Complete lyric pieces Edvard Grieg, 1867-1901 All 66 works from the 10 sets of little mood pictures created for piano by the Norwegian composer from 1867 to 1901 reprinted from the authoritative C F Peters edition Technically uncomplicated and reasonably easy to master these popular works have been favorites of generations of pianists both amateur and professional

Edvard Grieg: 16 Lyric Pieces Richard Yates, Edvard Grieg, 2010-10-07 The classical guitar is at its best with music of smaller proportions that is personal evocative and imbued with opportunities for subtle expressive nuances in performance Like the piano it must stitch together discrete and fading notes into continuous melodies supported by a harmonic background the joining of Grieg's music and the classical guitar seems to be a most obvious and fruitful endeavor This collection presents transcriptions from Grieg's best known and loved piano works They are of intermediate to early advanced difficulty with detailed fingering indications and extensive notes about the transcriptions and performance suggestions for each piece This wonderful music so easily and elegantly translated to the guitar has previously been overlooked by most guitarists These arrangements show that the results of the combination is better than might be expected Standard notation only
