way out of that fight but I've always preferred to work outside the rules I just have to trust my friends to help each other stay alive long enough for me to get them out without becoming a contender for the throne myself Because one thing is for sure I am absolutely not planning on being the next King Behind

The Best Werewolf Short Stories 1800-1849 Catherine Crowe, Frederick Marryat, 2010-05 Transformation of the werewolf in literature made its greatest strides in the 19th century when the shape shifting monster leapt from poetry to the short story It happened when this shorter form of literature was morphing into darker shapes thanks in no small part to Edgar Allan Poe Honore de Balzac E T A Hoffmann Nathaniel Hawthorne Prosper Merimee James Hogg and so many others in Europe and the United States The fifty year period between 1800 and 1849 is truly the cradle of all werewolf short stories For the first time in one anthology Andrew Barger has compiled the best werewolf stories from this period The stories are Hugues the Werewolf A Kentish Legend of the Middle Ages The Man Wolf A Story of a Weir Wolf The Wehr Wolf A Legend of the Limousin and The White Wolf of the Hartz Mountains It is believed that two of these fine stories have never been republished in over one hundred and fifty years since their original printing Read The Best Werewolf Short Stories 1800 1849 tonight just make sure it is not by the light of a full moon
